

AC GI SPOT 78 Questions (Retyped)

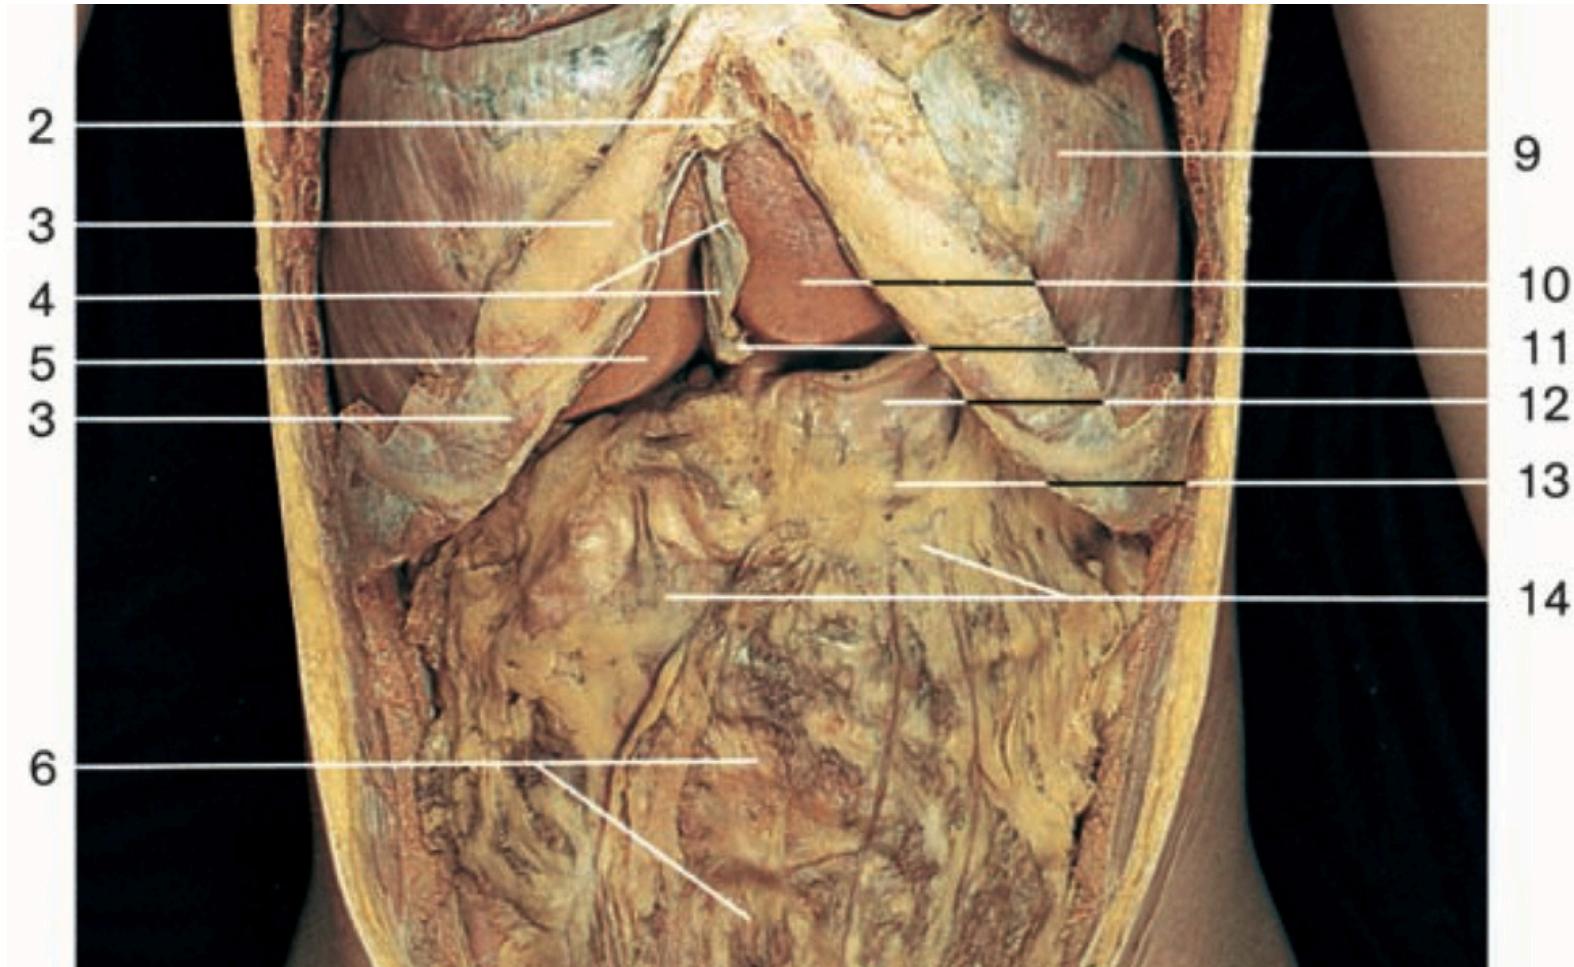

Abdominal wall

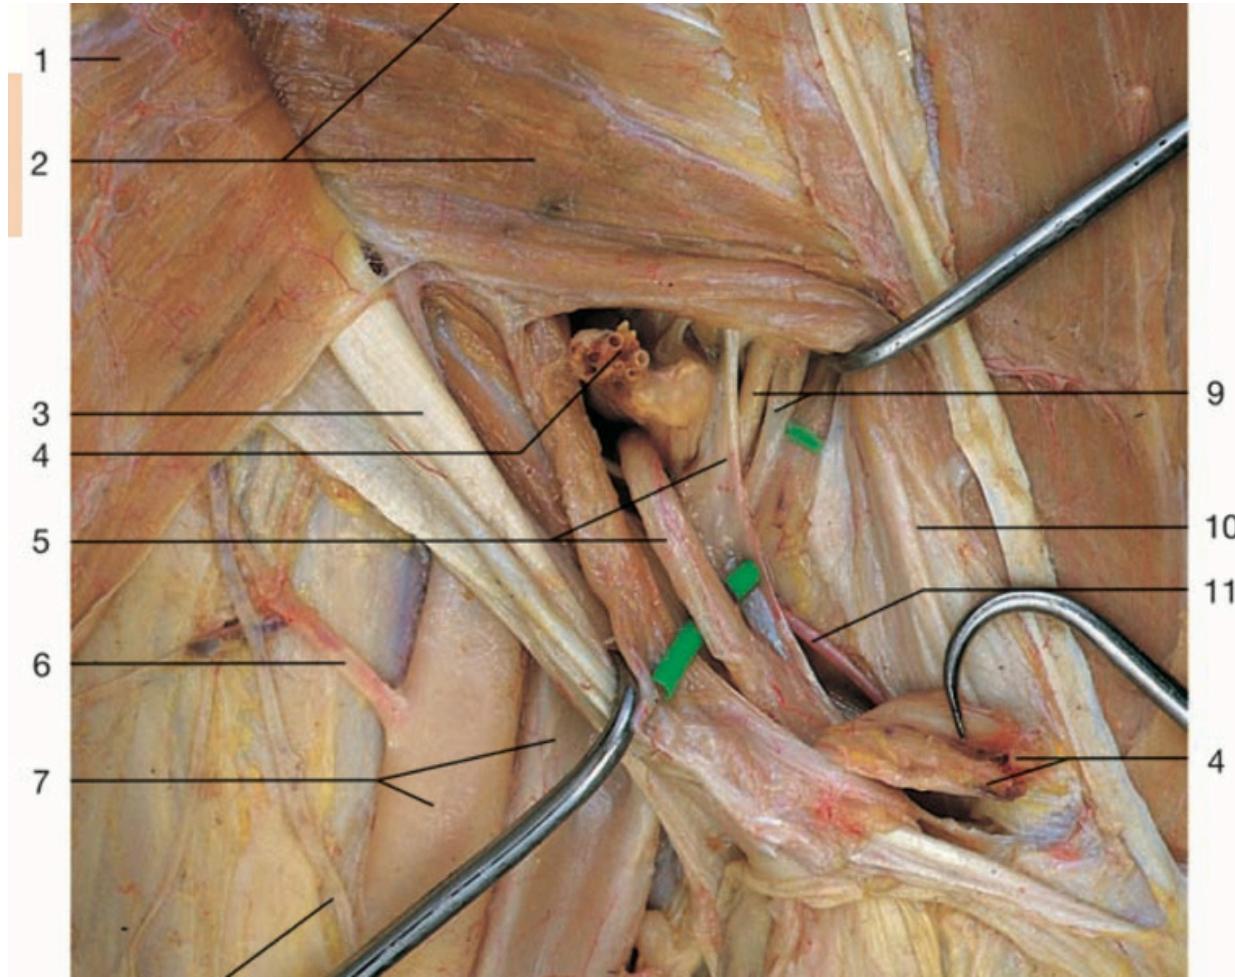

1 A Identify structure 5
B Identify structure 7

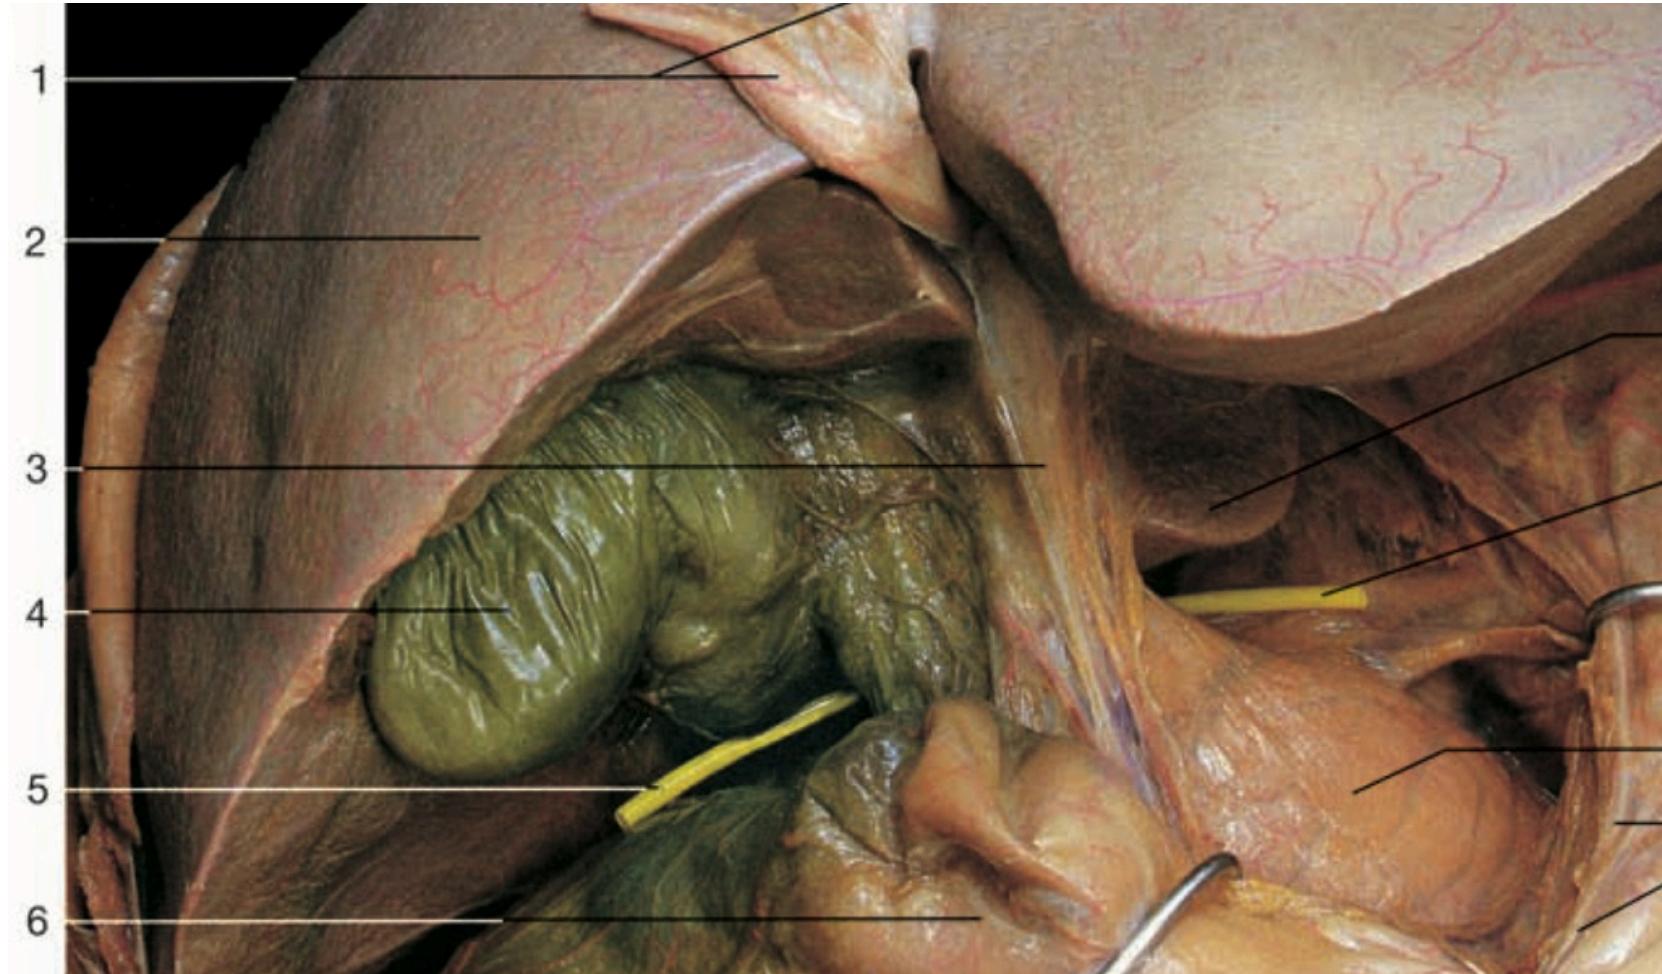

2 A Identify structure 13
B Identify structure 12

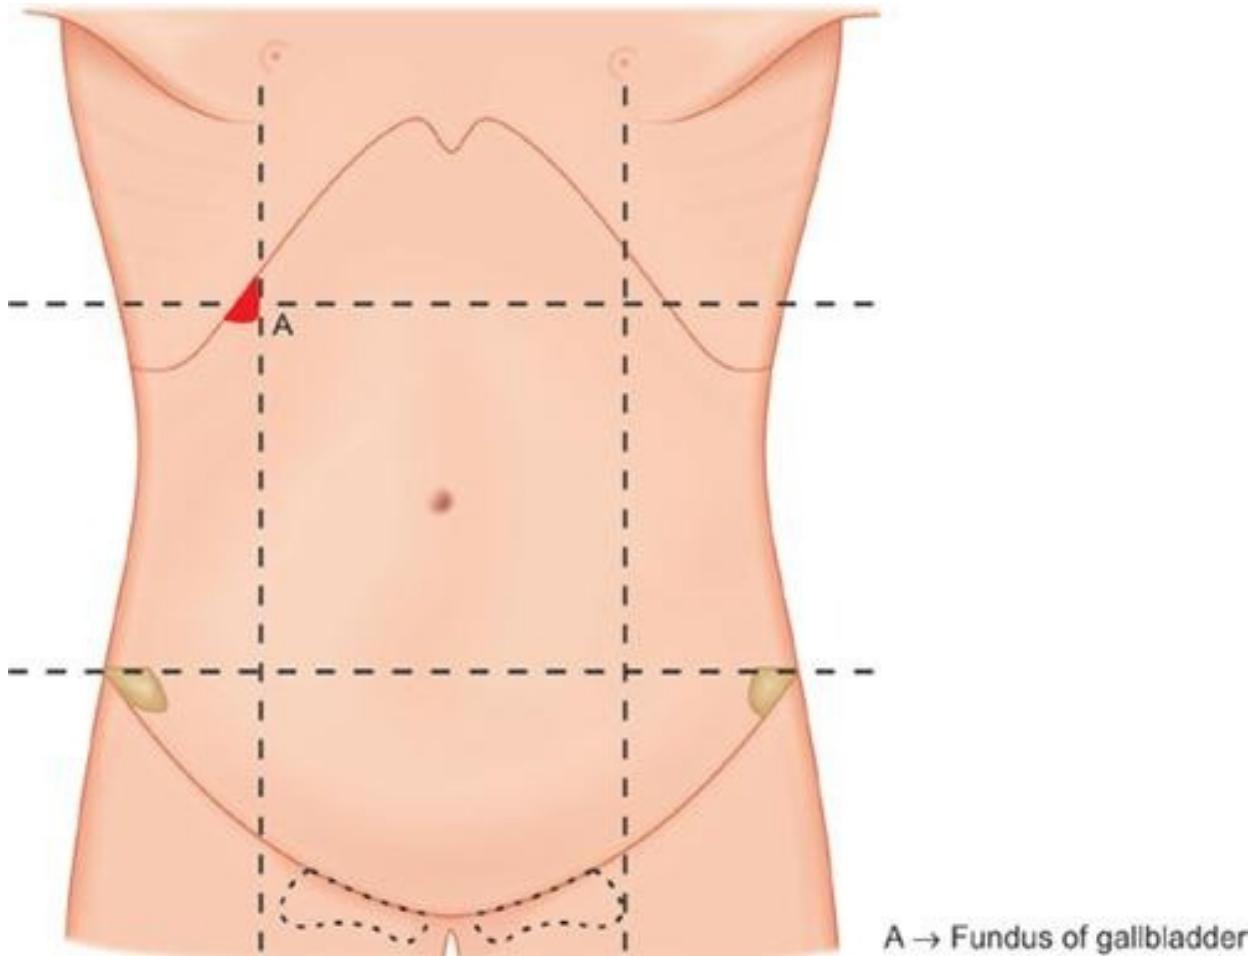

3 A Identify structure 4
B Identify structure 6

4 A Identify structure 3
B Identify structure 9

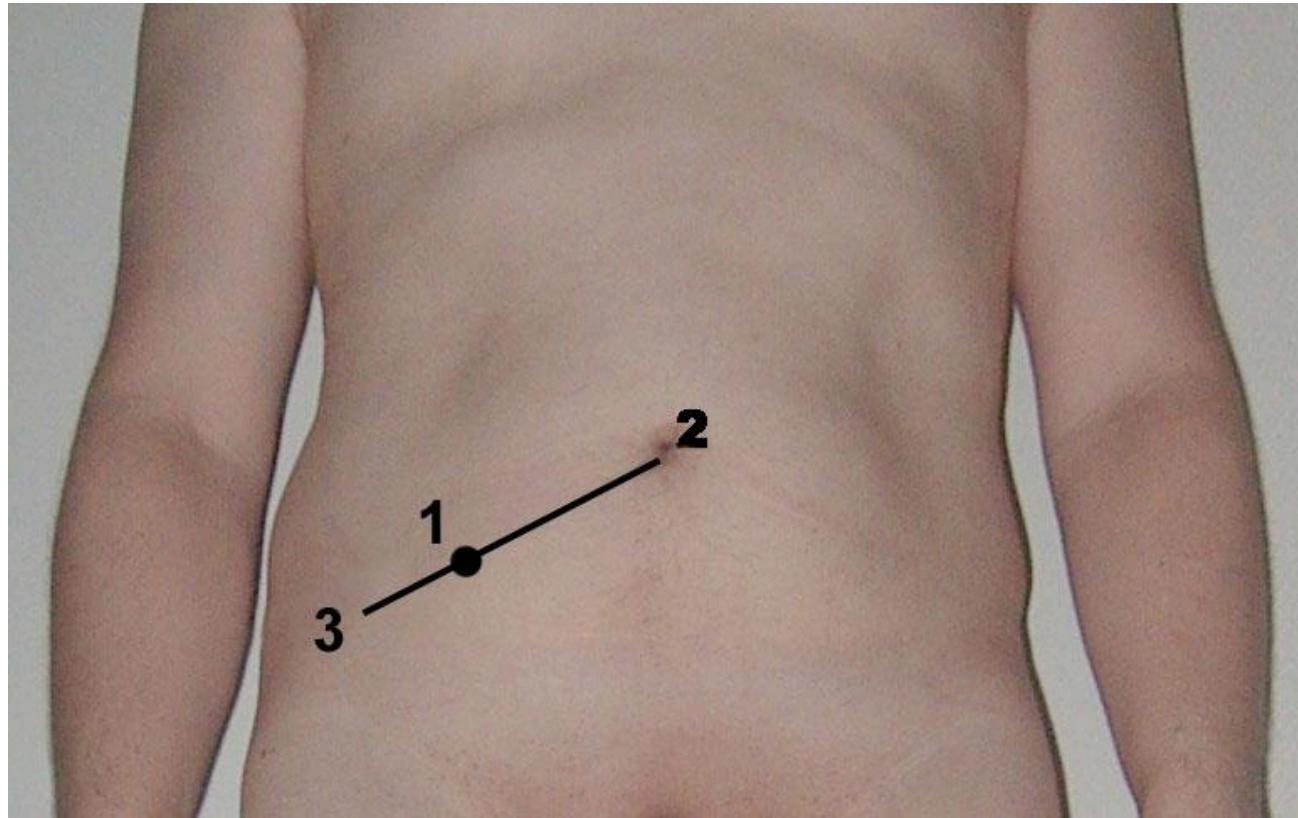

5 A Identify ligament 3
B Identify structure (yellow stick)

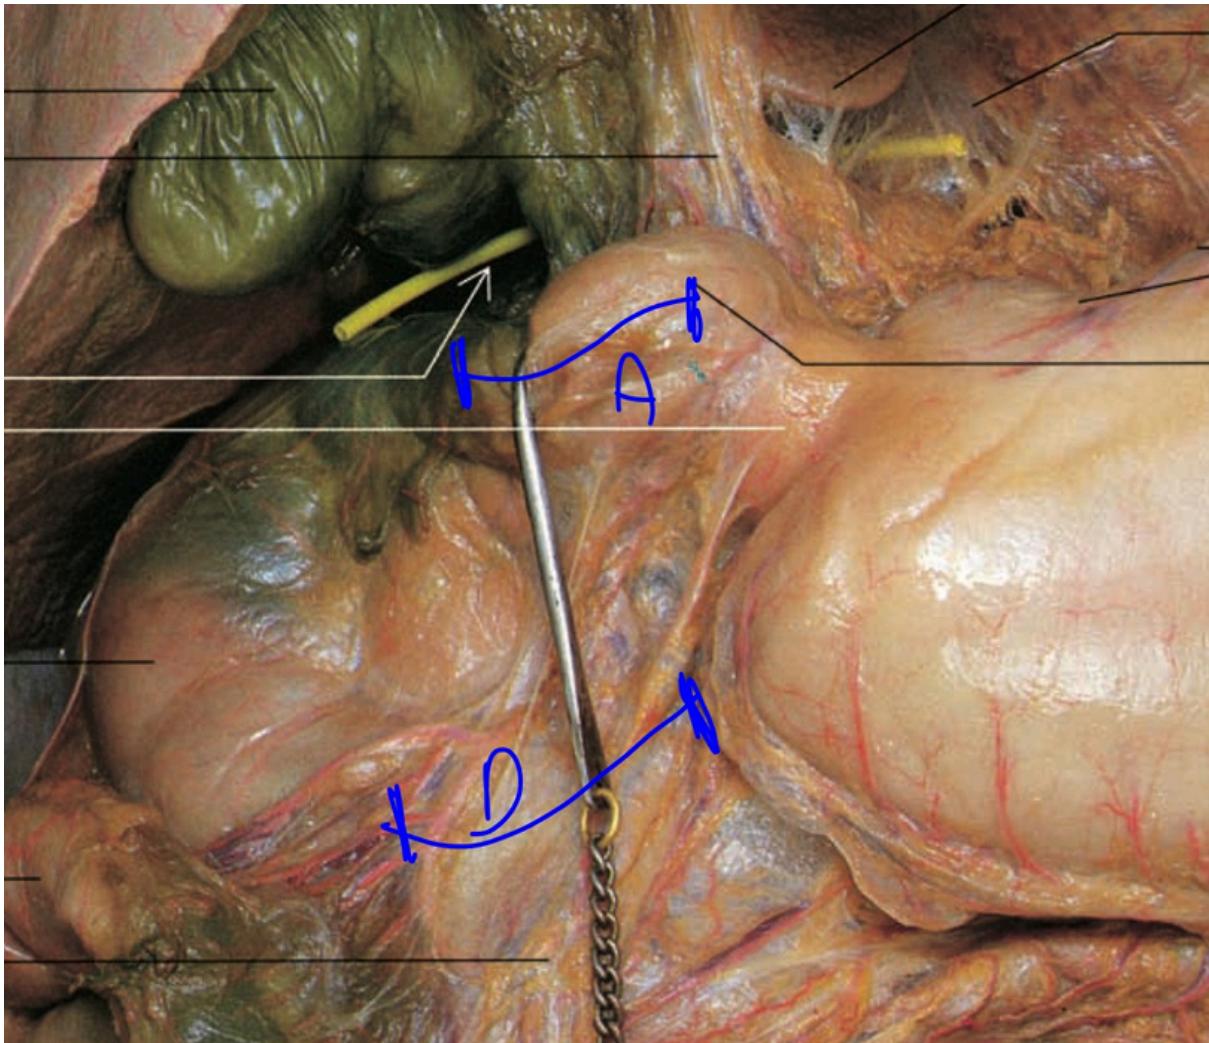

A → Fundus of gallbladder

- 6 A Identify anatomical landmark A
B What structure located beneath this point

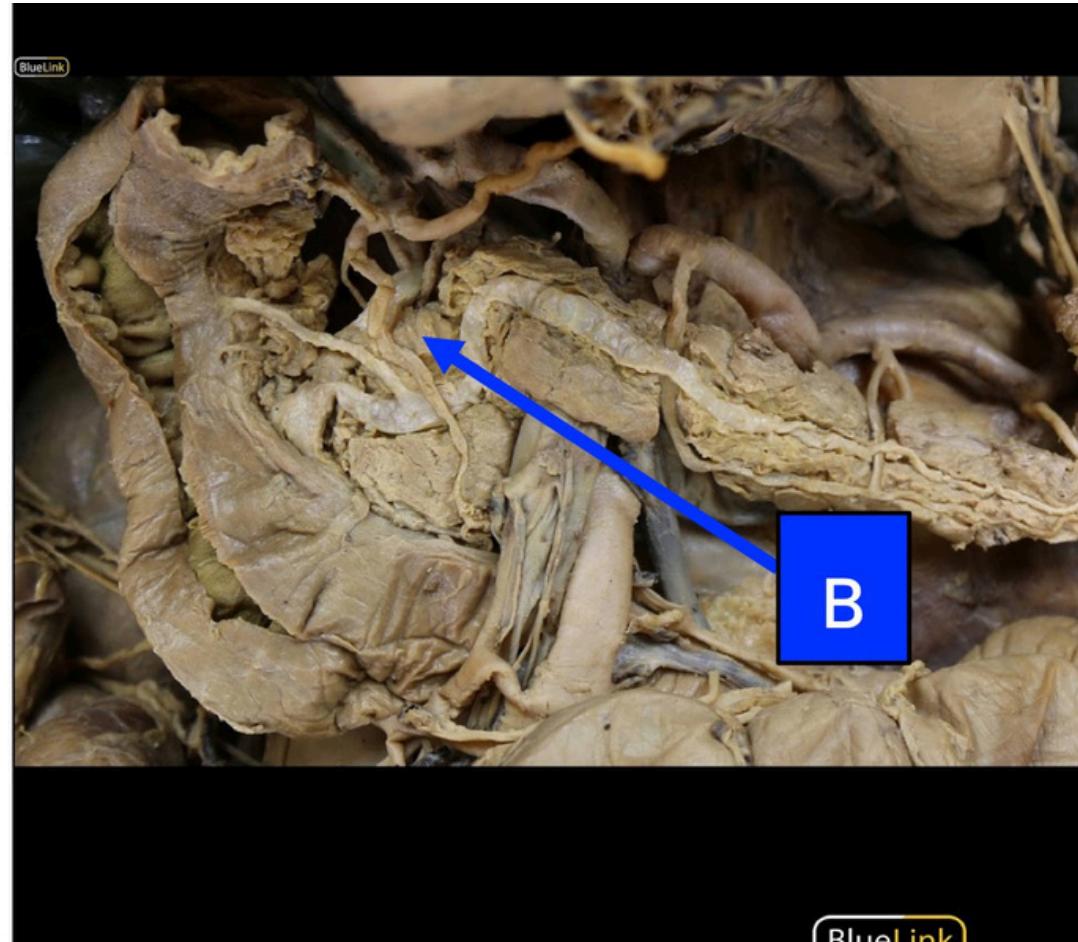

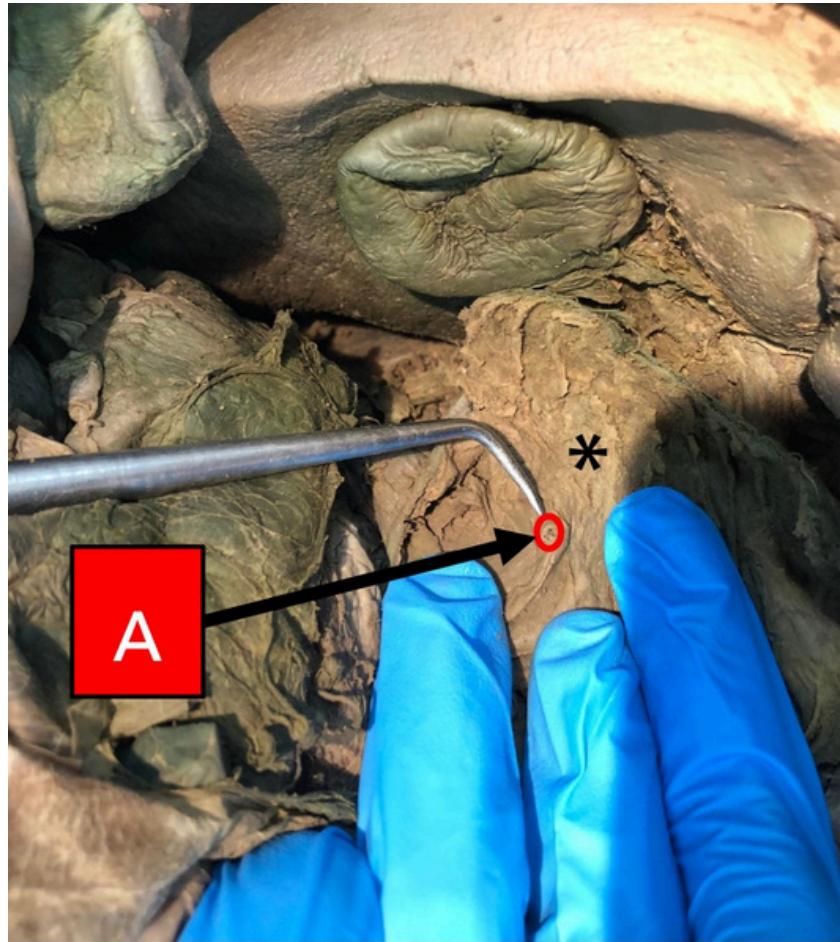

- 7 A Identify anatomical landmark (point 1)
B What structure located beneath this point

Upper GI & Lower GI

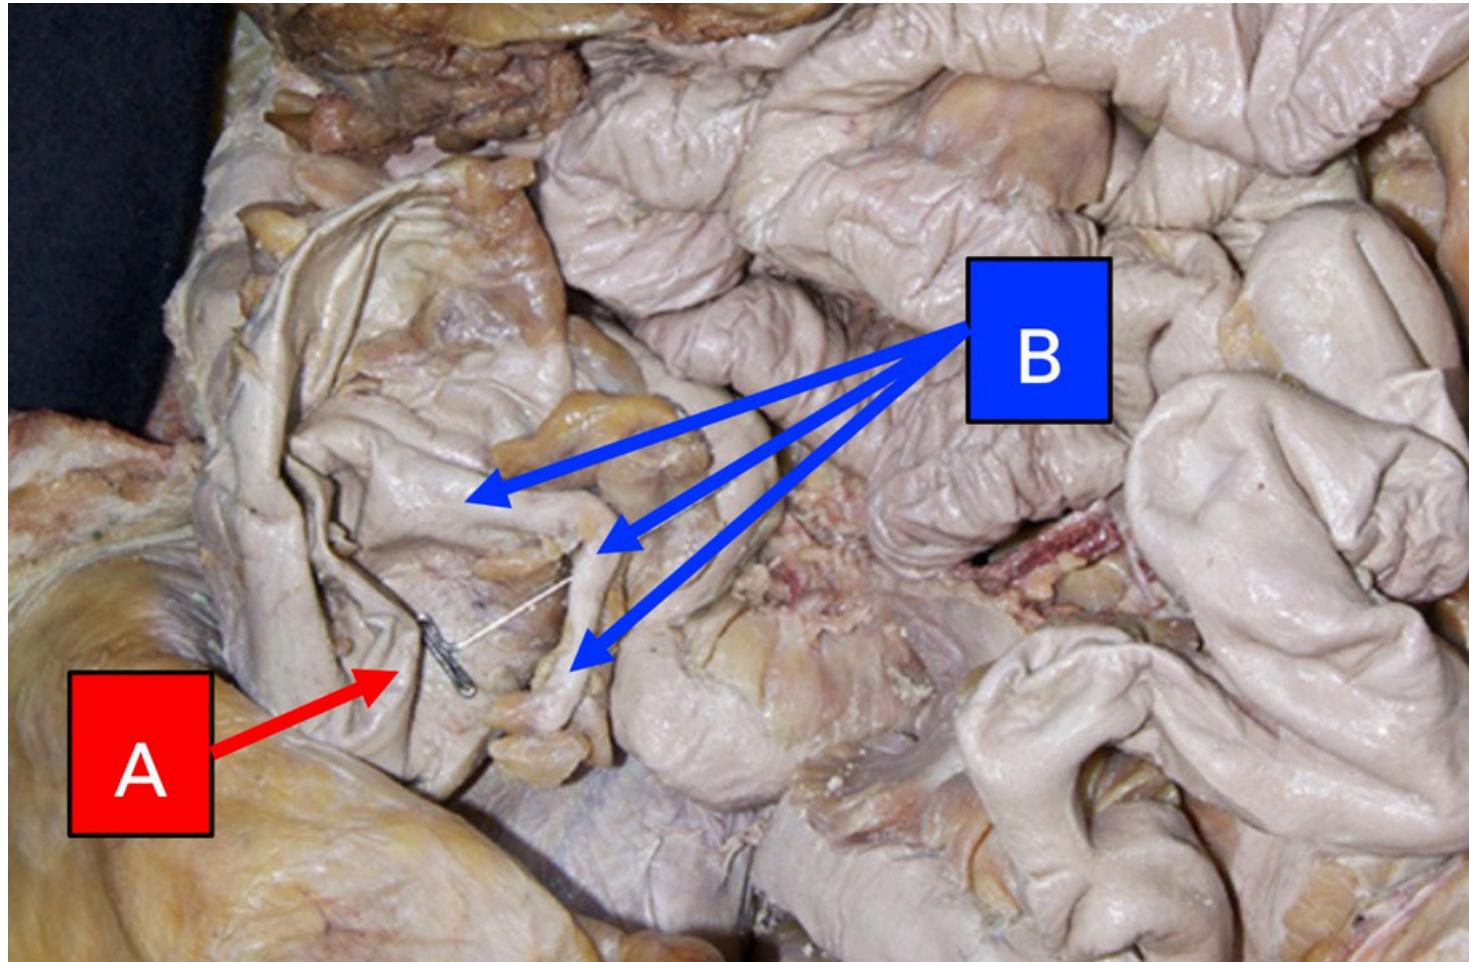

- 8 A Identify this part of duodenum
B Identify this part of duodenum

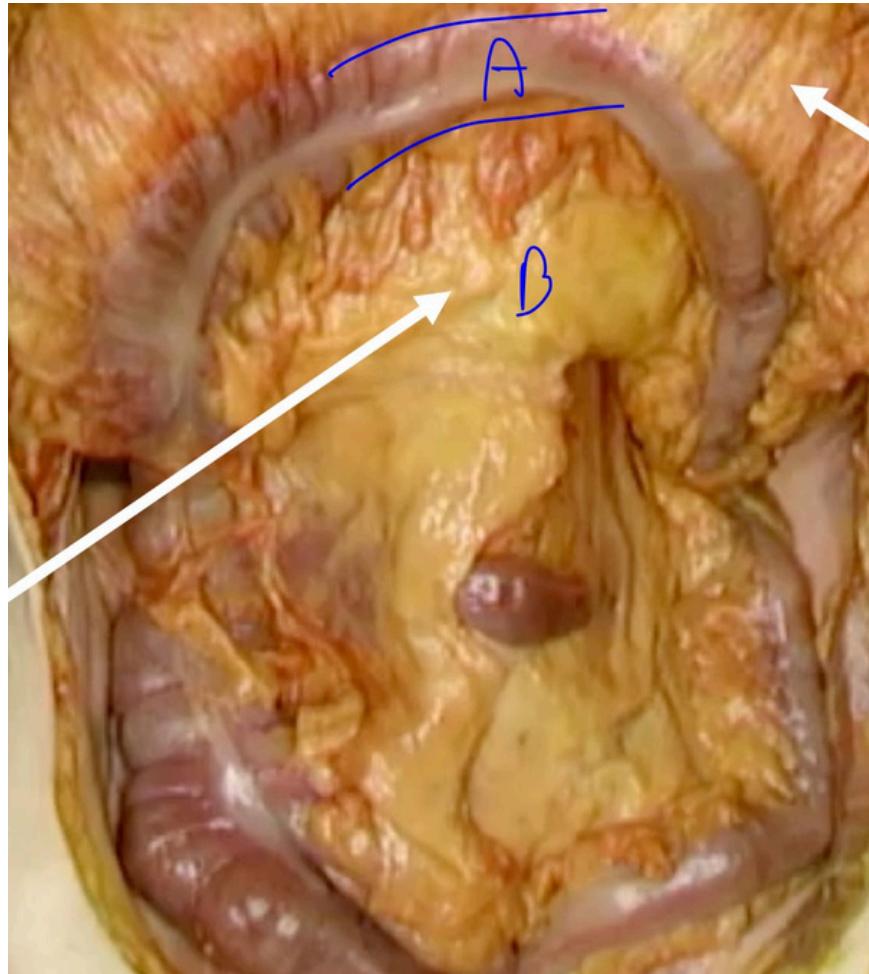

9 A Identify this structure

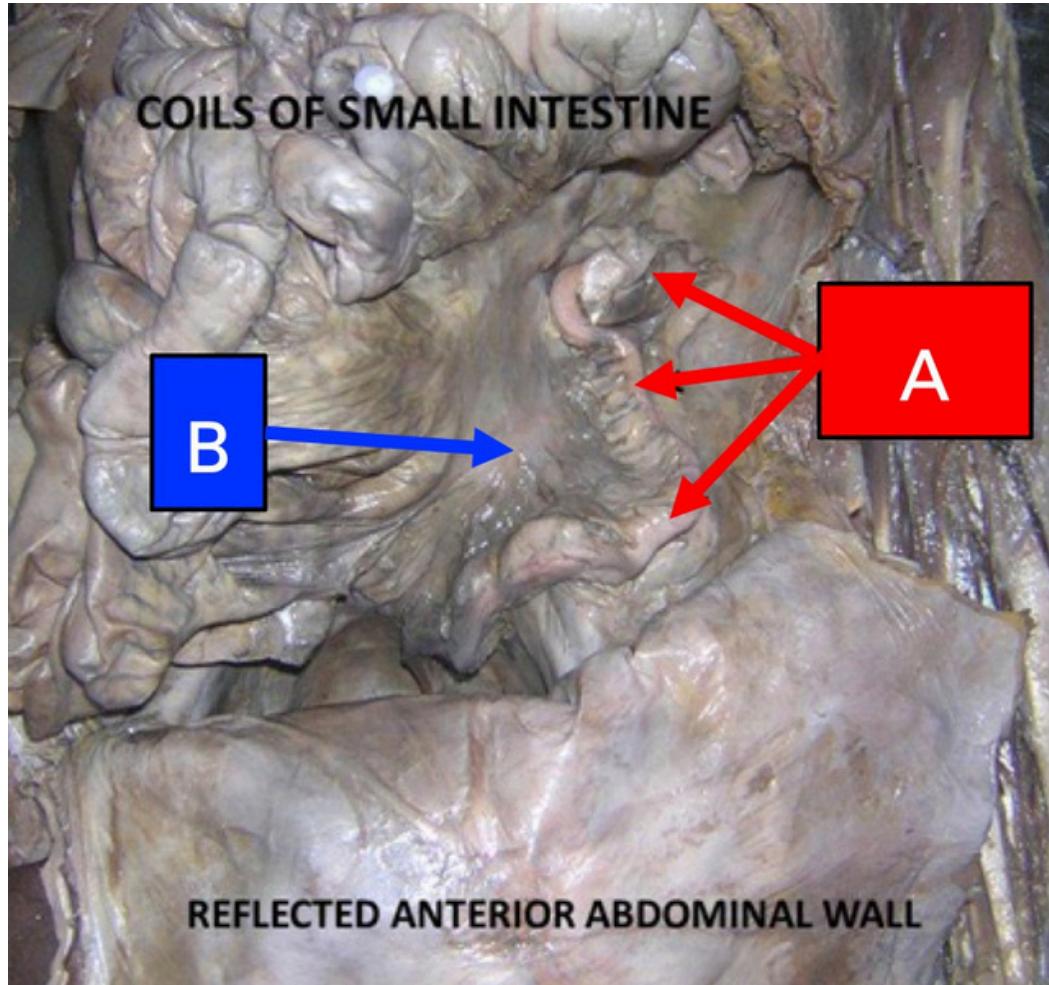

B Identify this structure (be specific)

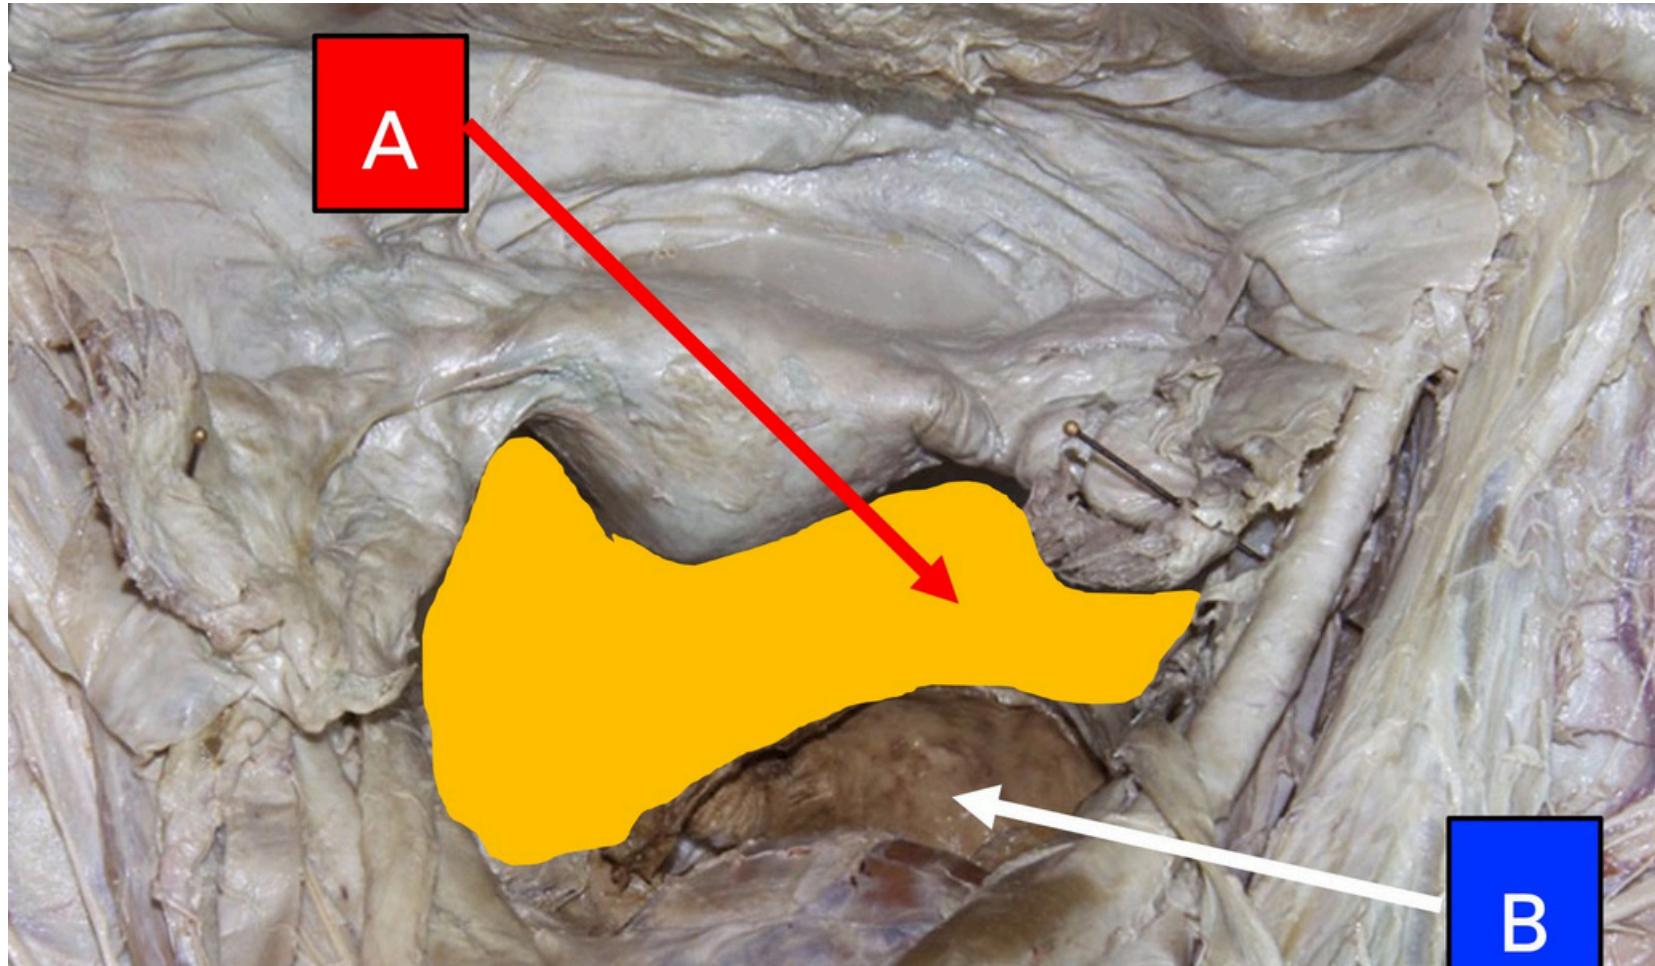

10 A Identify this structure
B Identify this structure

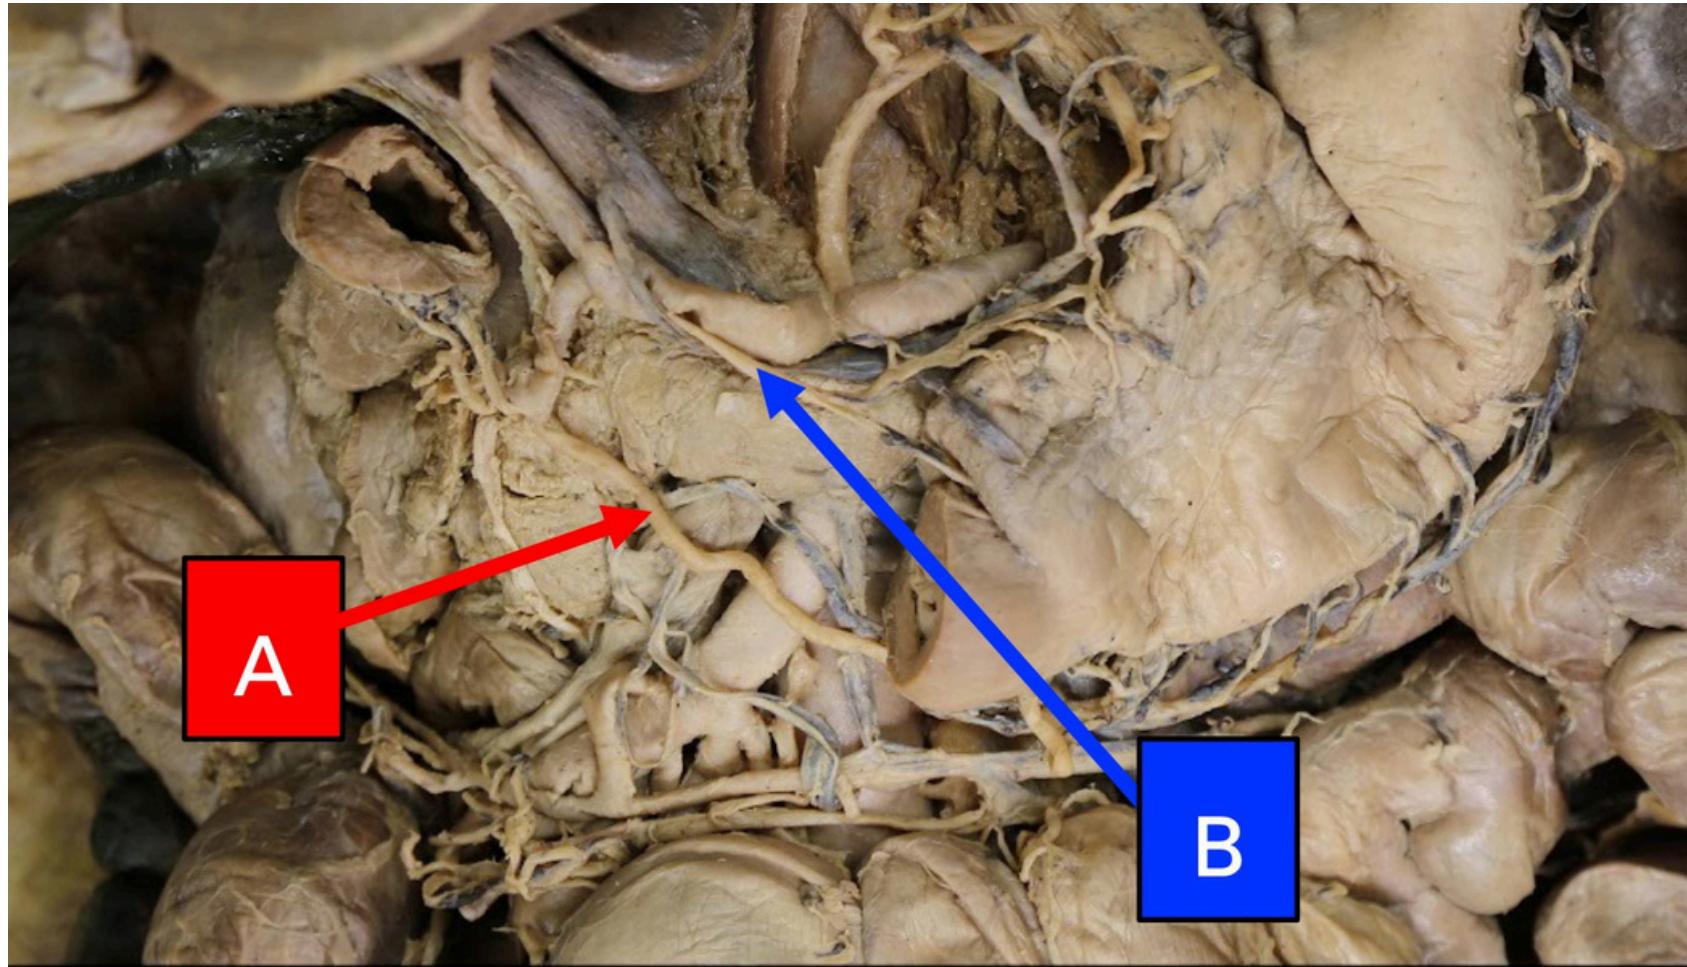

11 A Identify this structure
B Identify this structure

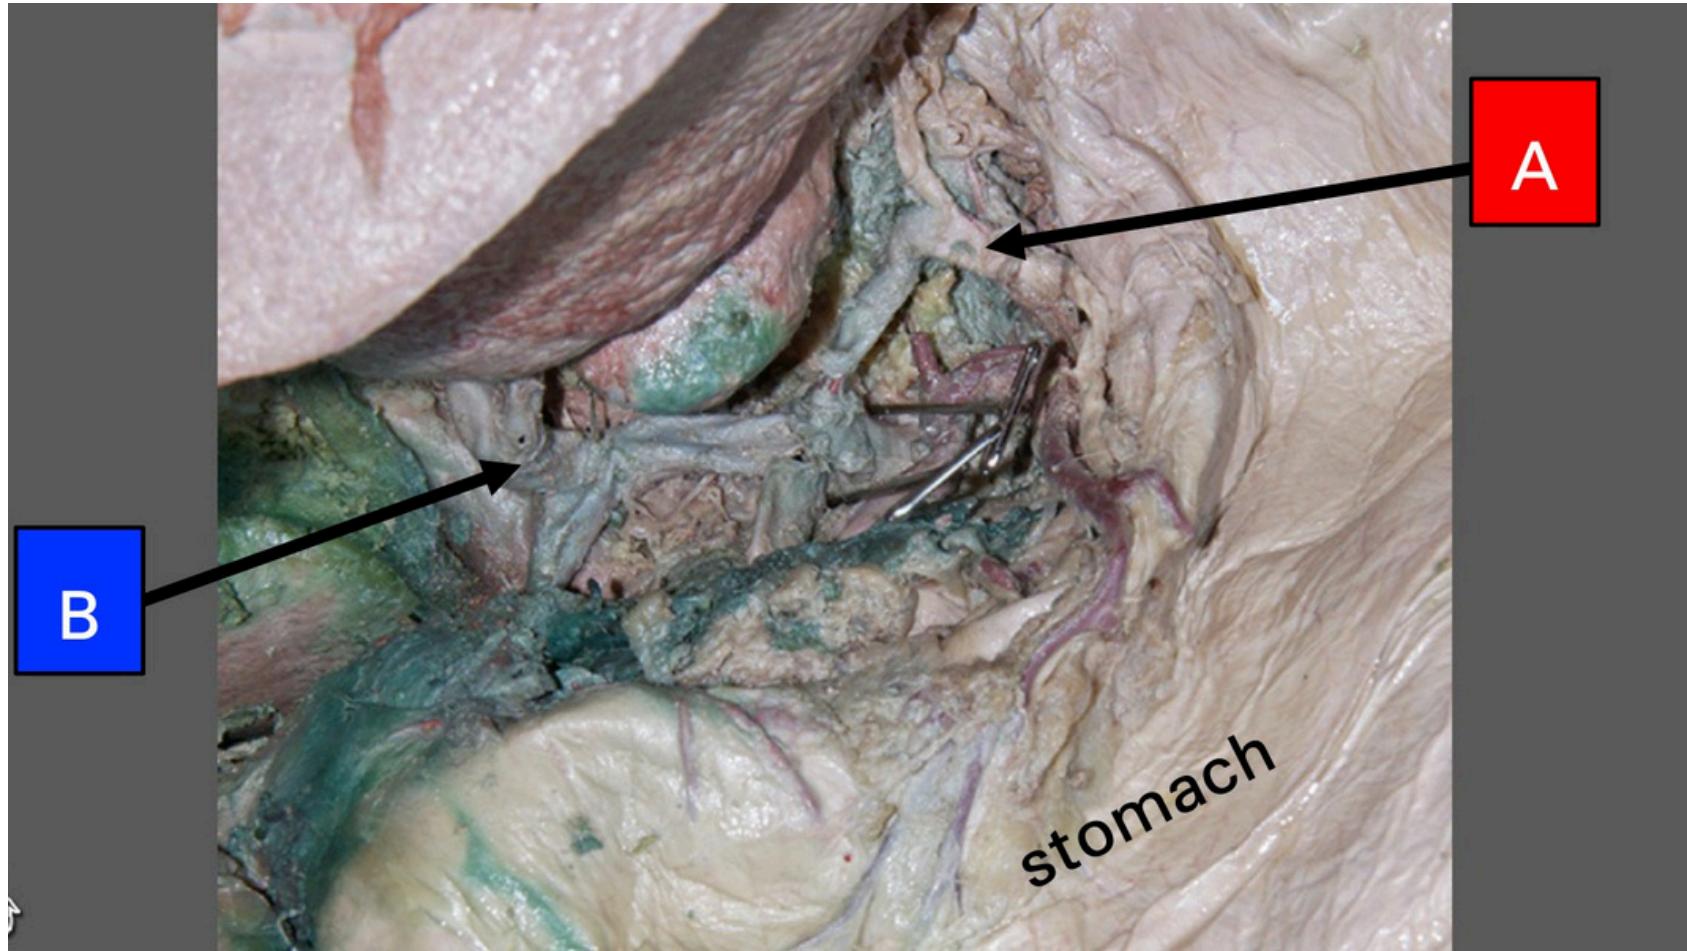

- 12 A Identify this structure
B Identify this structure

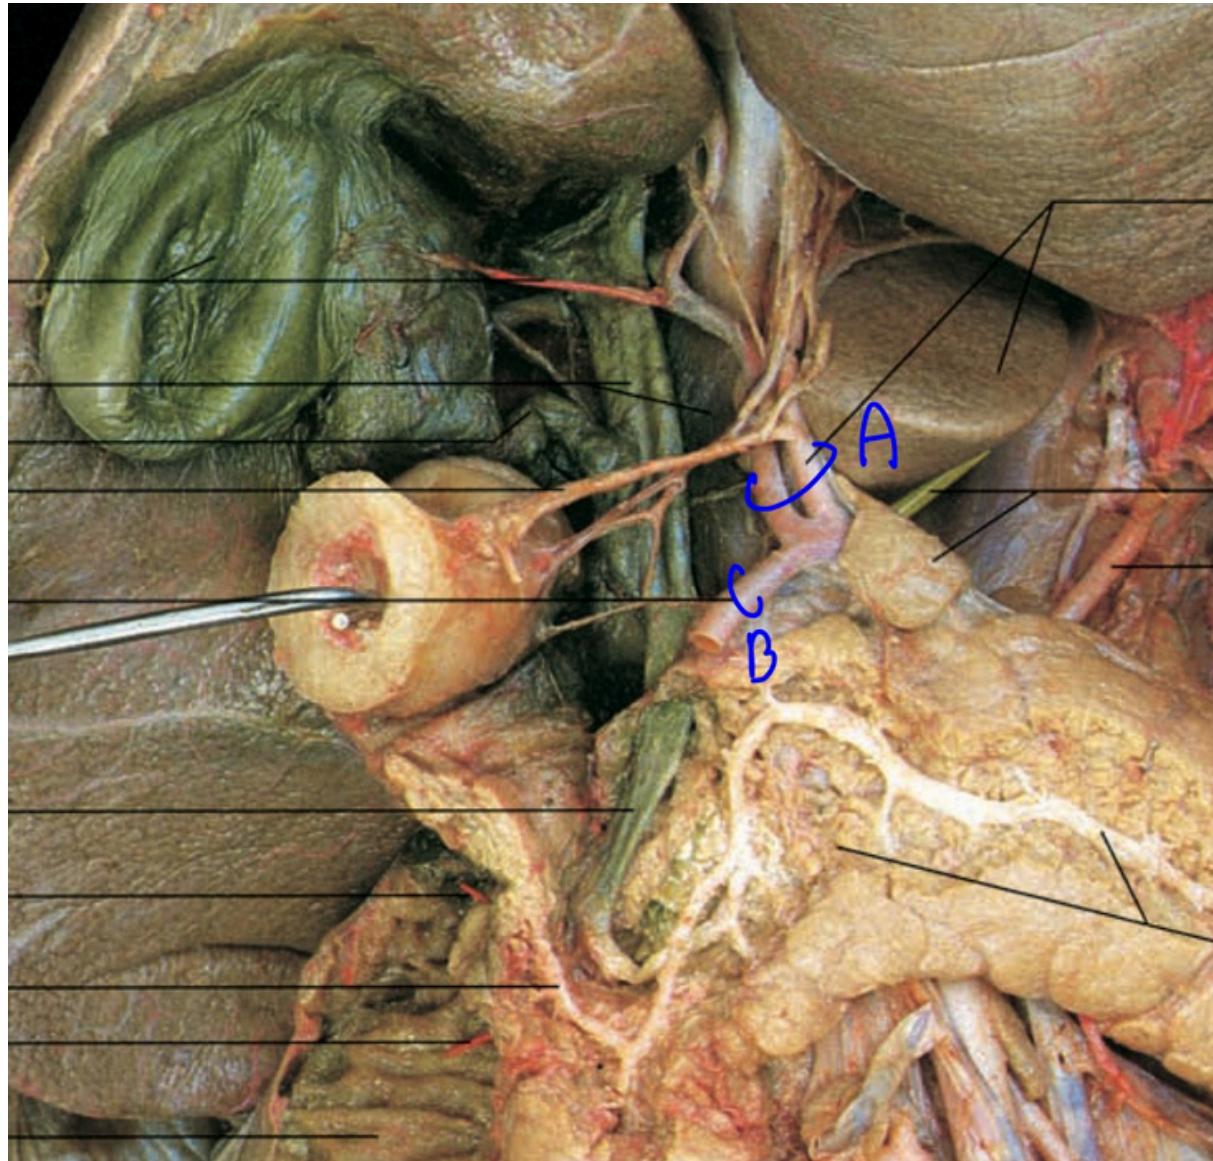

13 A Identify this structure
B Identify this structure

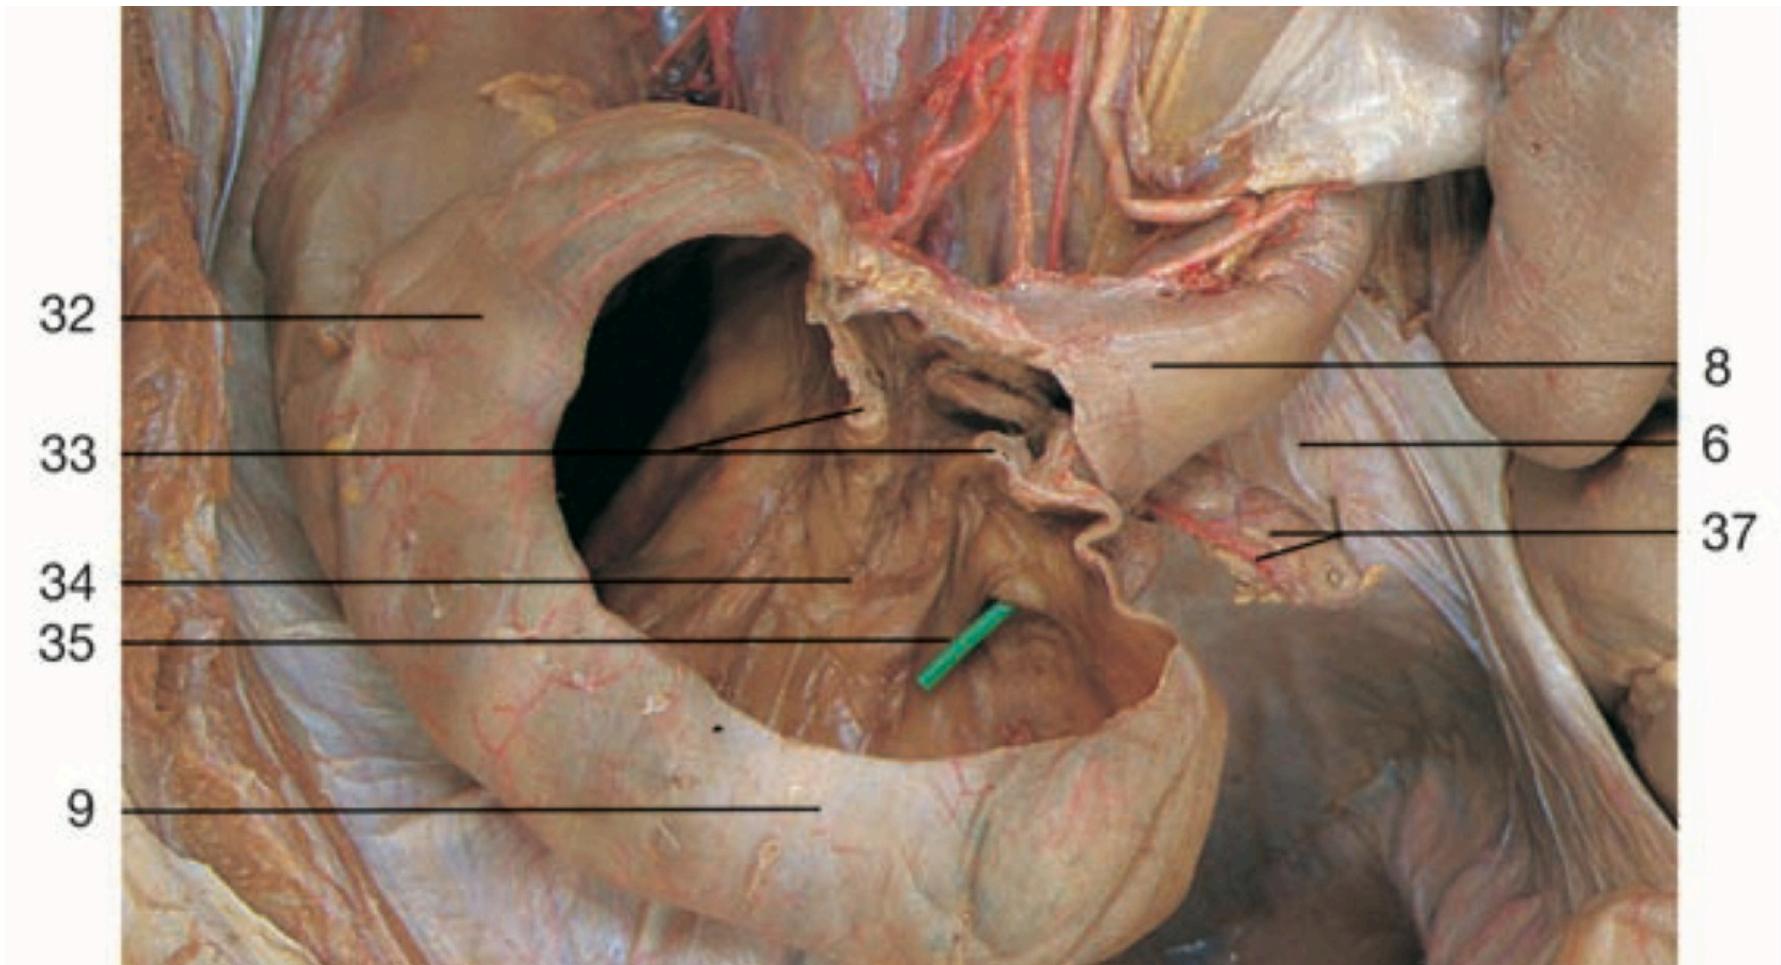

14 A Identify this artery
B Identify this artery

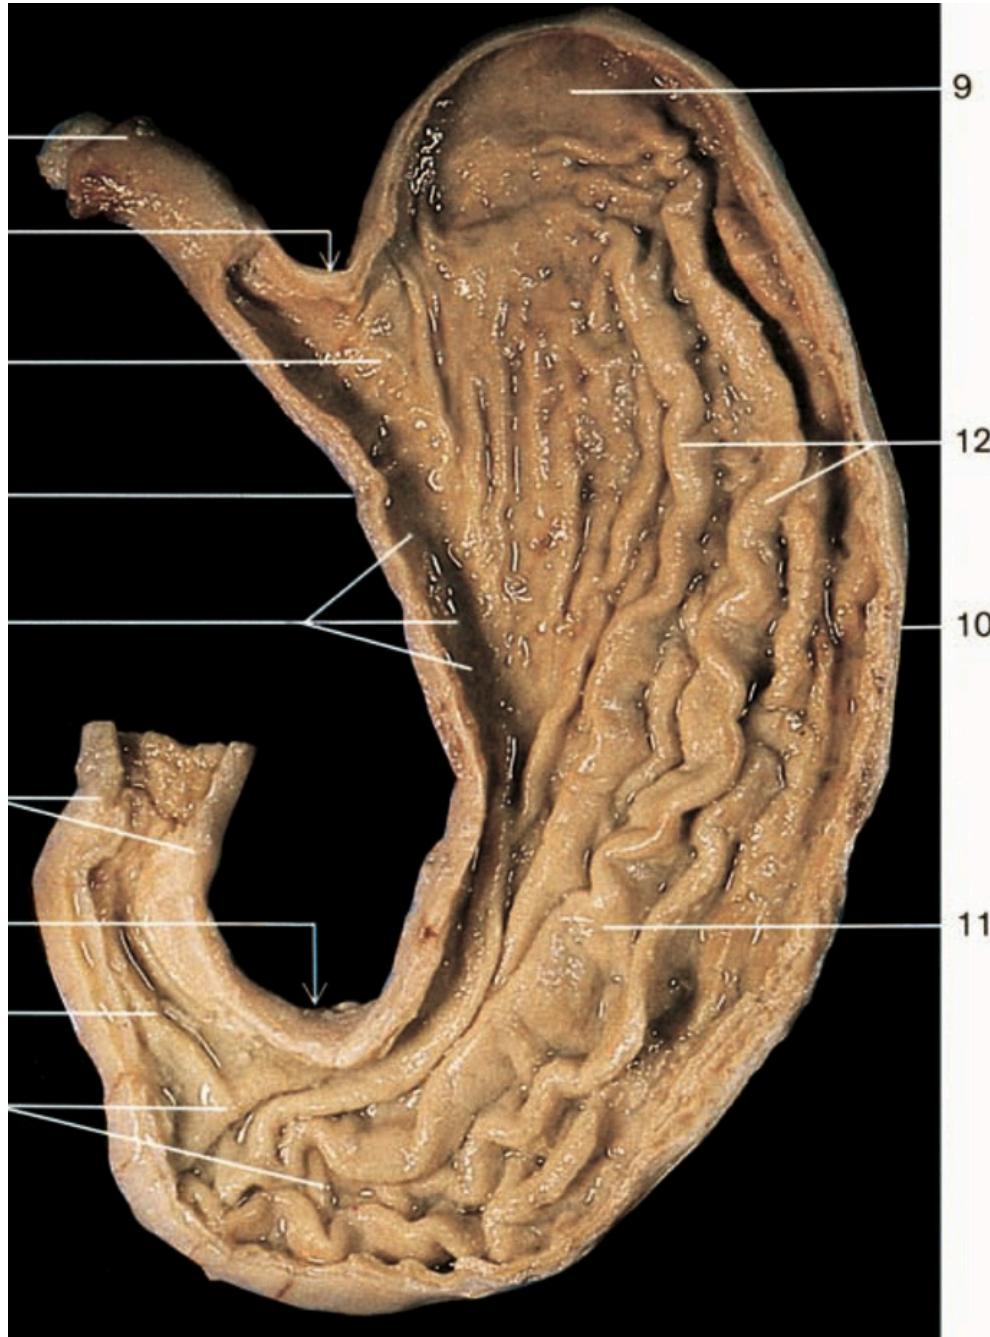

15 A Identify this structure
B Identify this artery

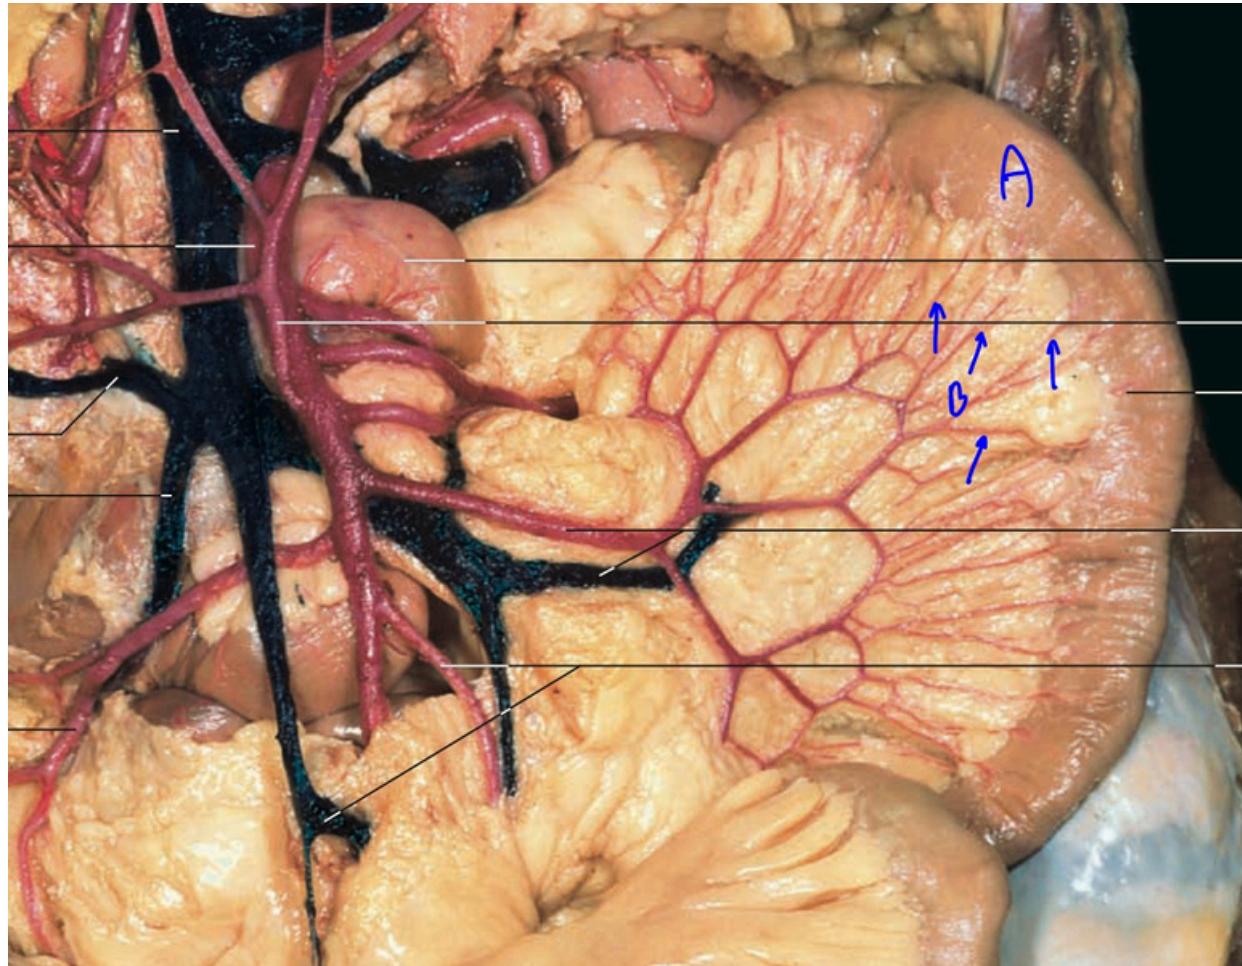

- 16 A Identify this artery
B Identify this artery

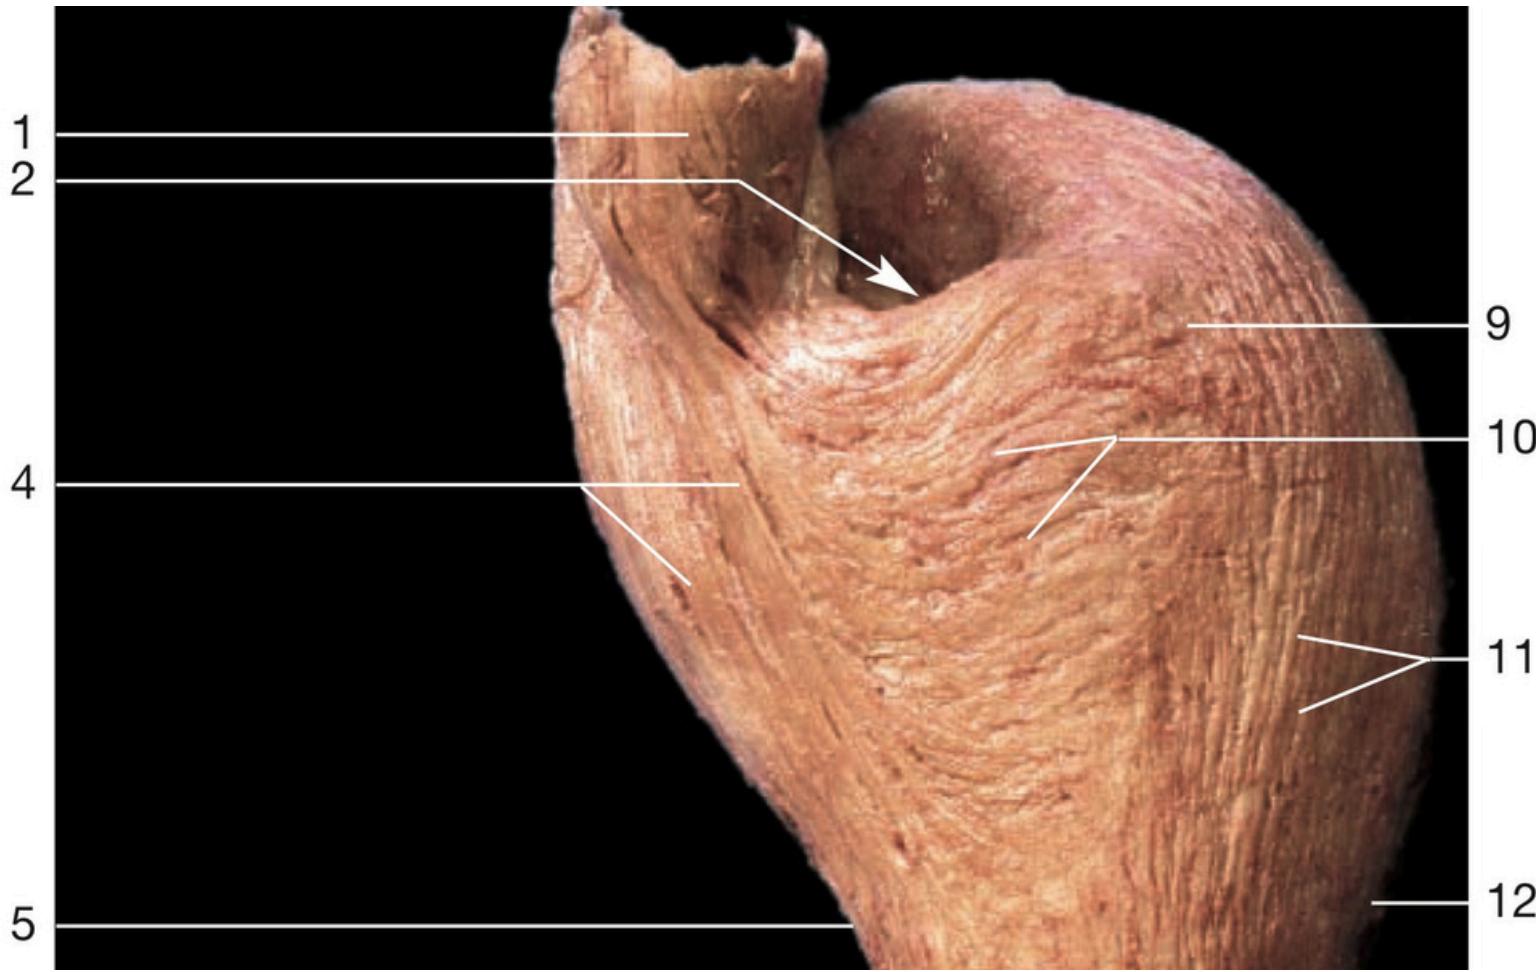

17 A Identify structure 33
B Identify structure 35

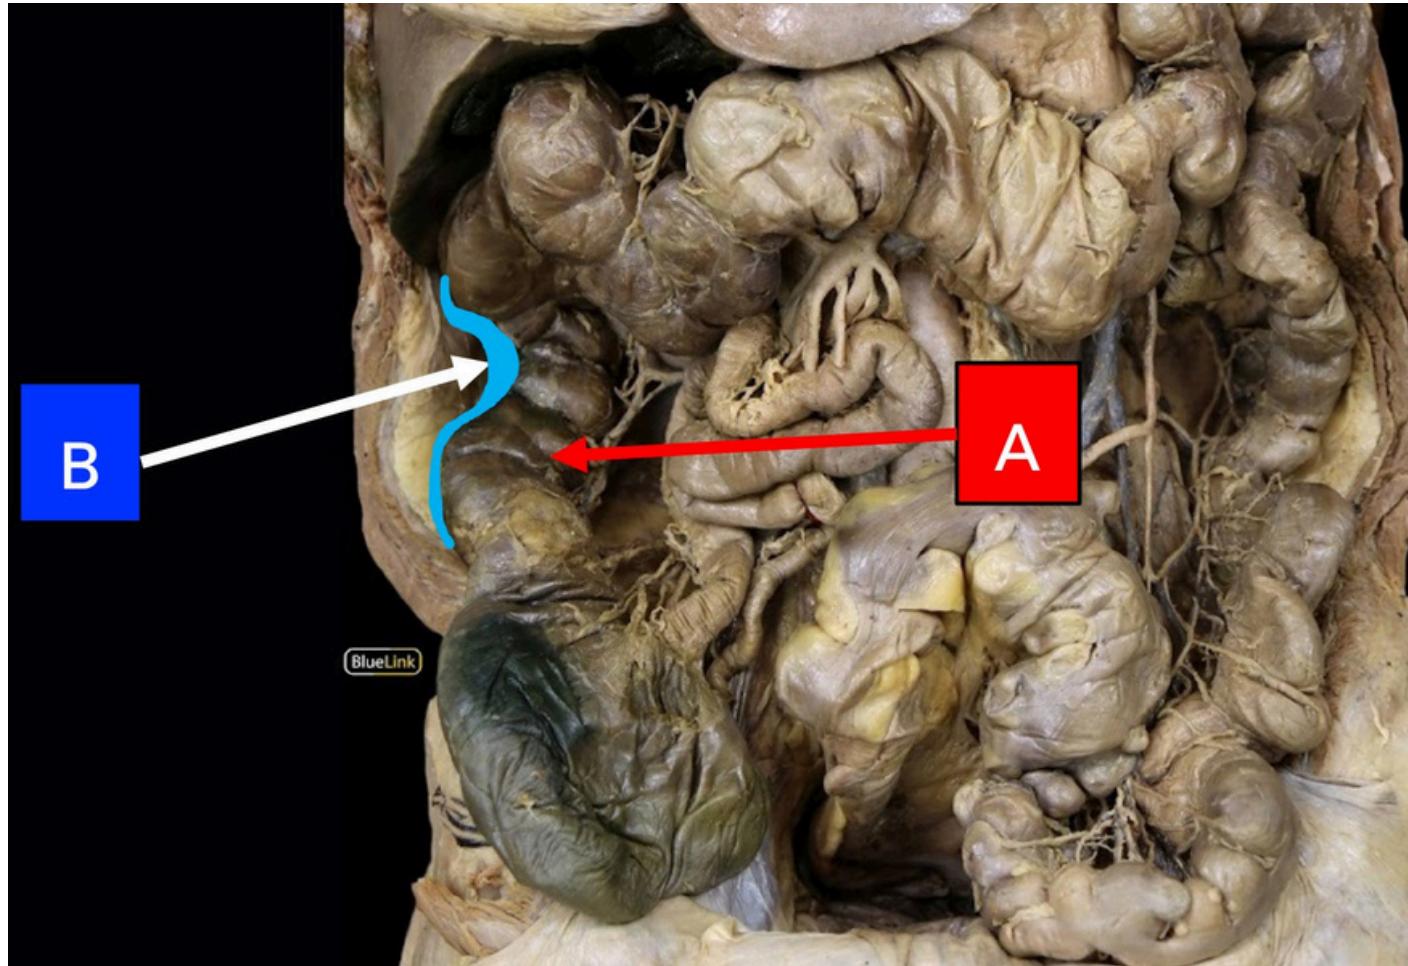

18 A Identify this organ
B Identify structure 12

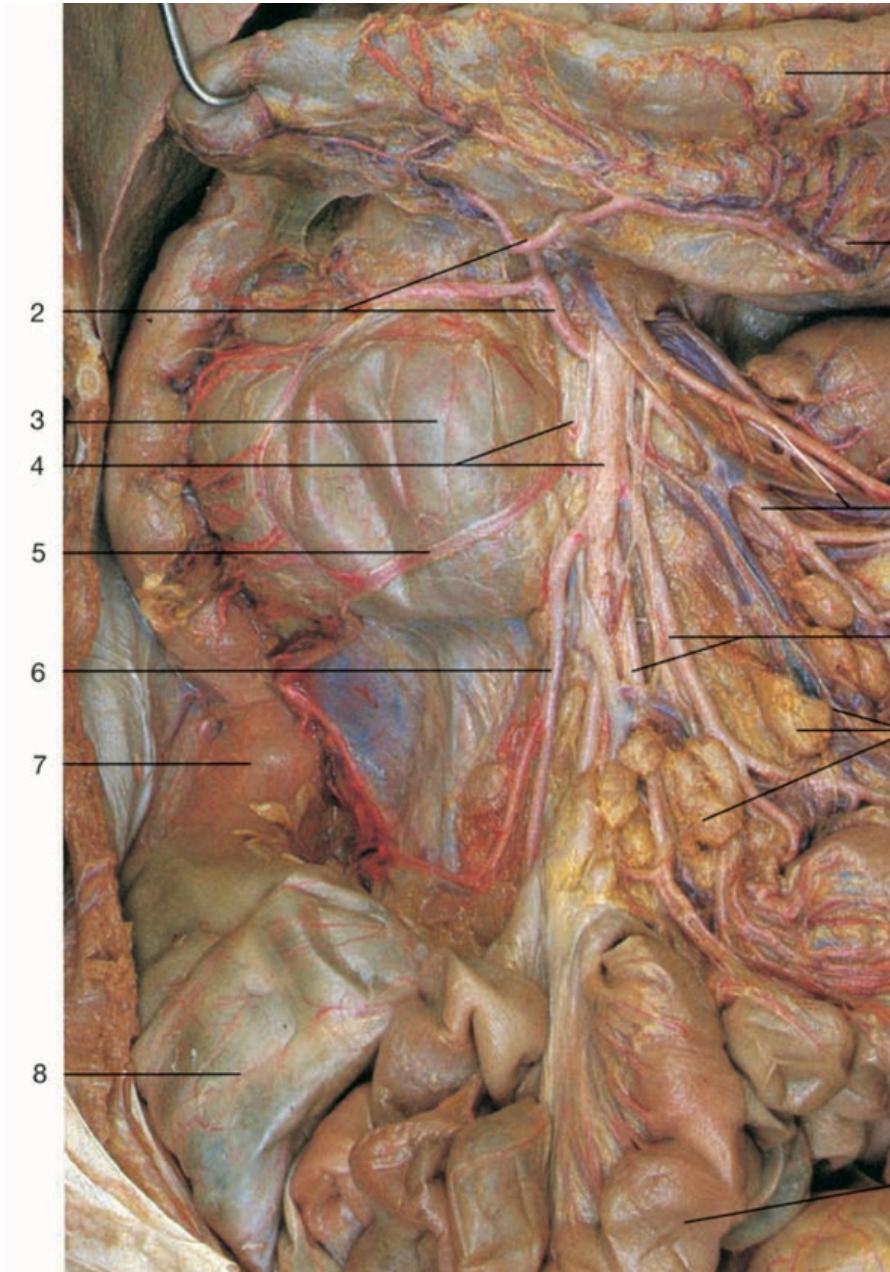

- 19 A Identify this structure (be specific)
B Identify this structure (be specific)

- 20 A Identify structure 1 (be specific)
B Identify structure 9 (be specific)

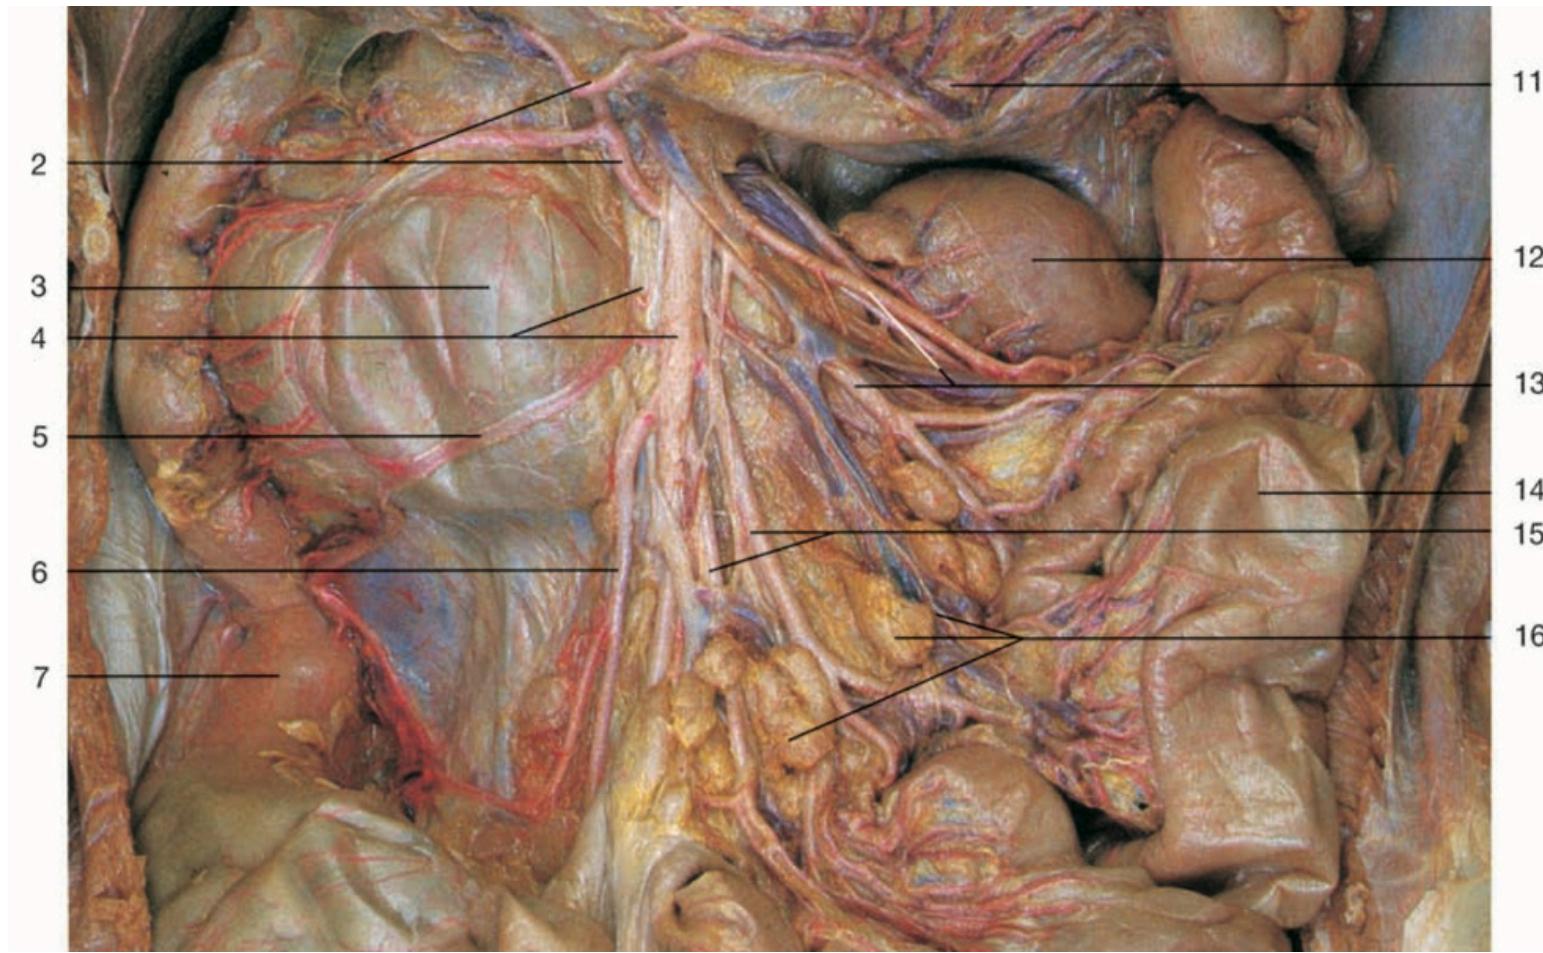

21 A Identify this structure
B Identify this space

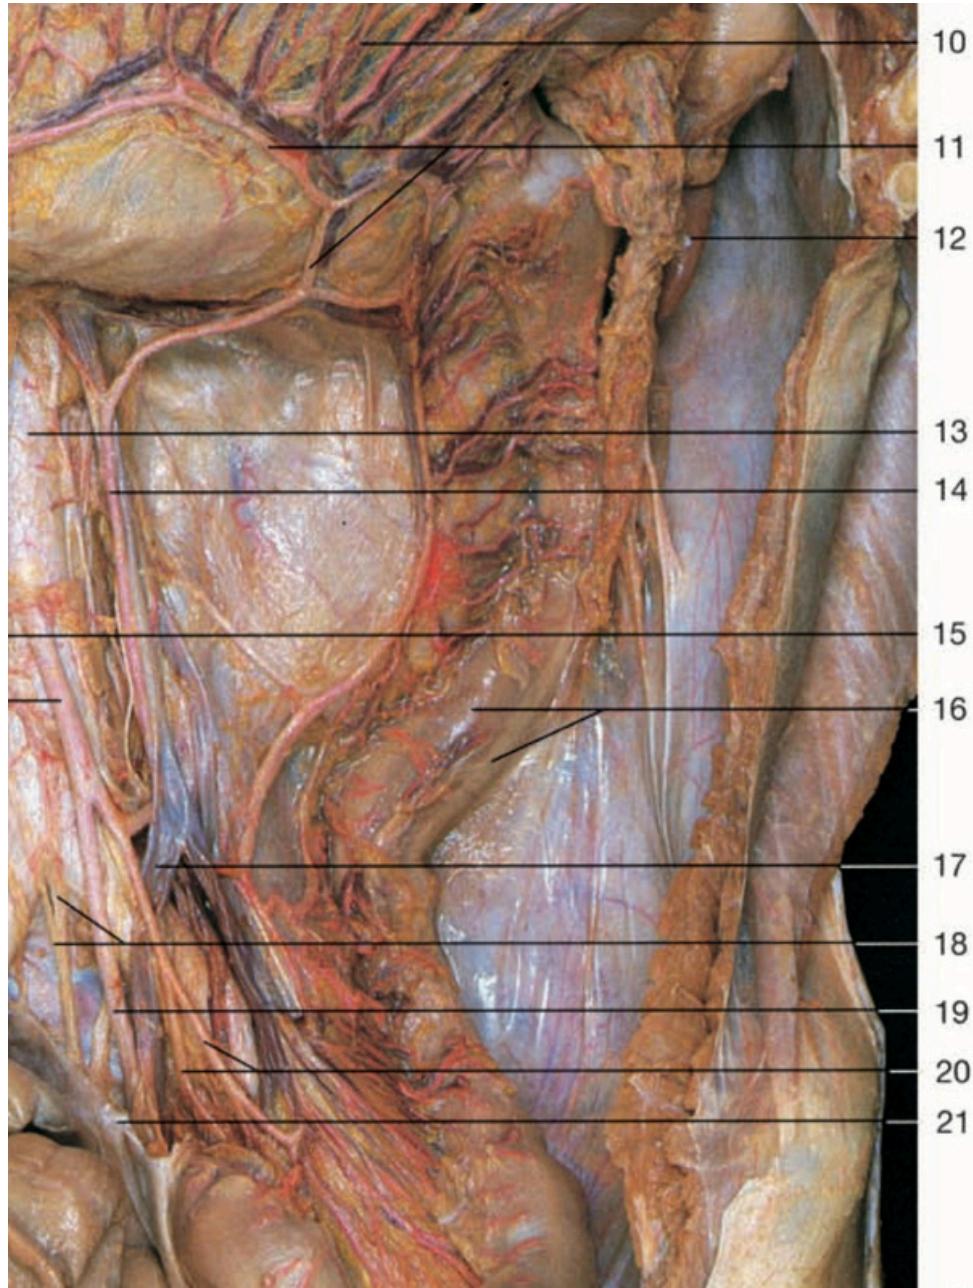

SMA IMA ANS

22 Identify every number.

23 A Identify structure 6
B Identify structure 15

24 A Identify structure 14
B What is the
origin of structure A

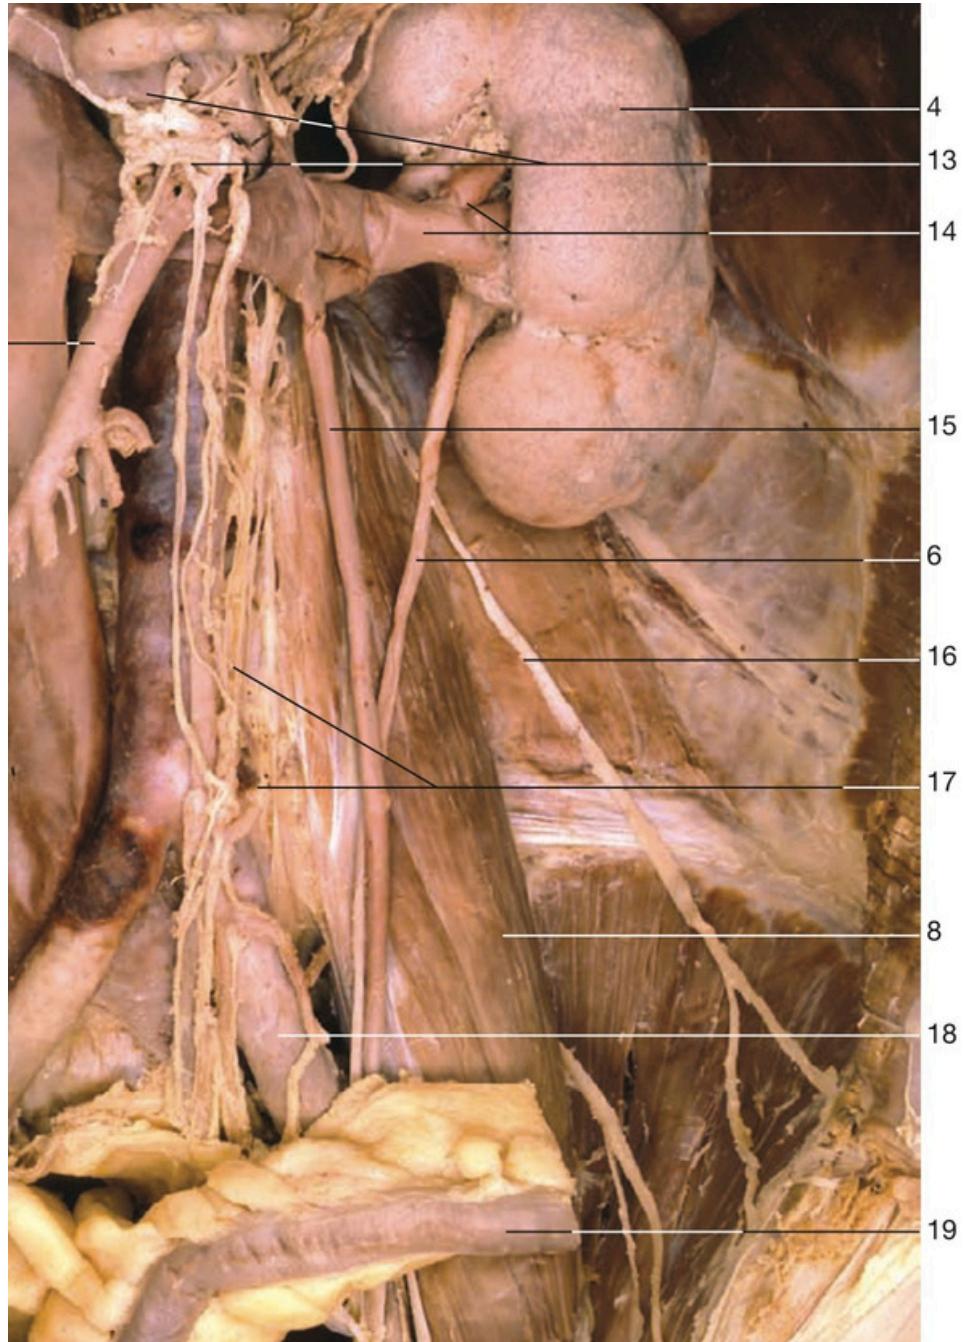

25 A Identify structure 20

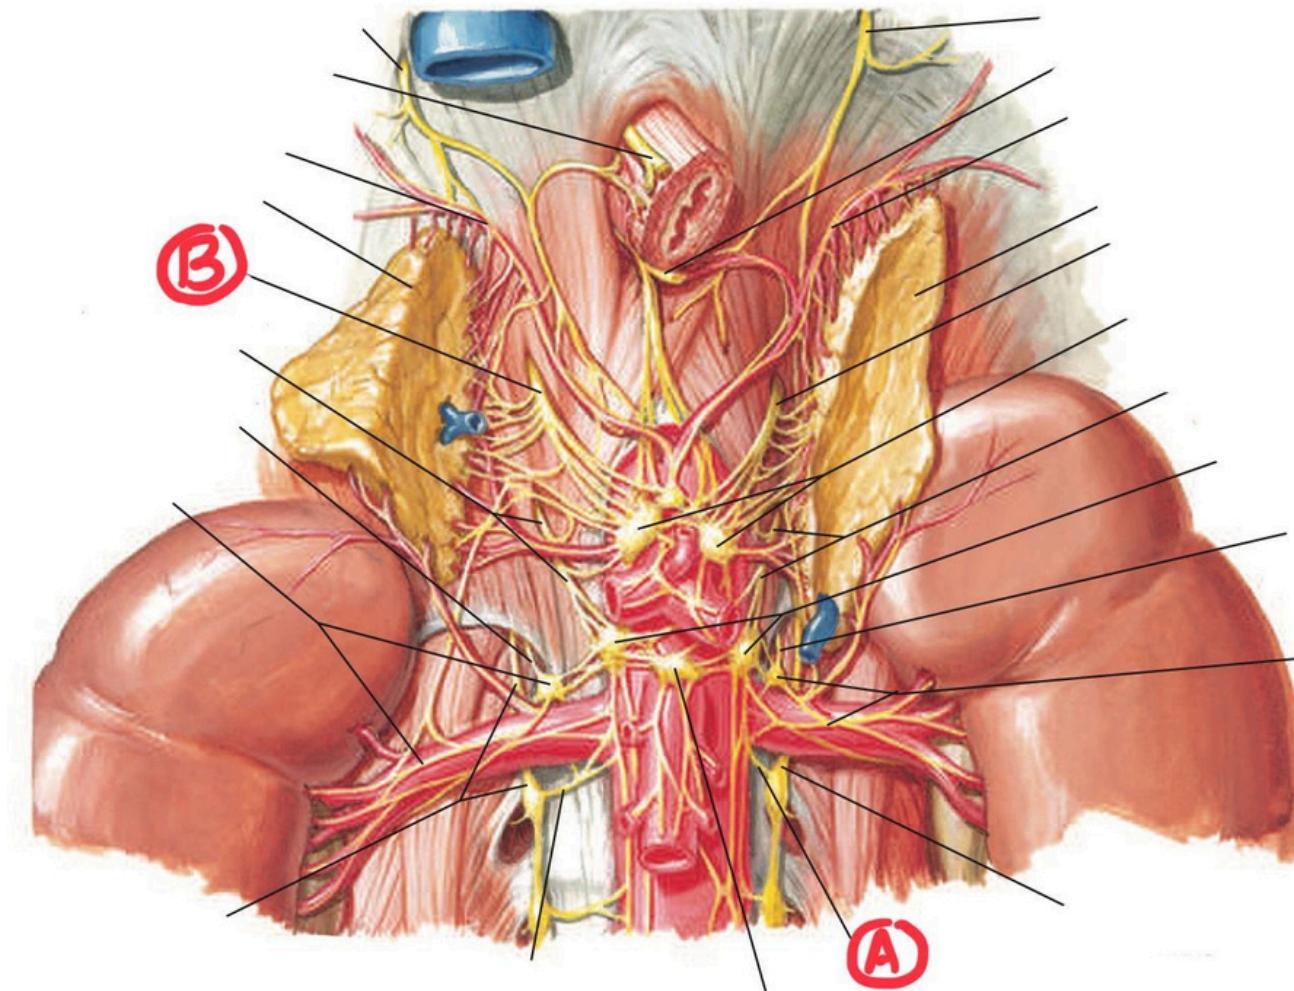

B Identify structure 19

26 A Identify structure 45
B Identify structure 25

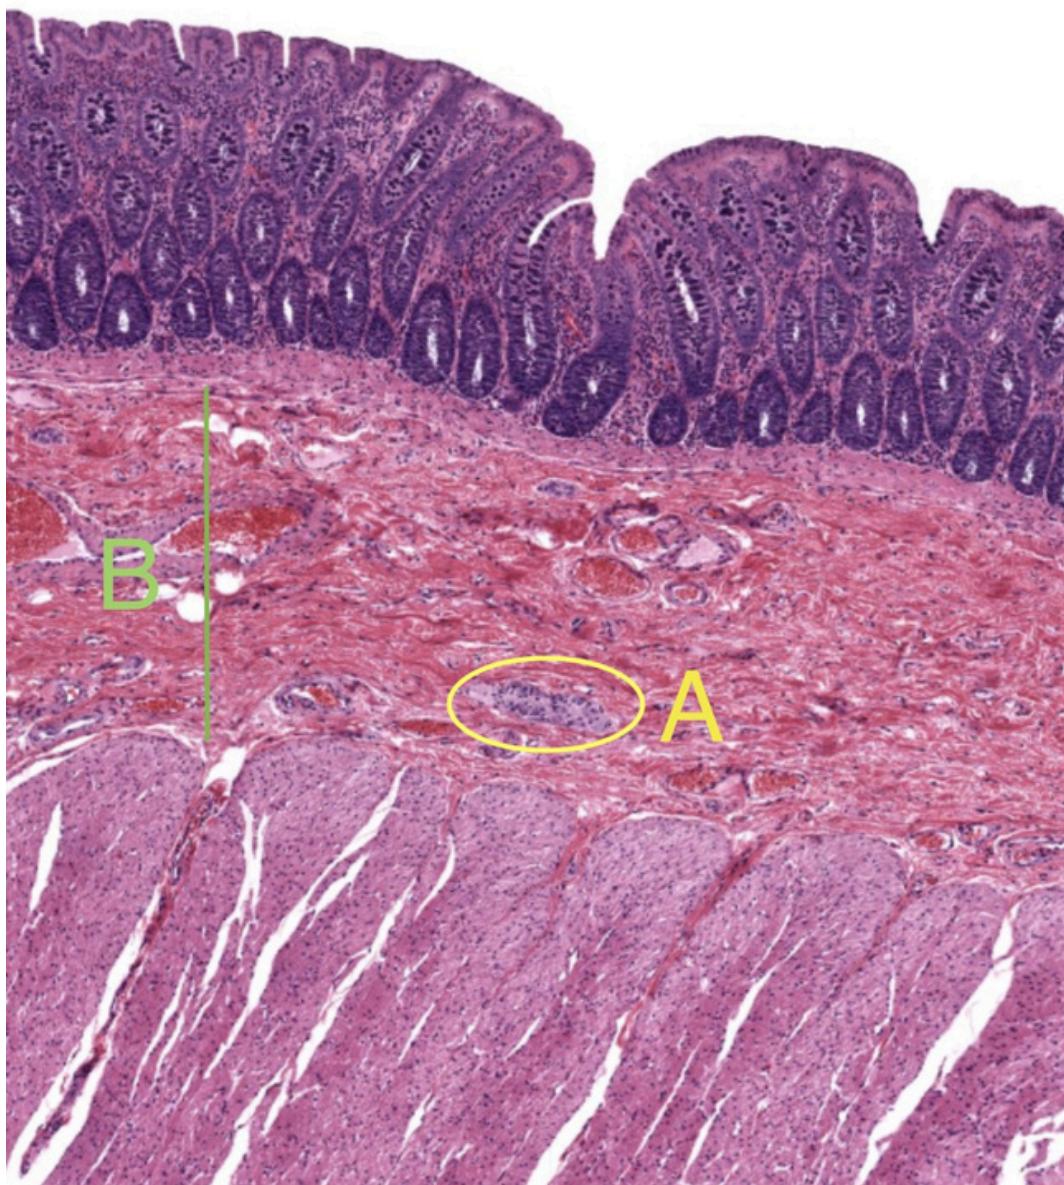

27 A Identify structure 13
B Identify structure 17

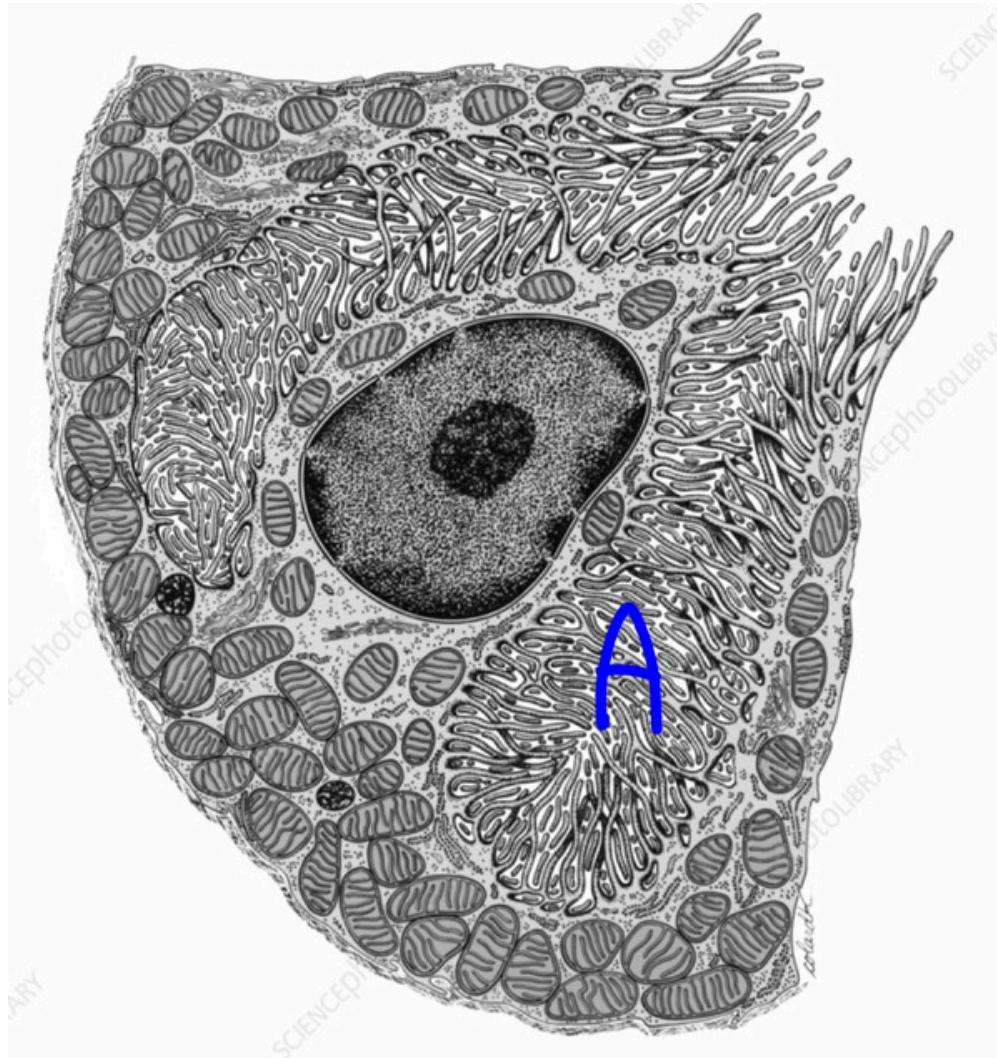

28 Identify structure A
Identify structure B

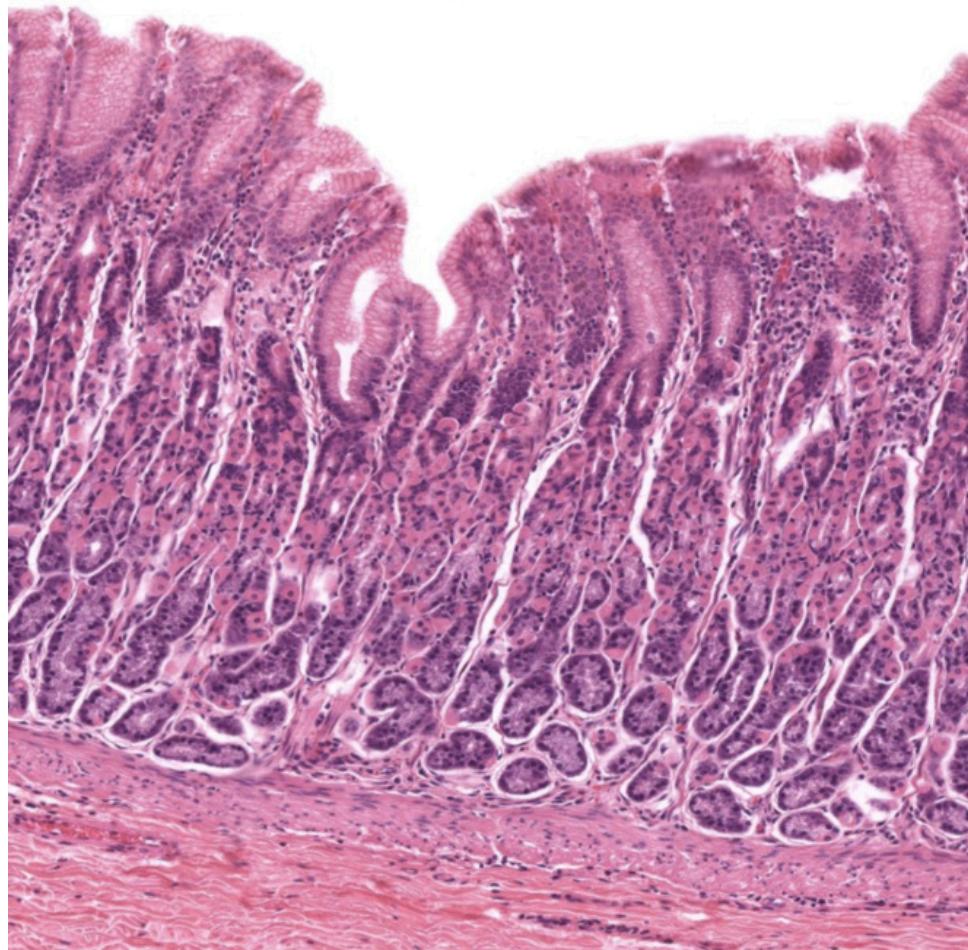

GI Histo Vinida

29 Identify structure A
Identify structure B

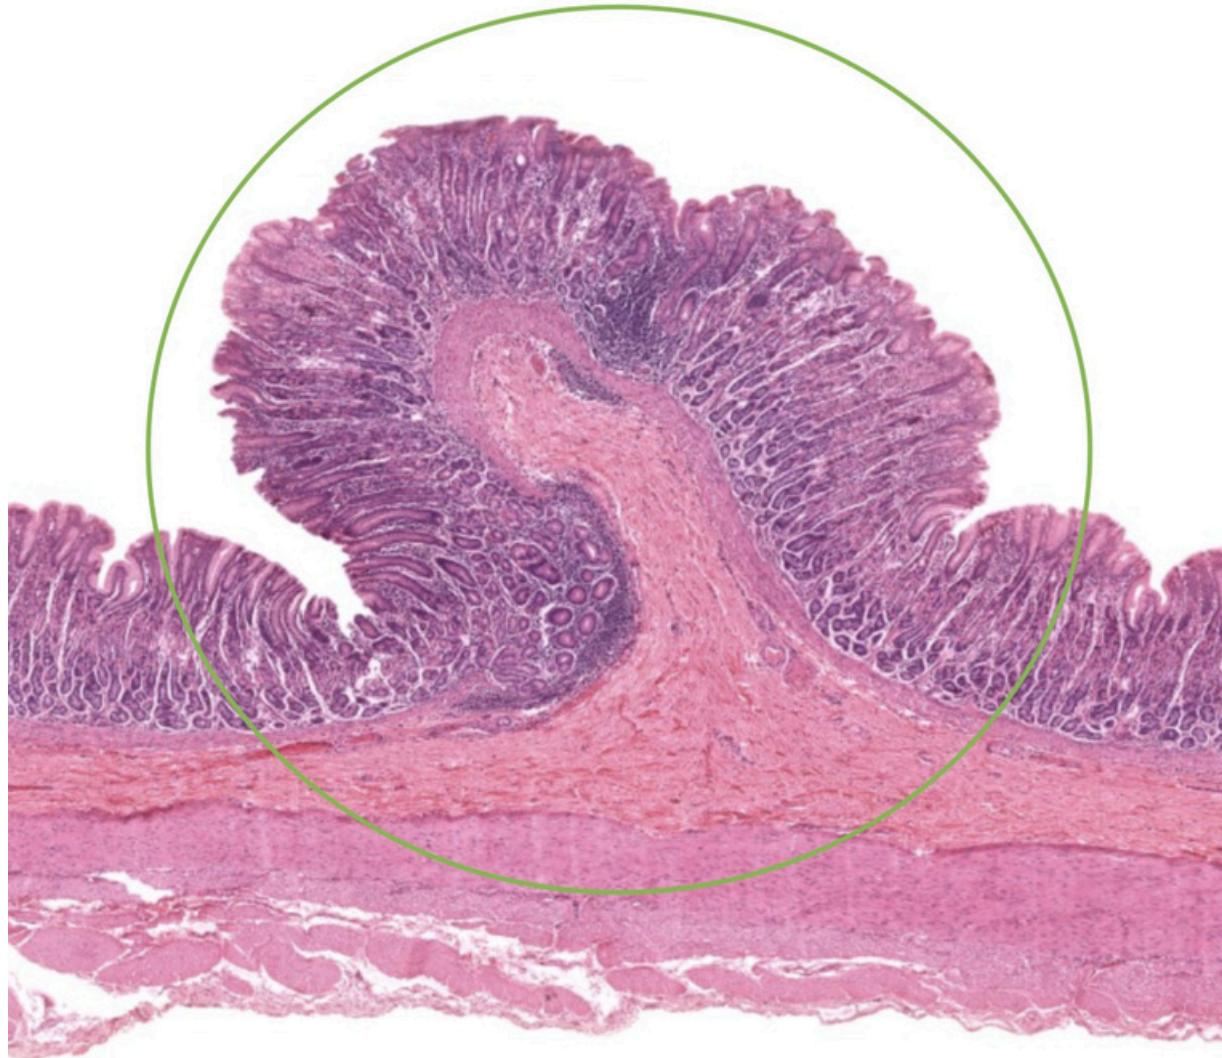

- 30 A Identify structure A
B Name 1 product produced from this cell

31 A Identify cell A

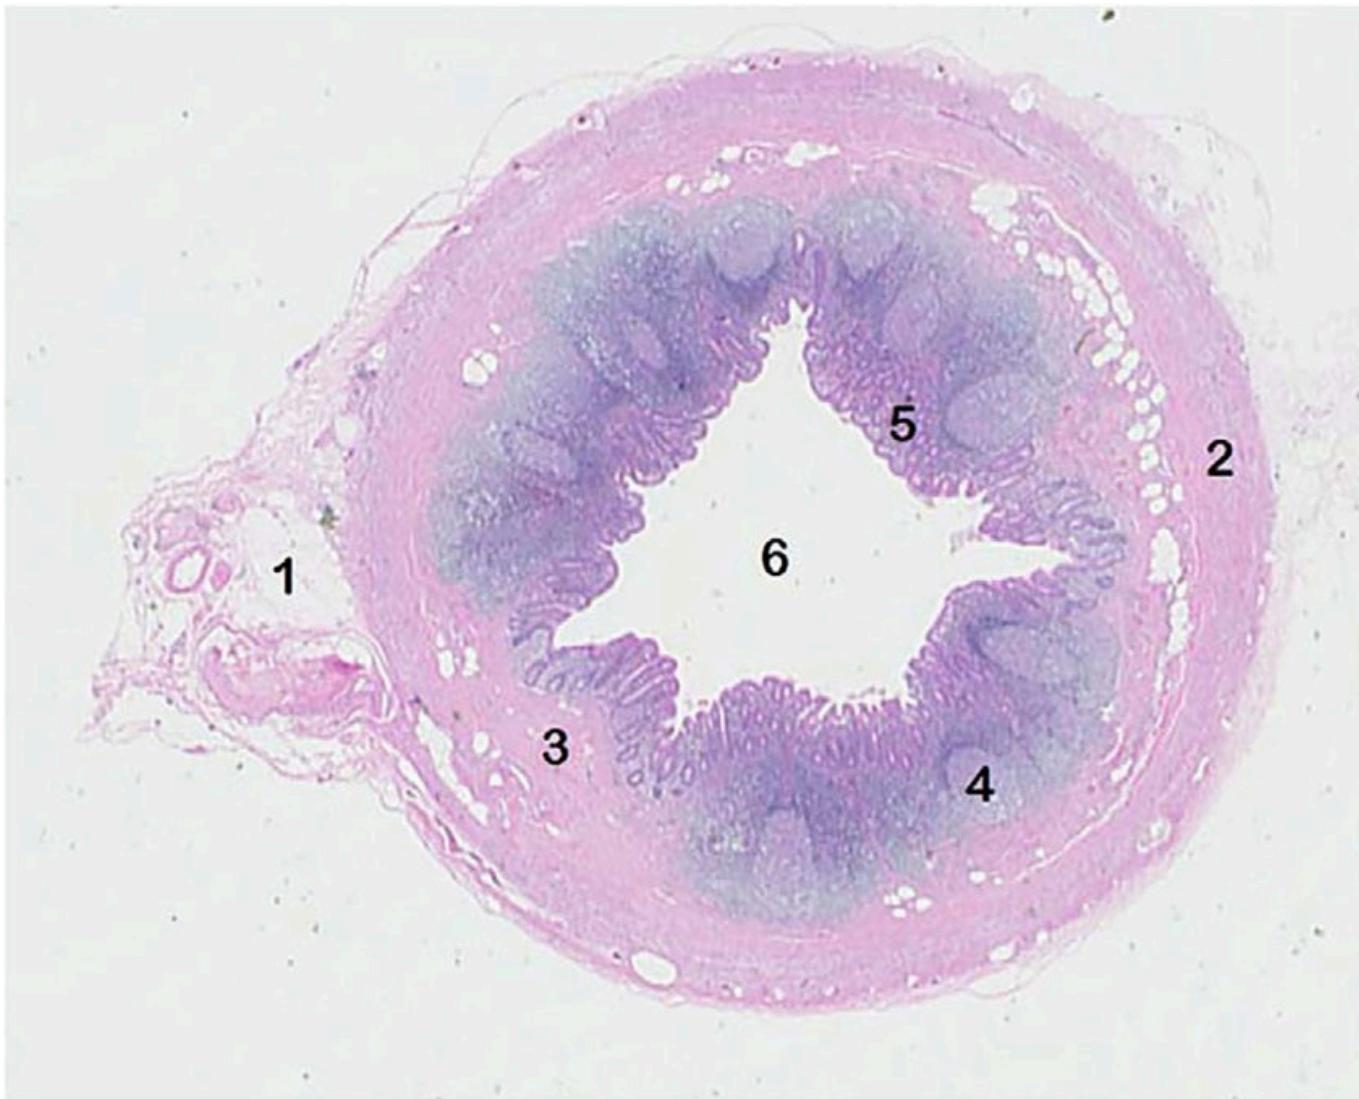

B Which organ layer does cell A located in?

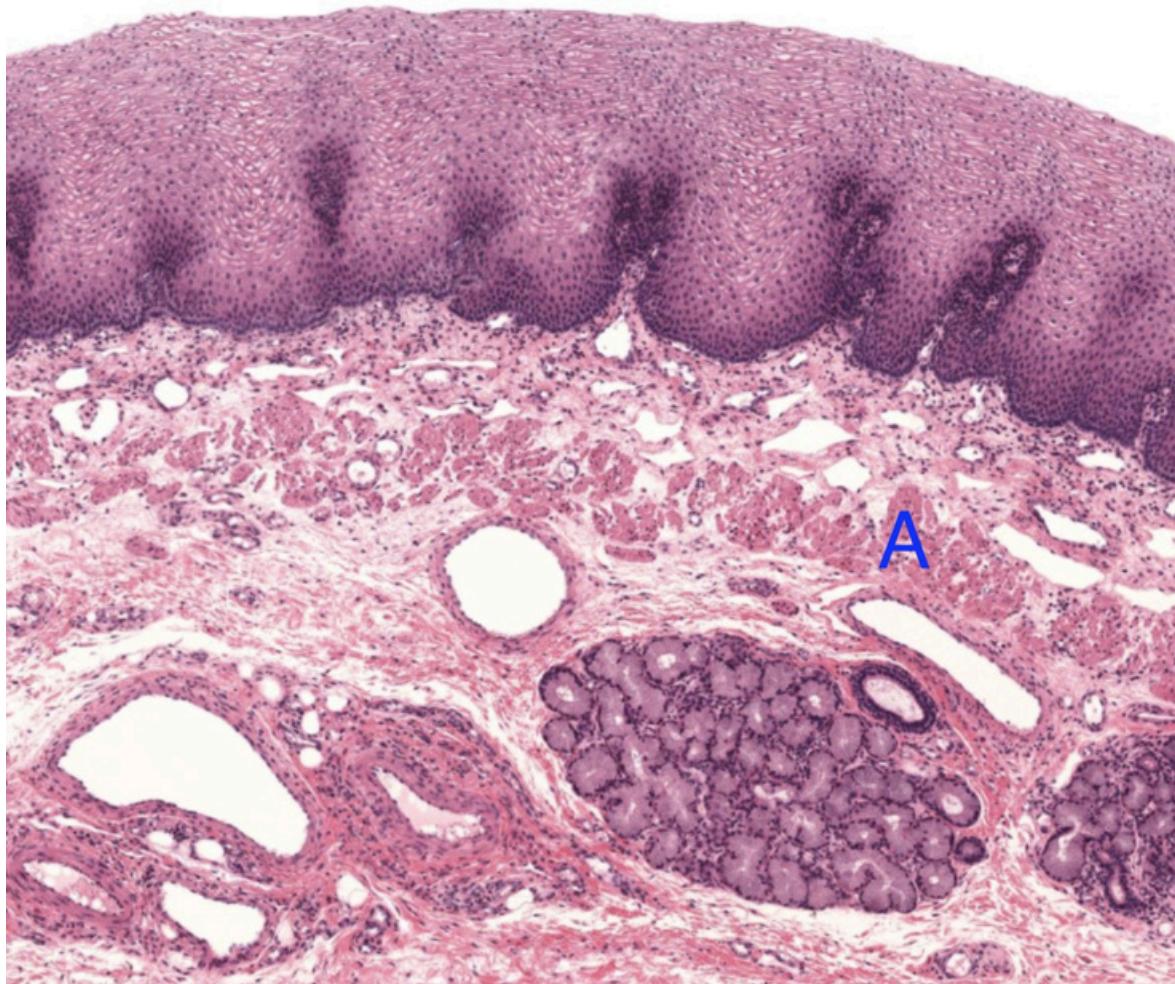

- 32 A. Identify the part of organ; be specific
B. Identify this structure in a green circle

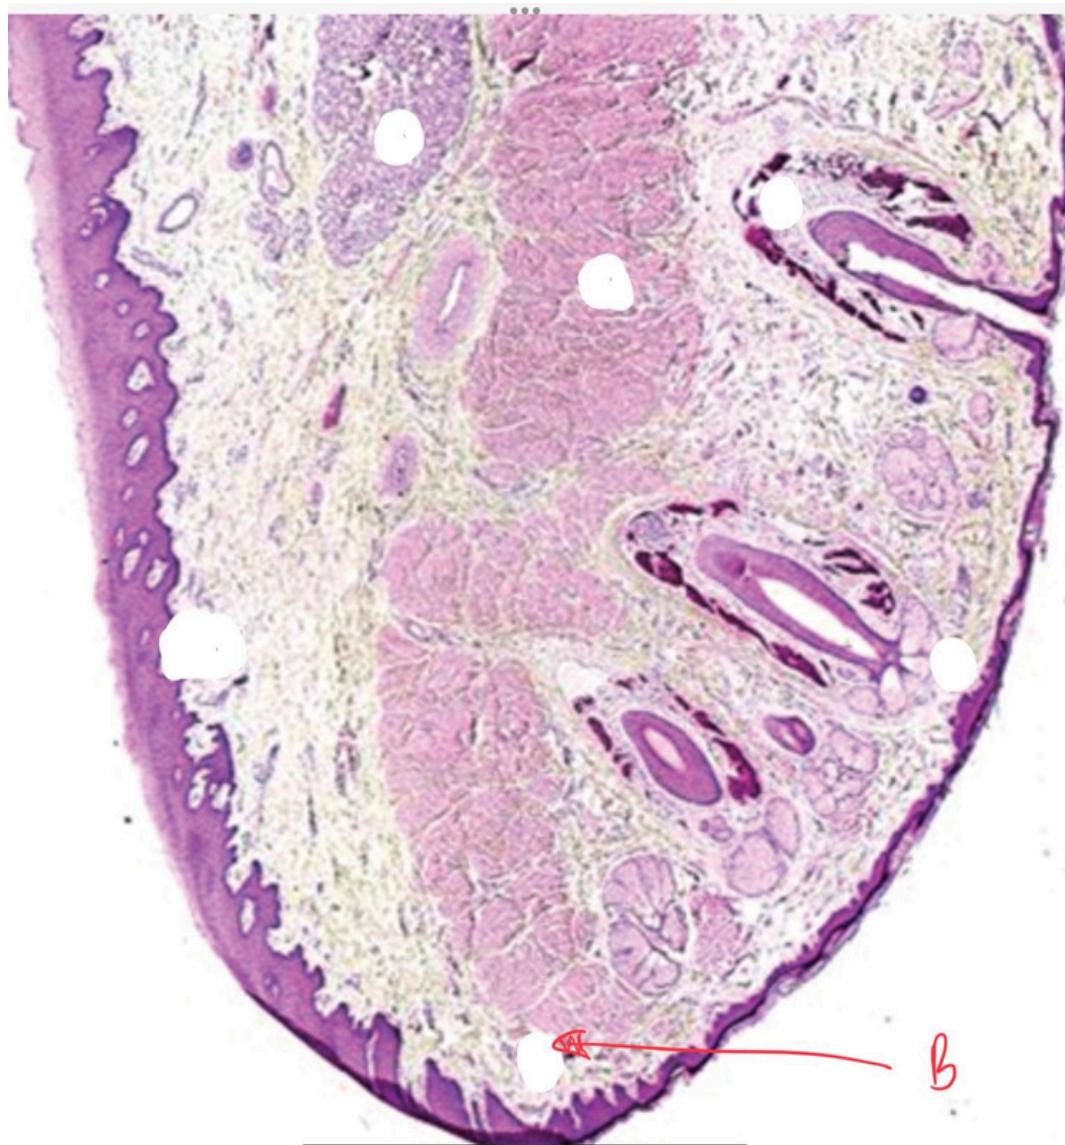

- 33 A. Identify this junction as a whole picture
B. Identify structure B

- 34 A. Identify this organ as a whole picture
B. Identify structure 1

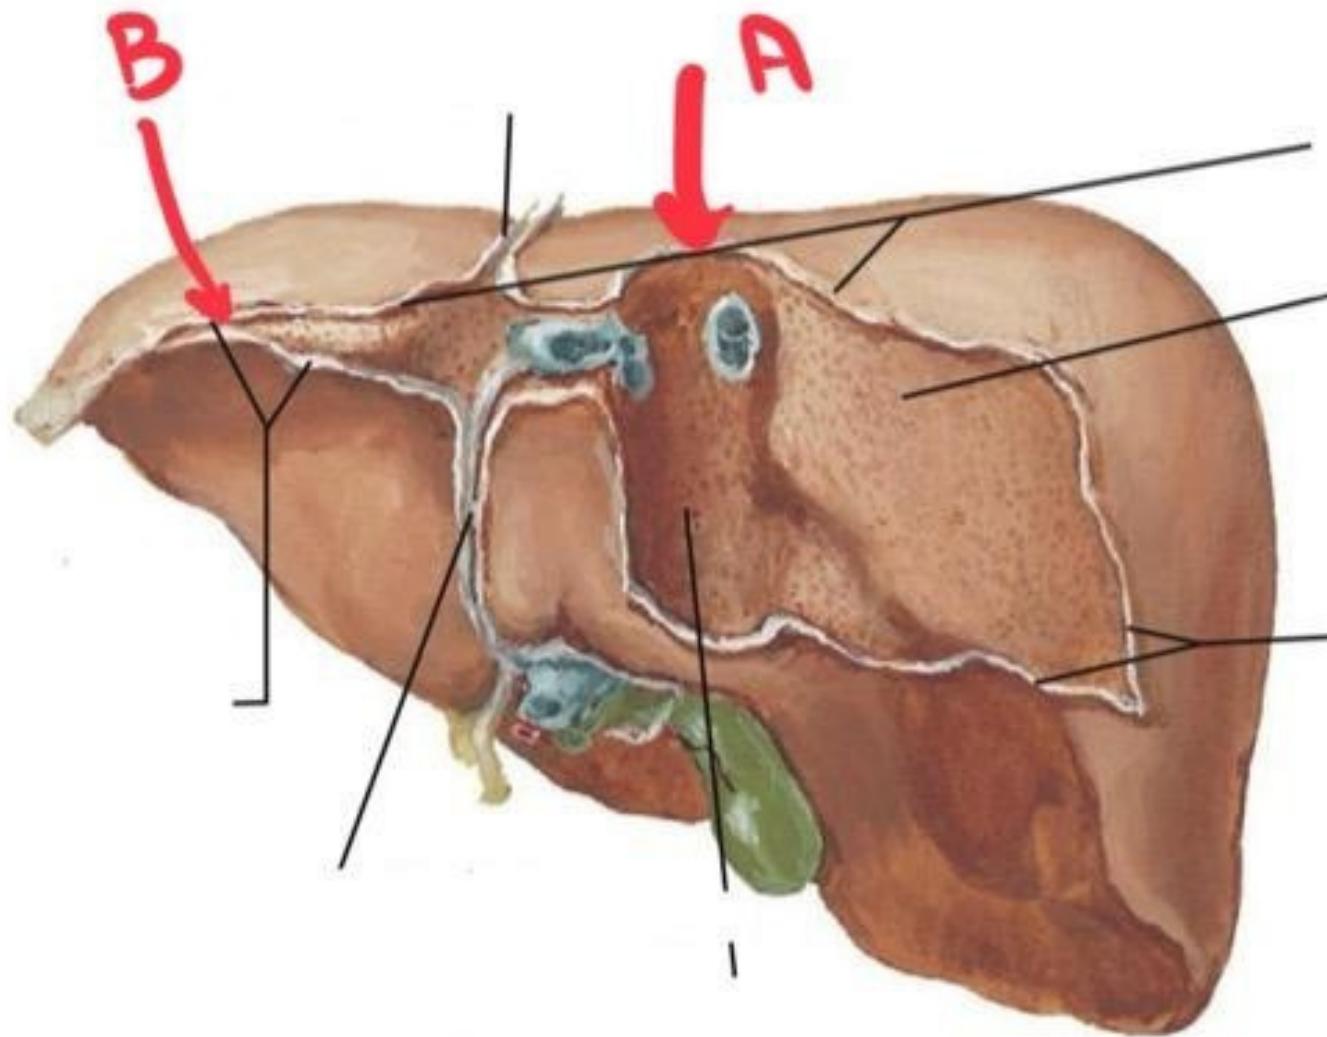

- 35 A. Identify layer A
B. Identify this organ as a whole slide

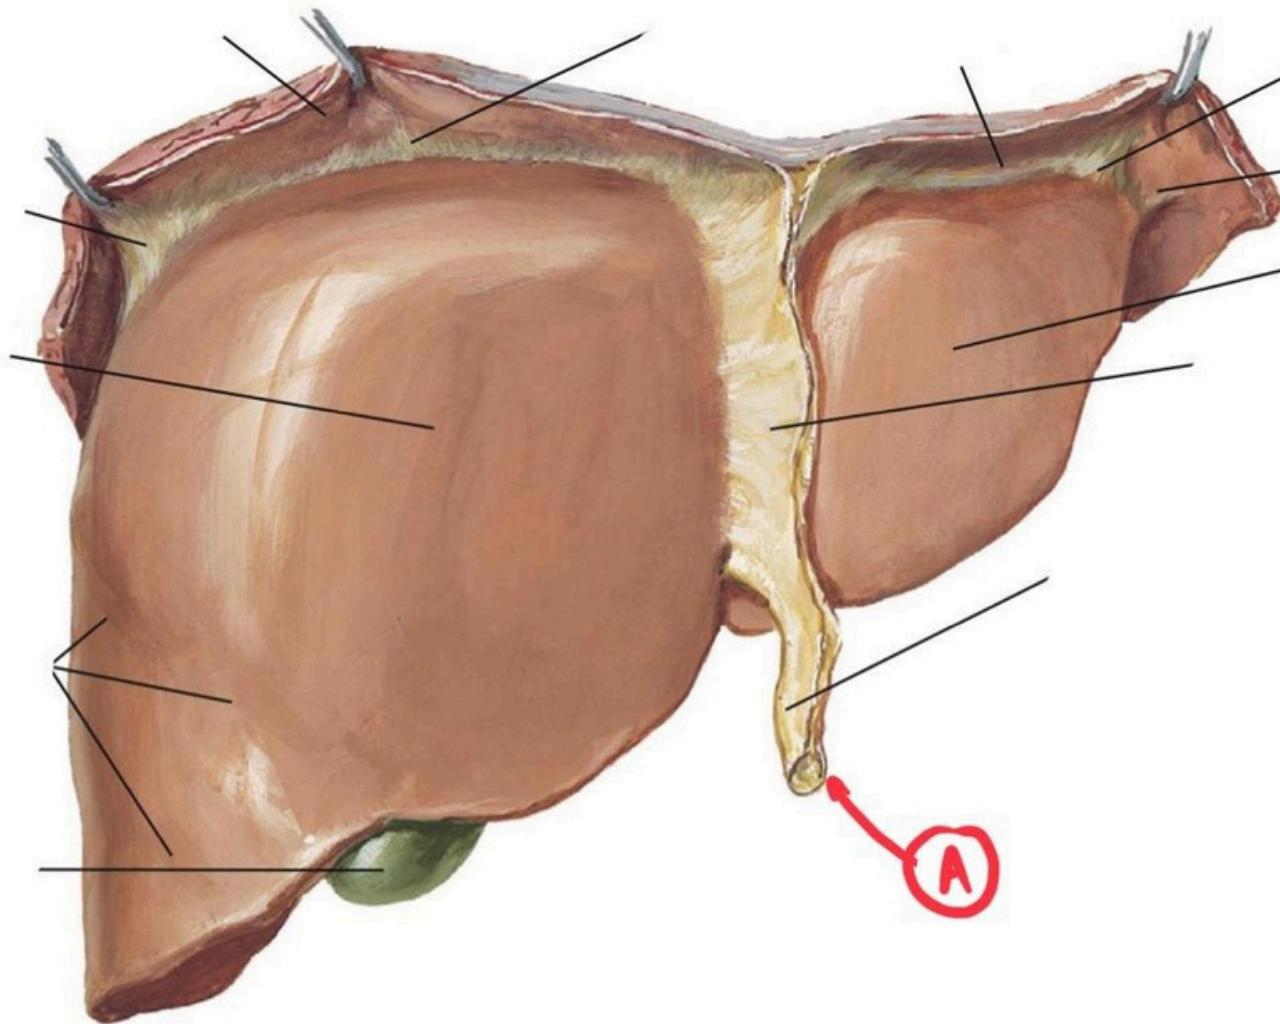

- 36 A Identify this organ as a whole picture
B Identify area B

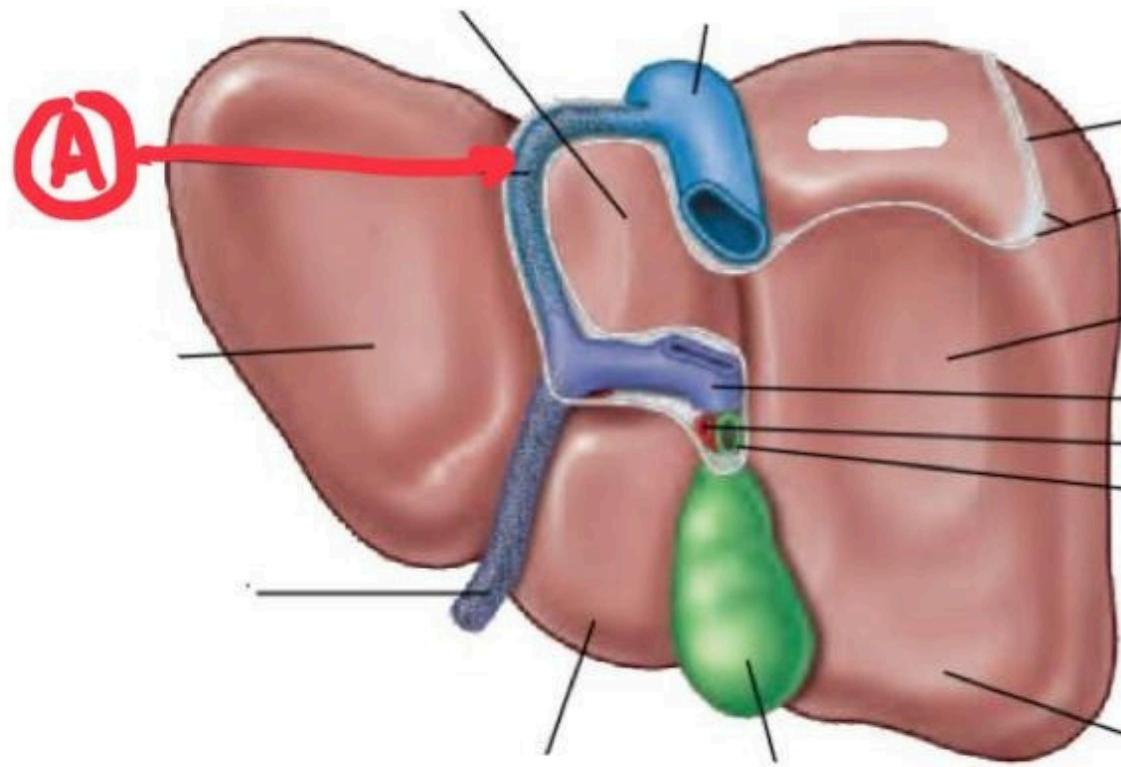

37 A Identify structure A
B Identify structure B

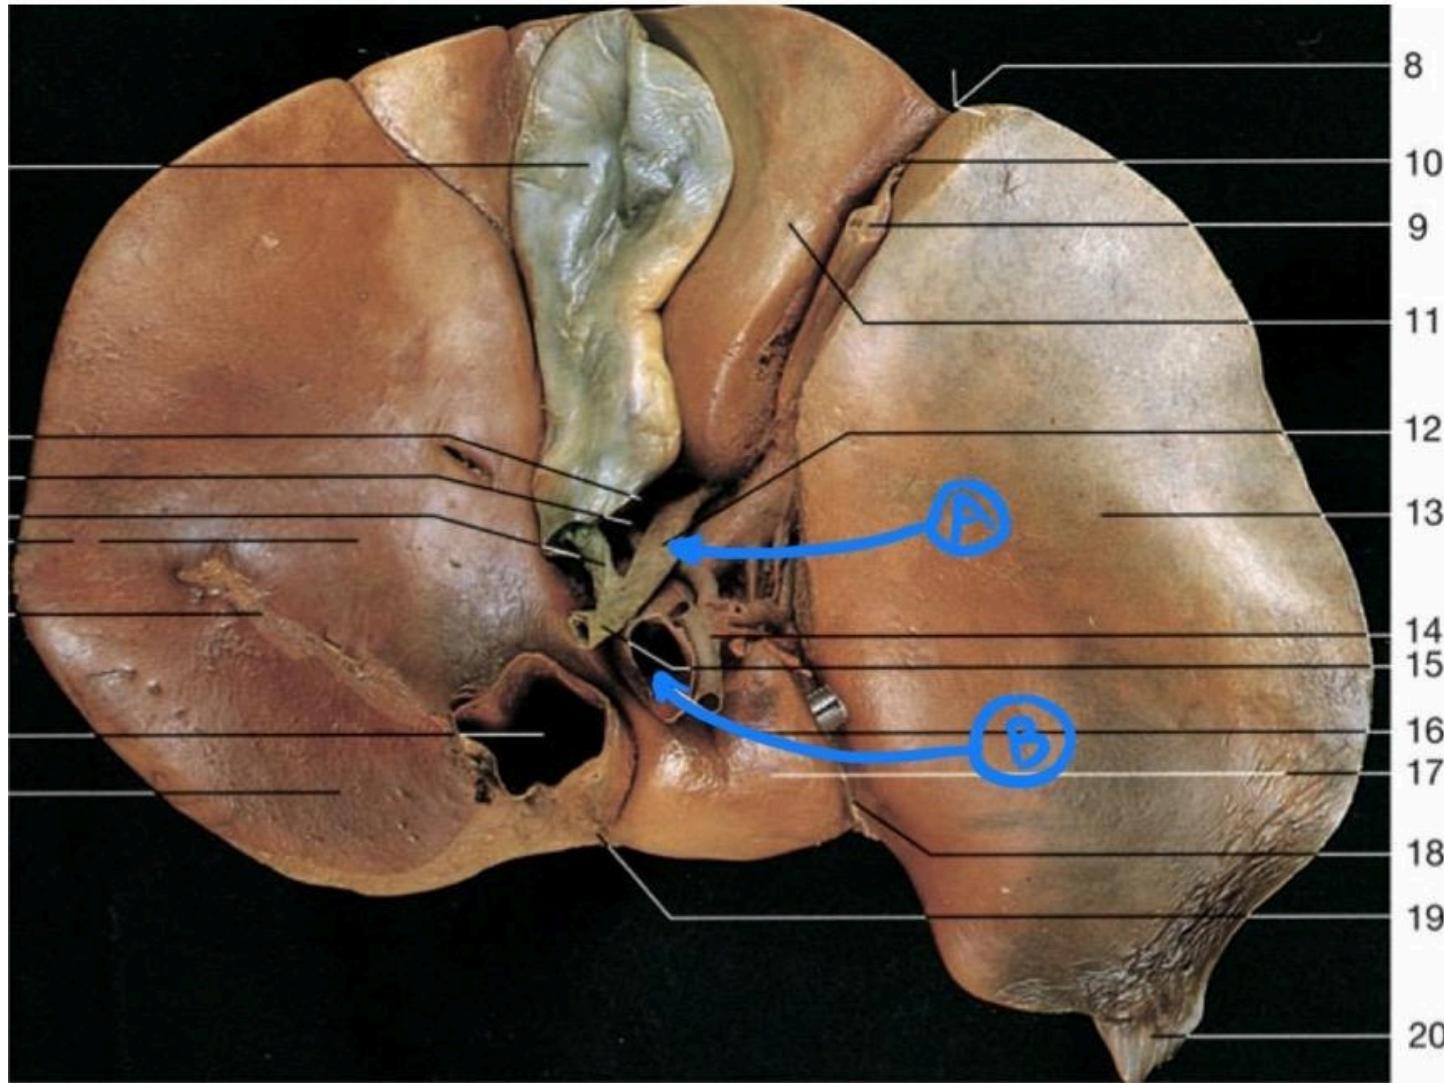

38 A identify this structure
B identify this structure

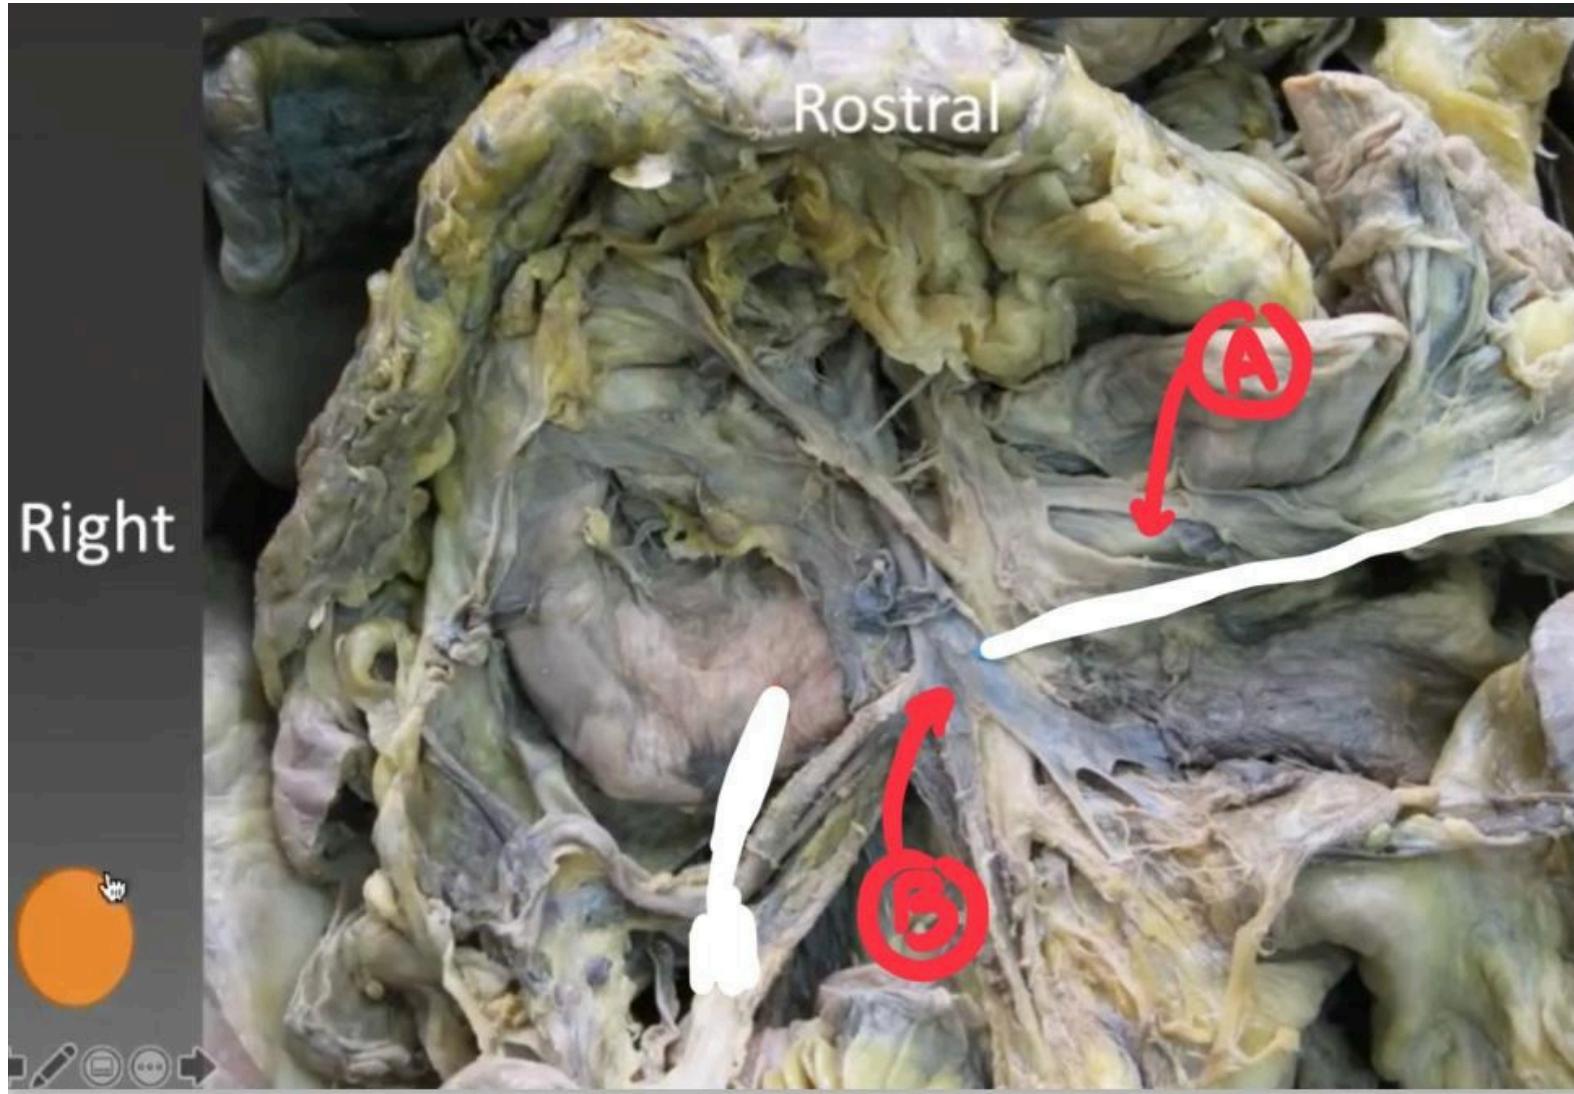

- 39 A identify this structure
B name this structure in fetal stage

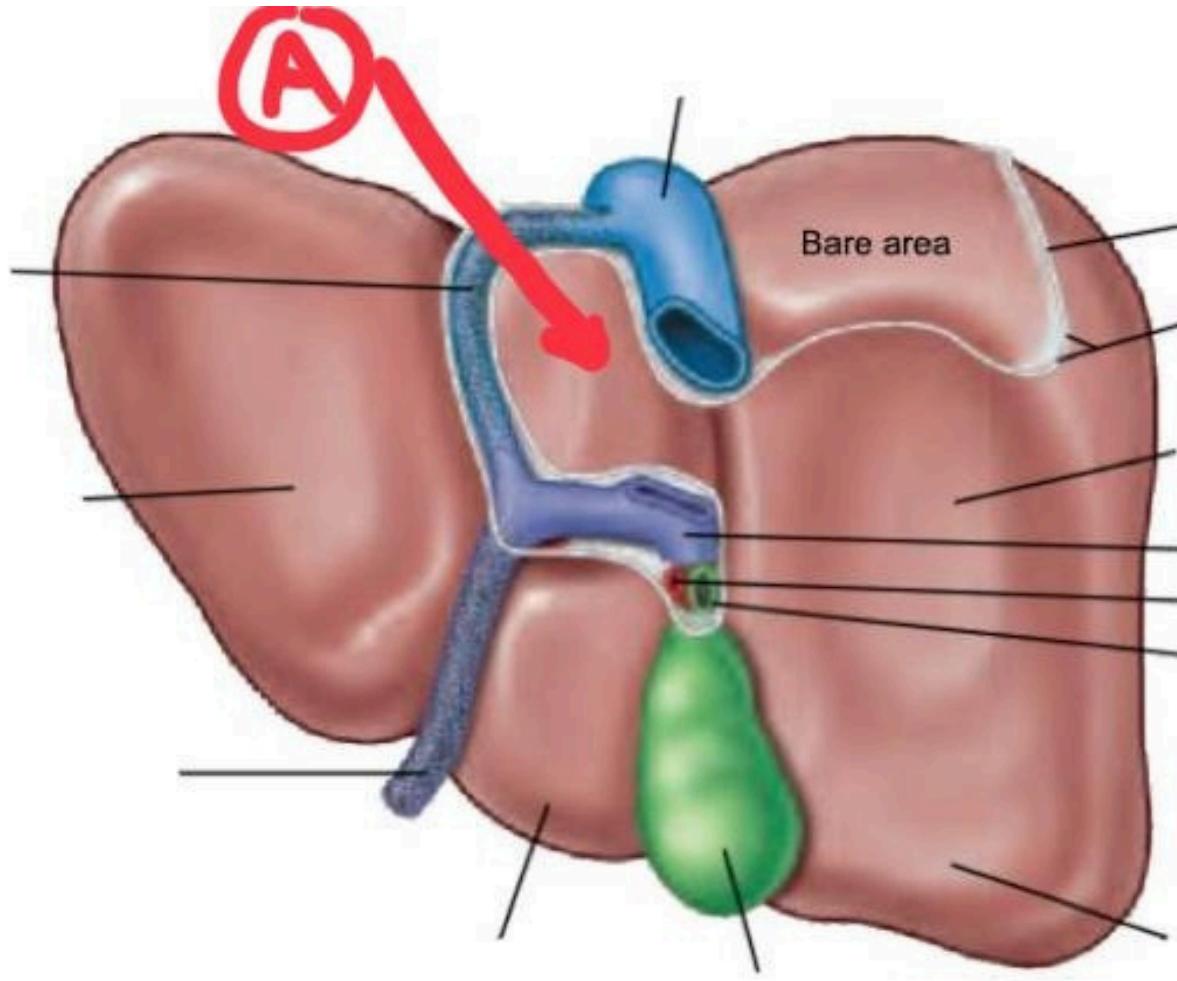

40 A identify this structure
B name this structure in fetal stage

- 41 A identify this structure
B identify this structure

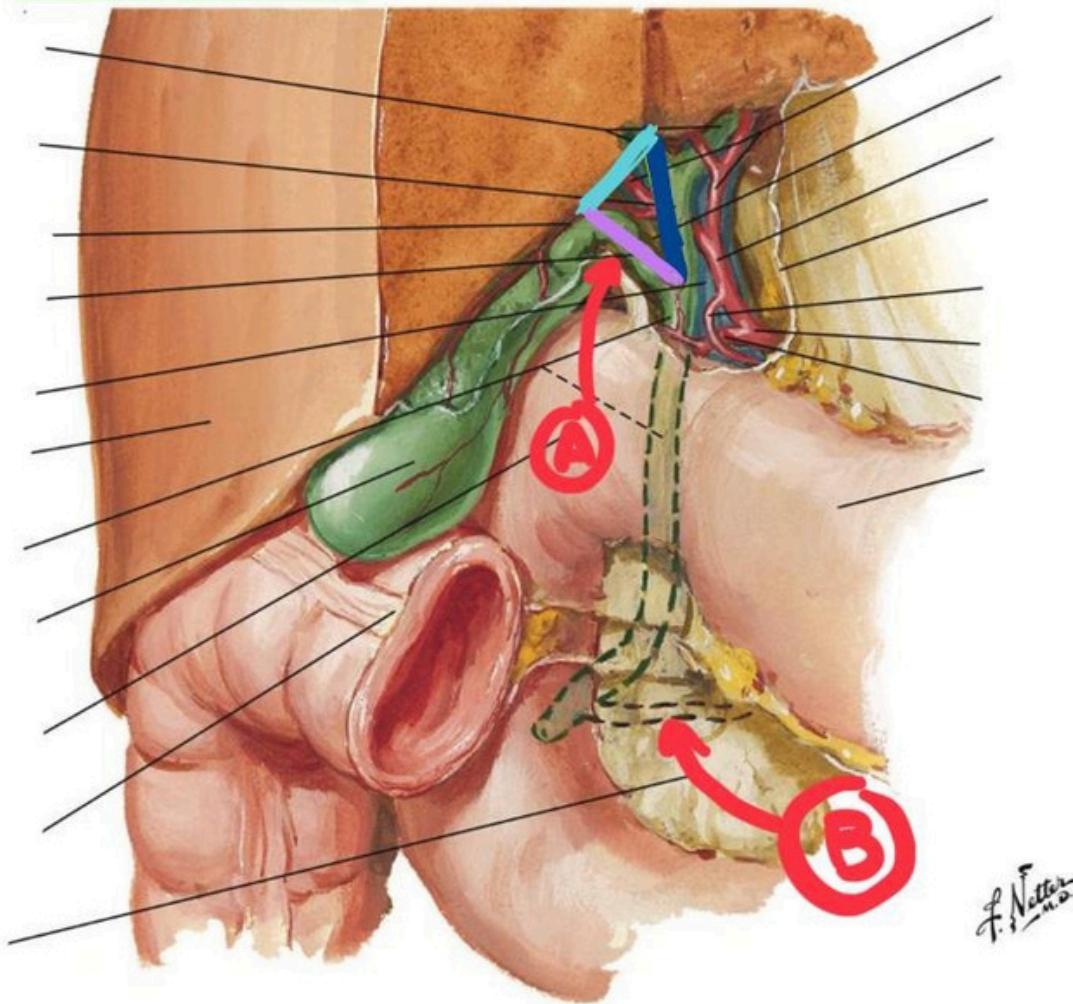

42 A identify this structure
B identify this structure

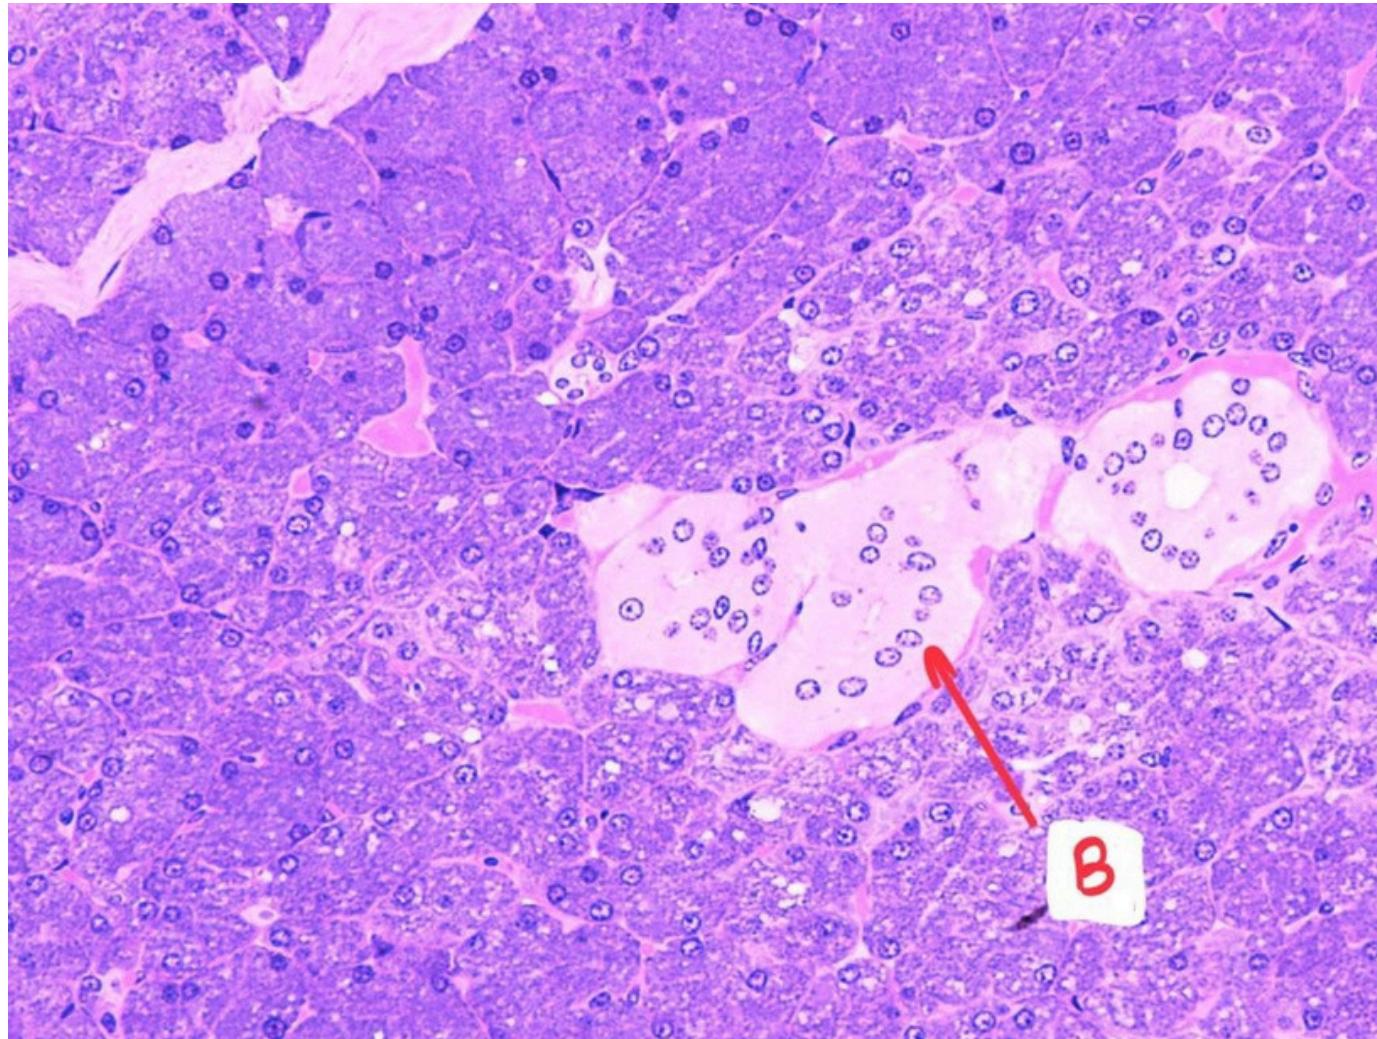

43 A identify this structure

B identify segment in Bismuth-Couinaud system

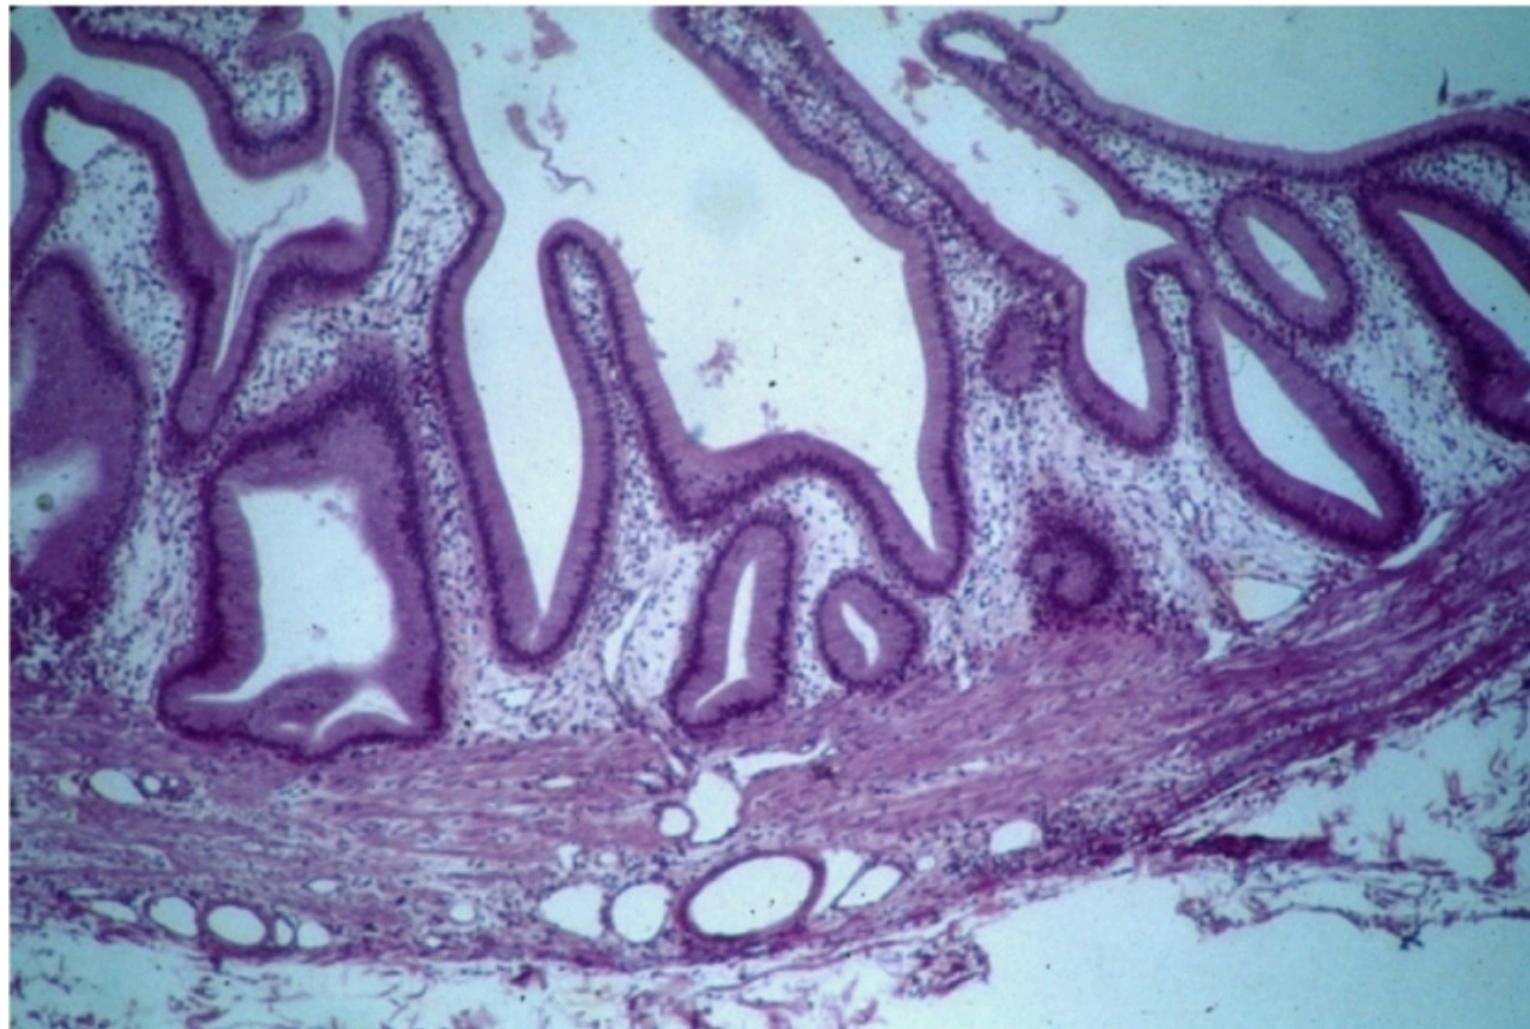

44 A identify this structure
B identify this structure

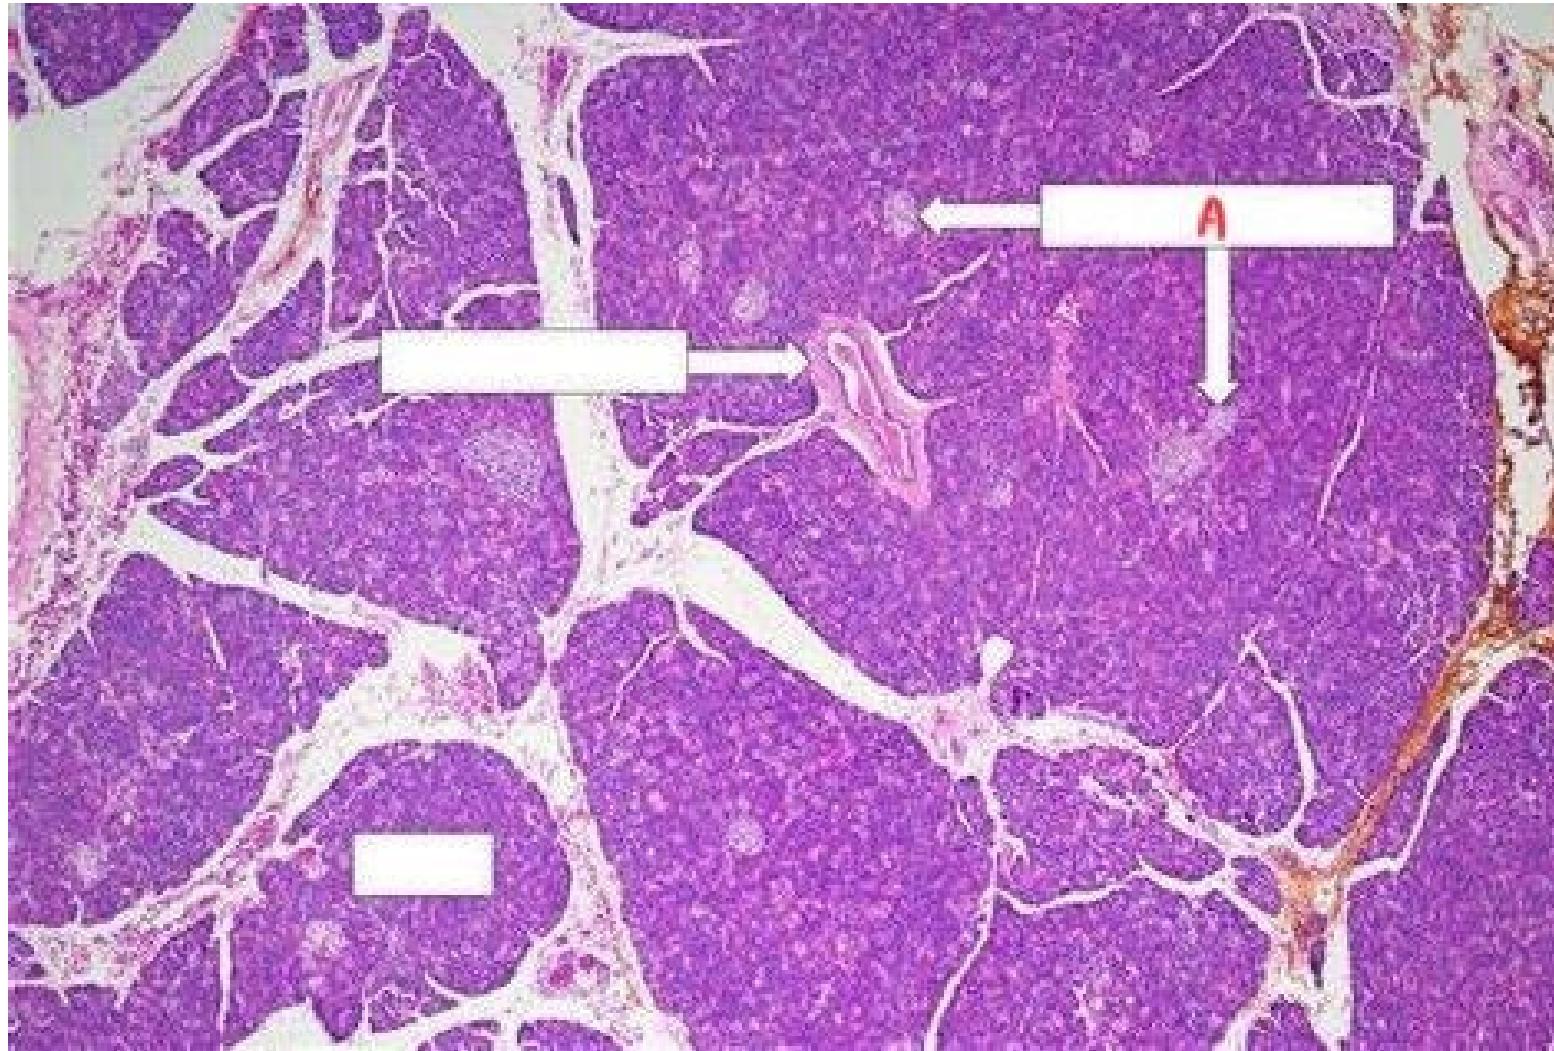

- 45 A Identify this gland as a whole
B Identify the structure B

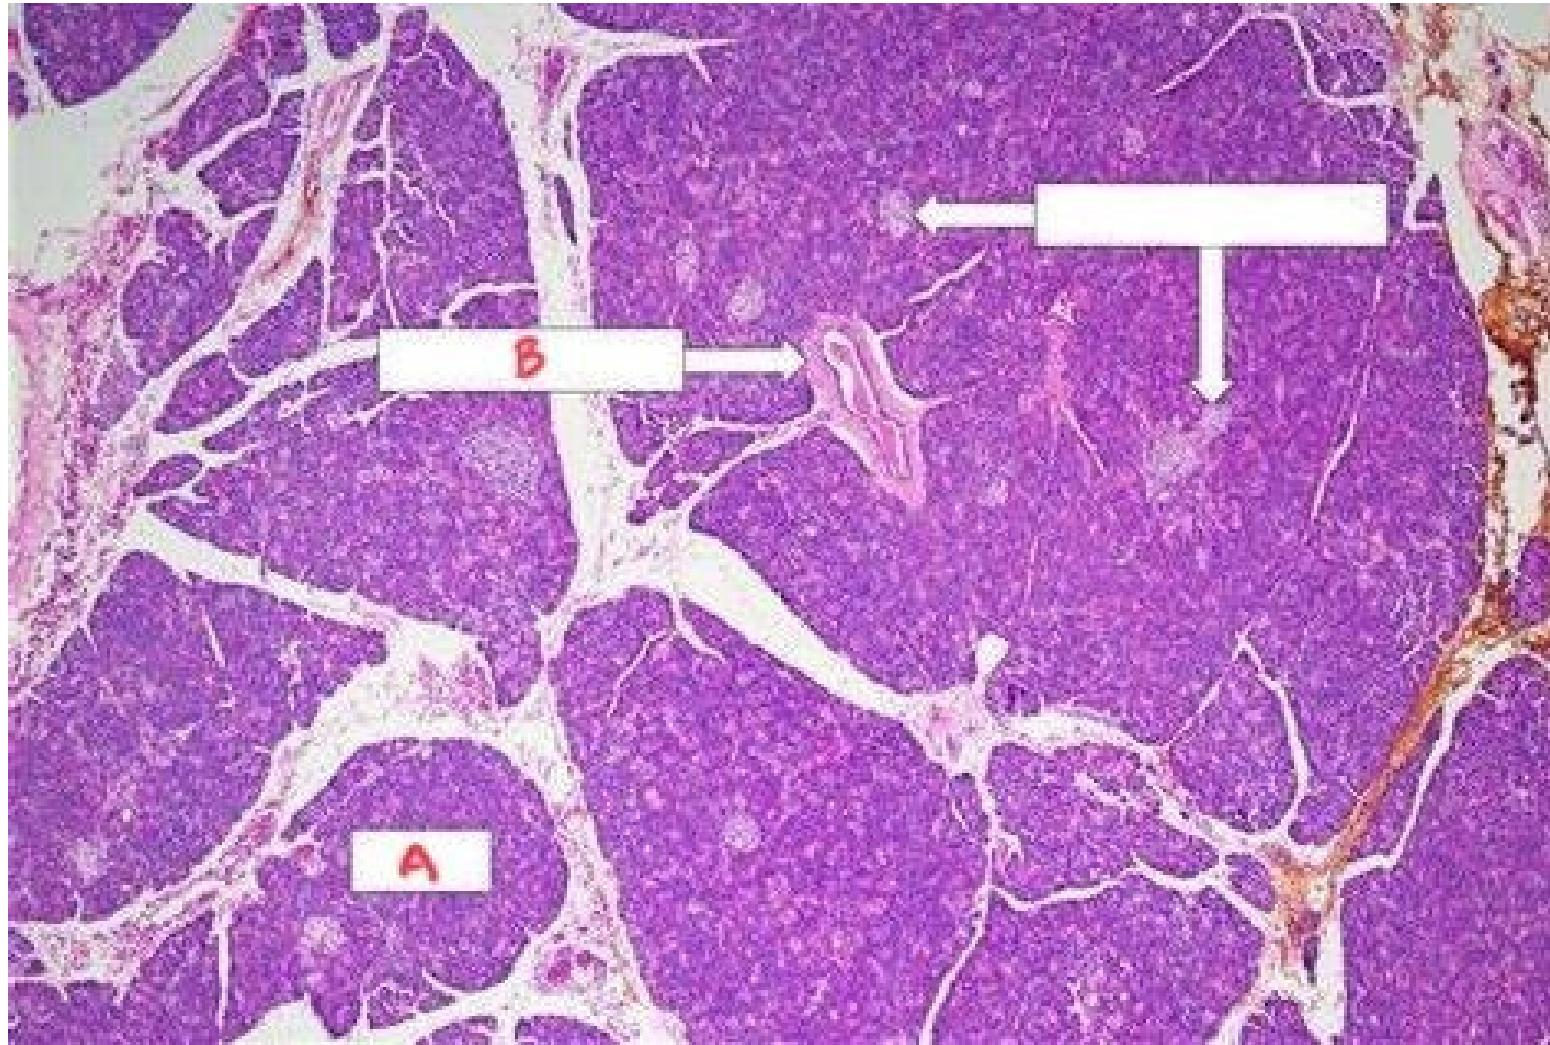

- 47 A Identify this gland as a whole
B Identify the cell B

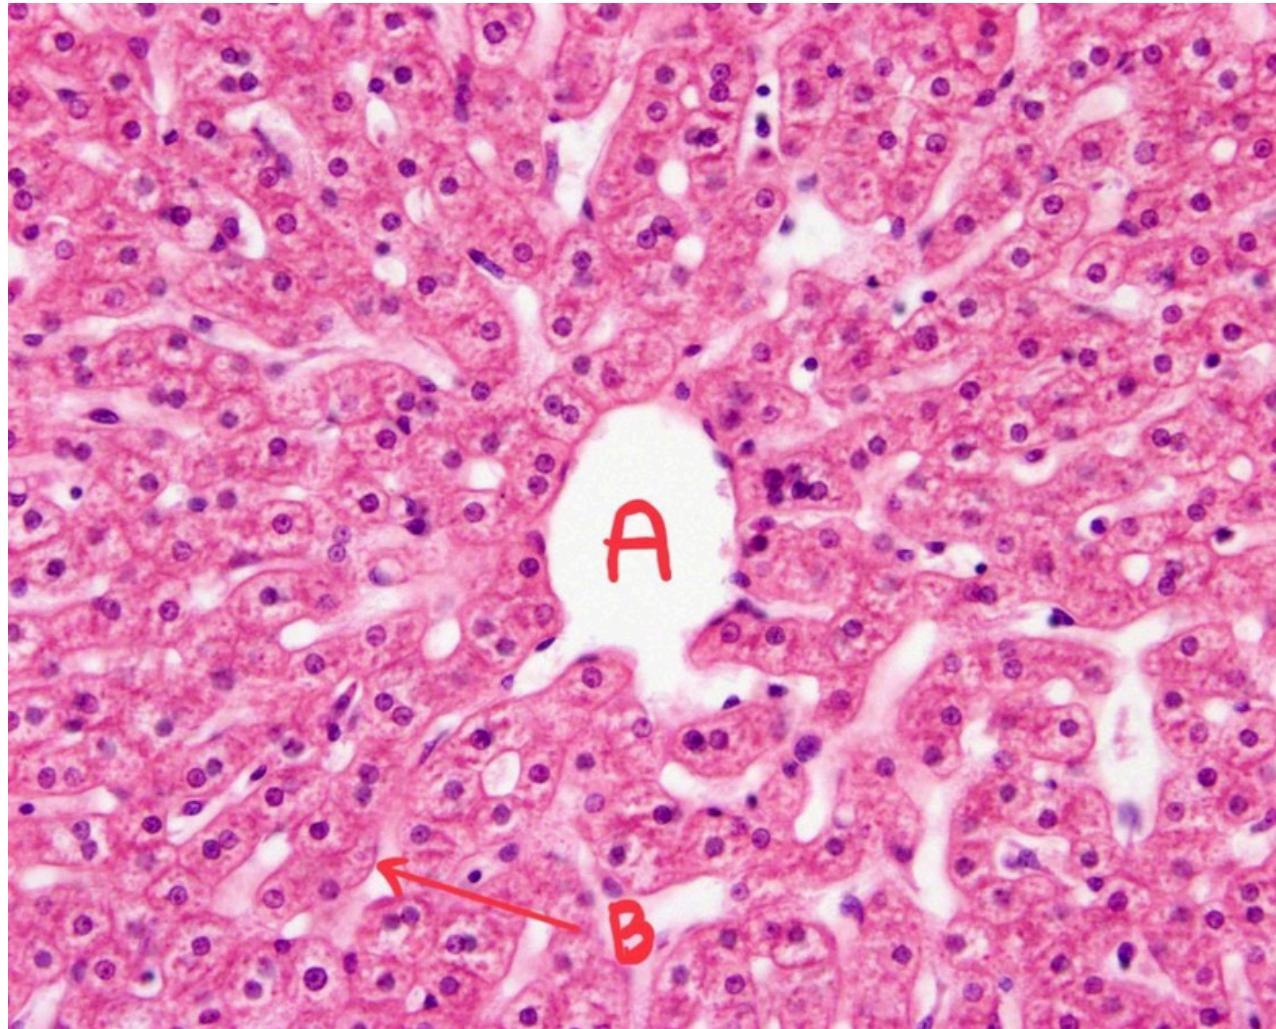

- 48 A Identify this gland as a whole
B Identify type of epithelium

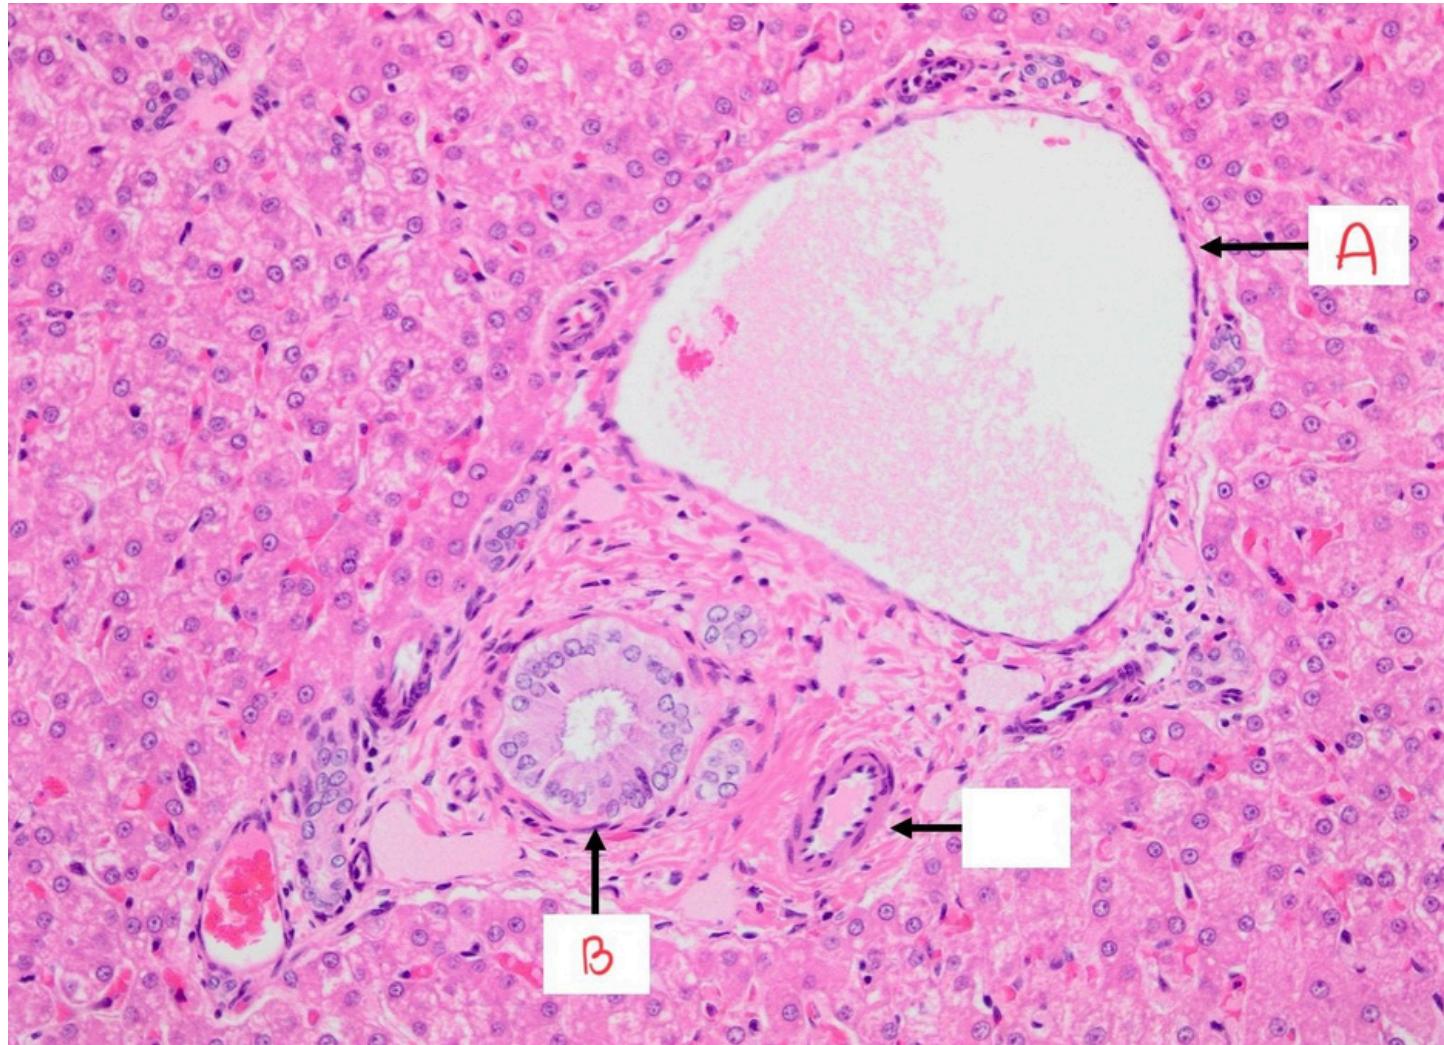

49 A Identify the structure A
B This tissue can be found in which organ?

- 50 A Identify the cell in the area A
B Identify the duct B

51 A Identify structure A
B identify structure B

52 A Identify duct A
B identify duct B
