

~ AC Spot Test ~

Reproductive system I

By Vchakarn 78

01

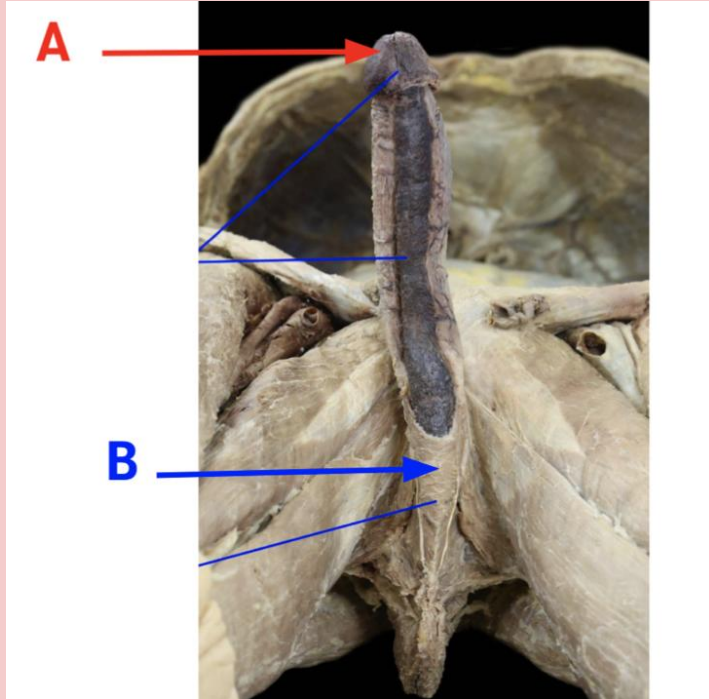

A. Identify structure A

B. Identify structure B

— — —

02

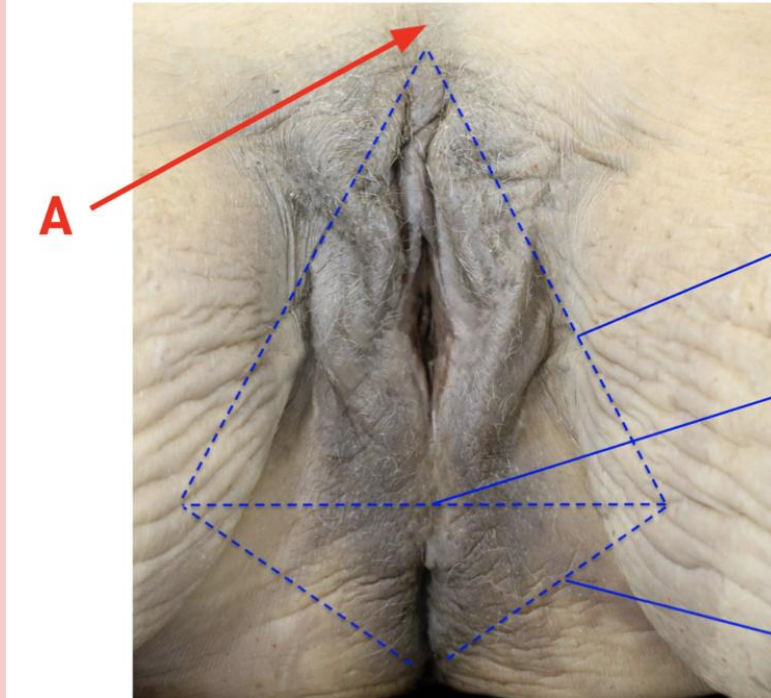

A. Identify structure A

B. Identify structure B

— — —

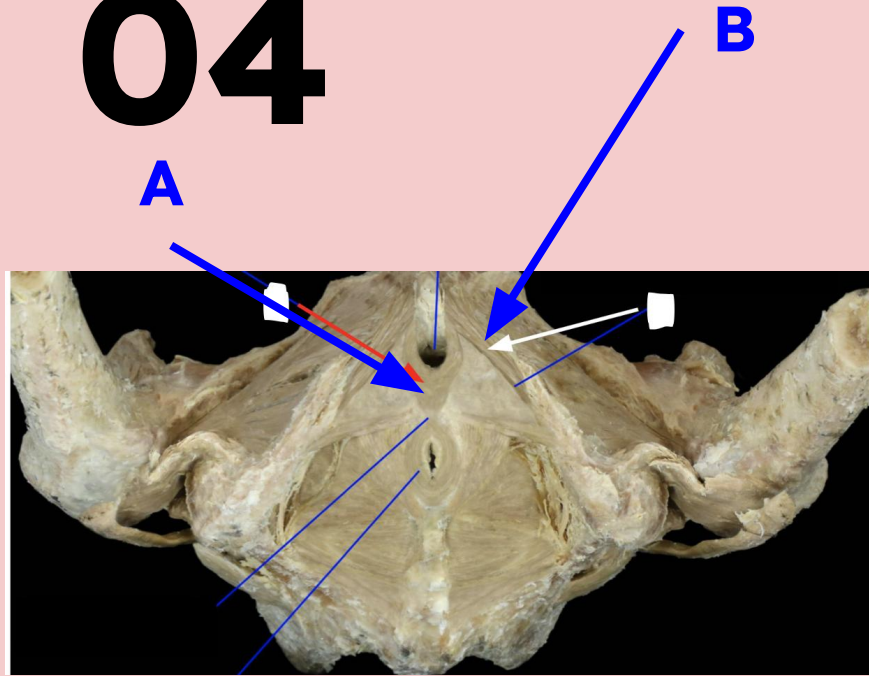

03

A. Identify area A

B. What is the nerve that innervates skin in the area A

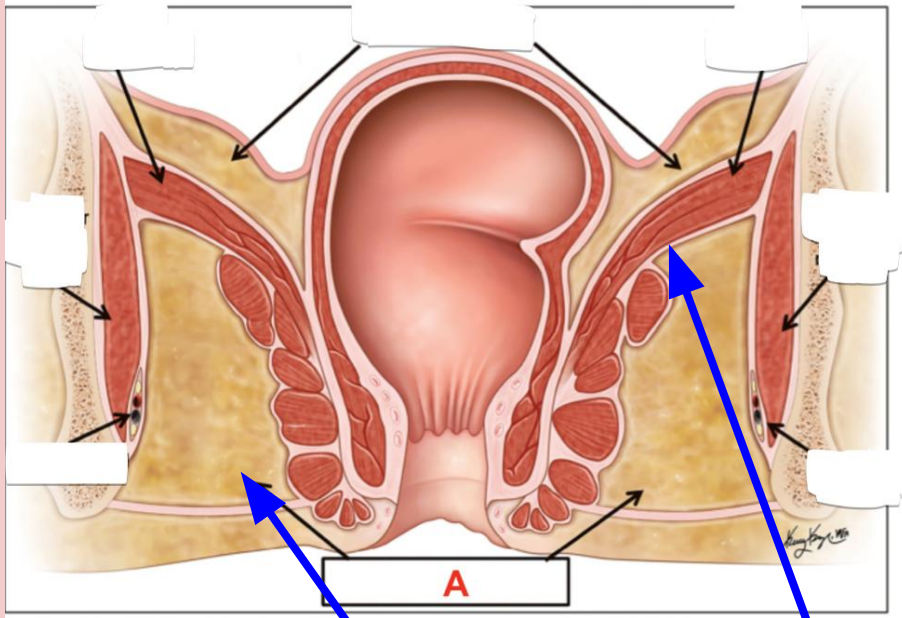

04

A. Identify muscle A

B. Identify muscle B

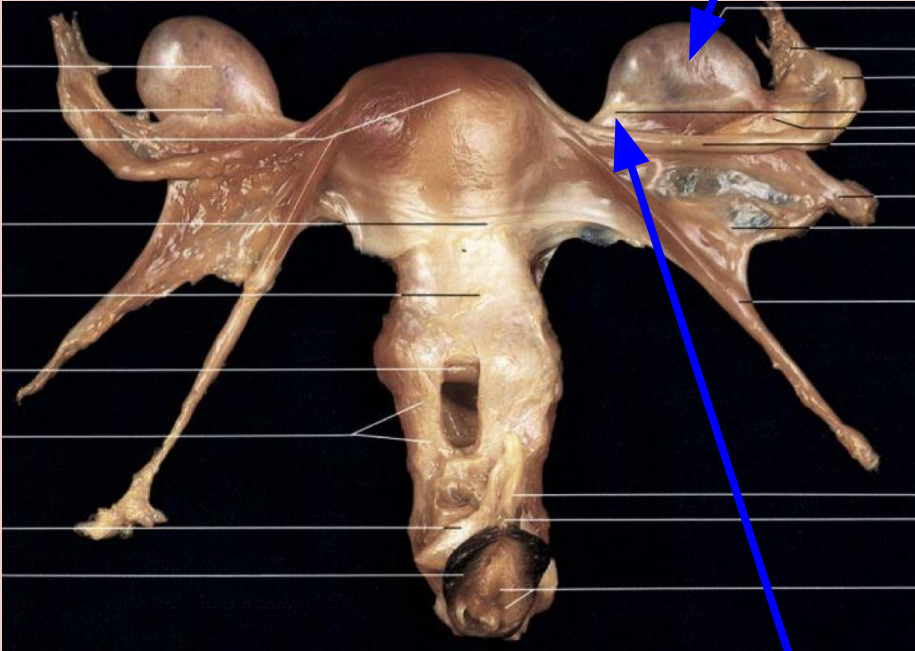

05

A. Identify space A

B. Identify structure B

06

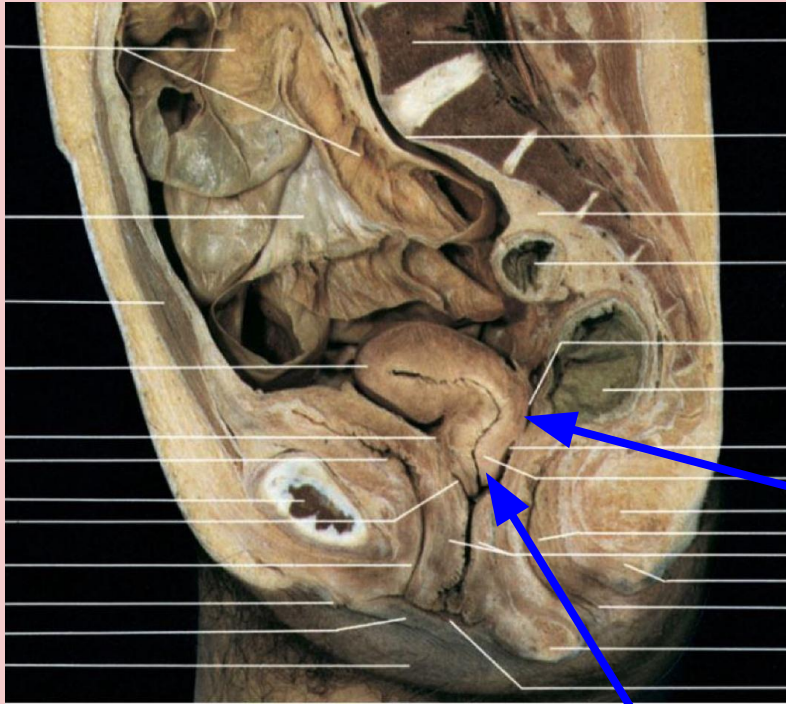

A

A. Identify structure A

B. Identify structure B

B

07

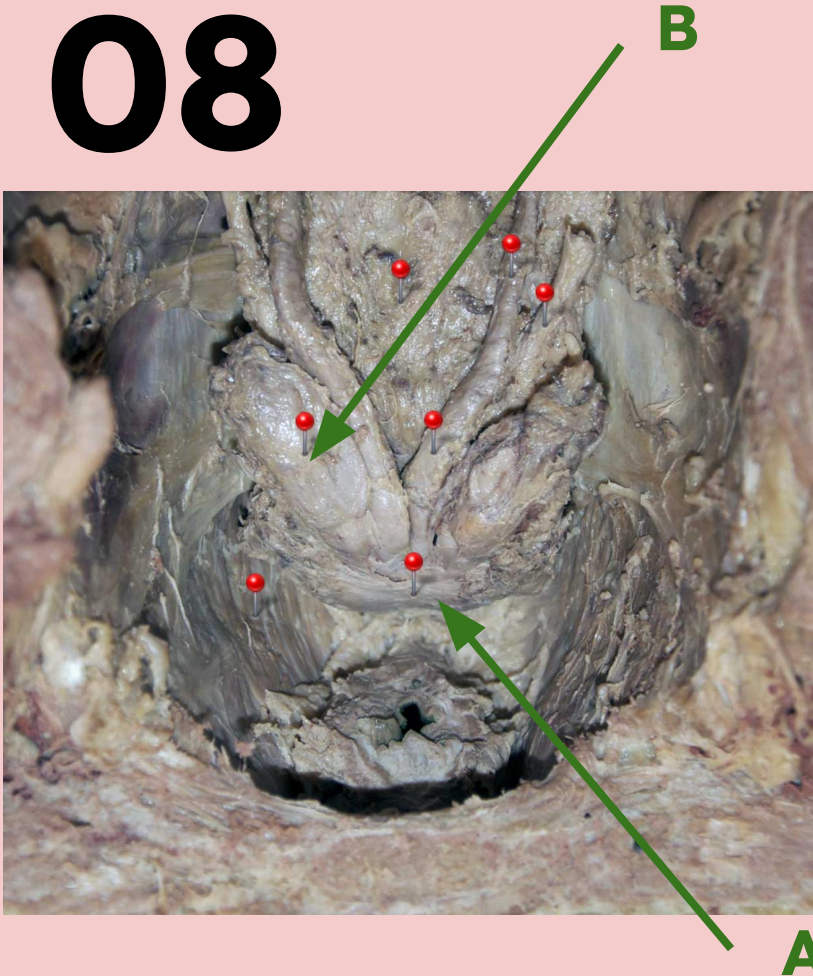

A

B

A. Identify structure A

B. Identify structure B

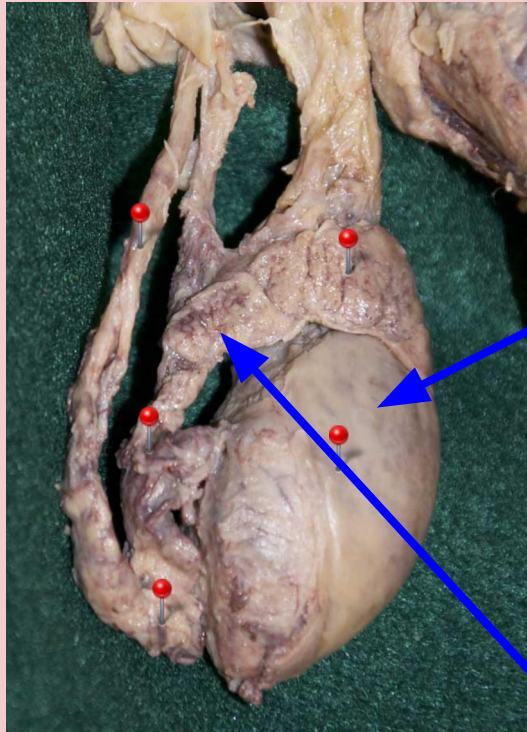

08

A. Identify structure A

B. Identify structure B

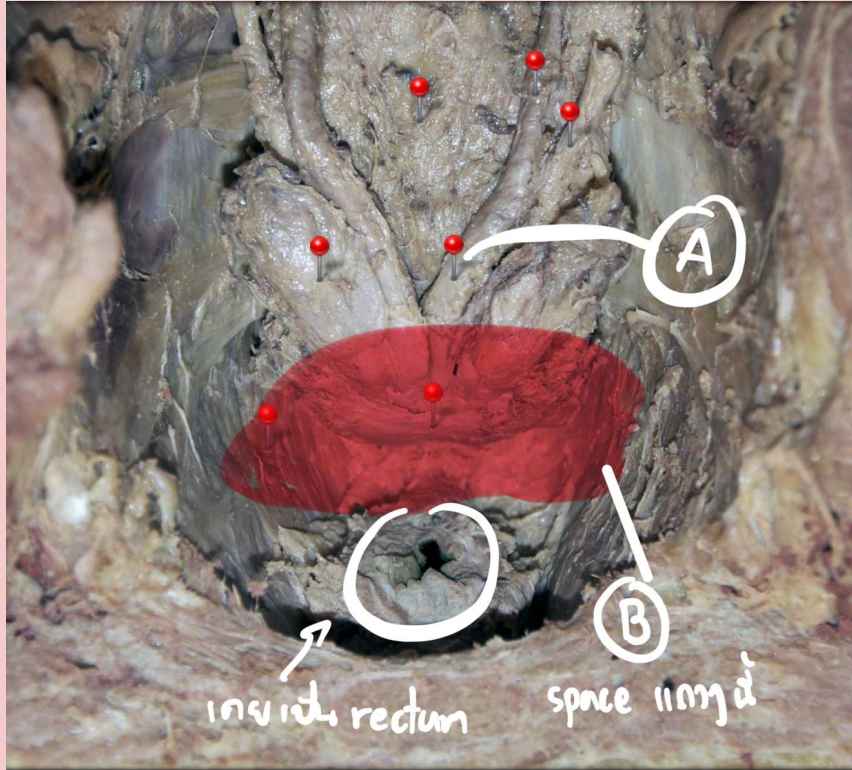

09

A. Identify structure A

B. Identify structure B

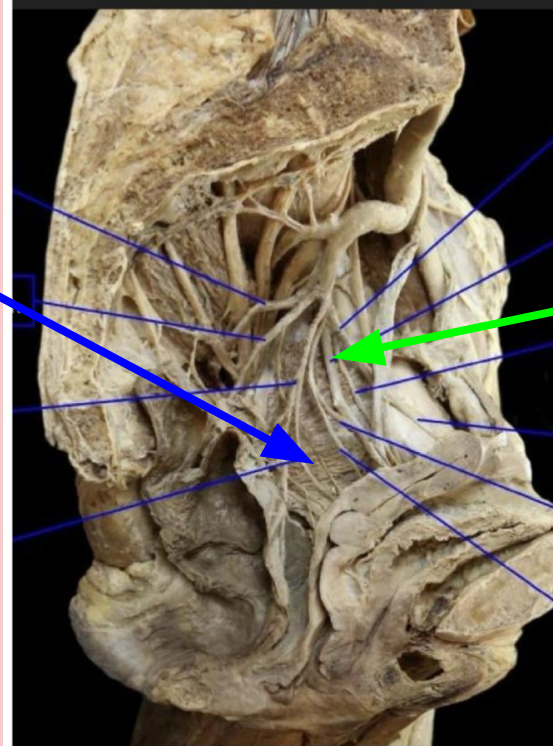

10

A. Identify structure A

B. Identify space B

11

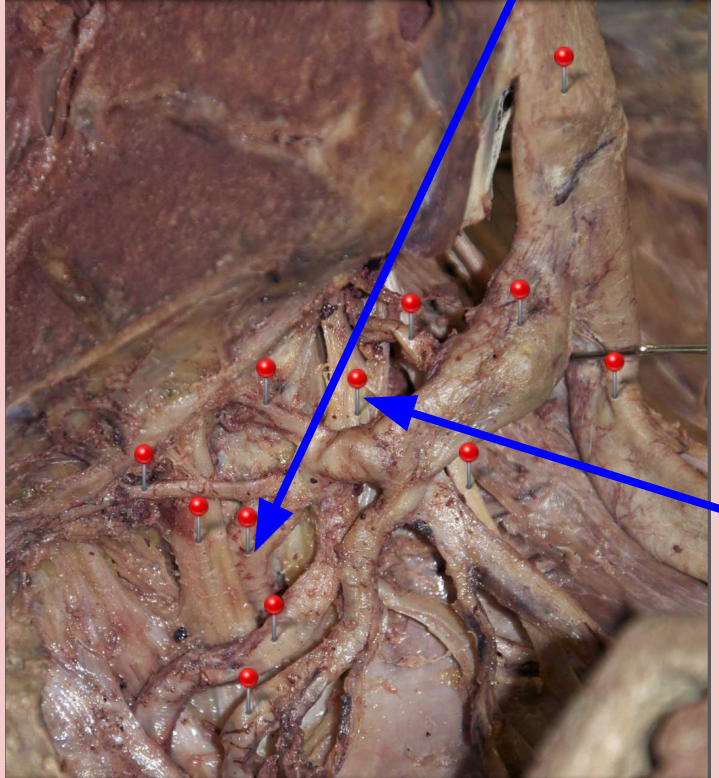

A. Identify vessel A

B. Identify muscle B

— — —

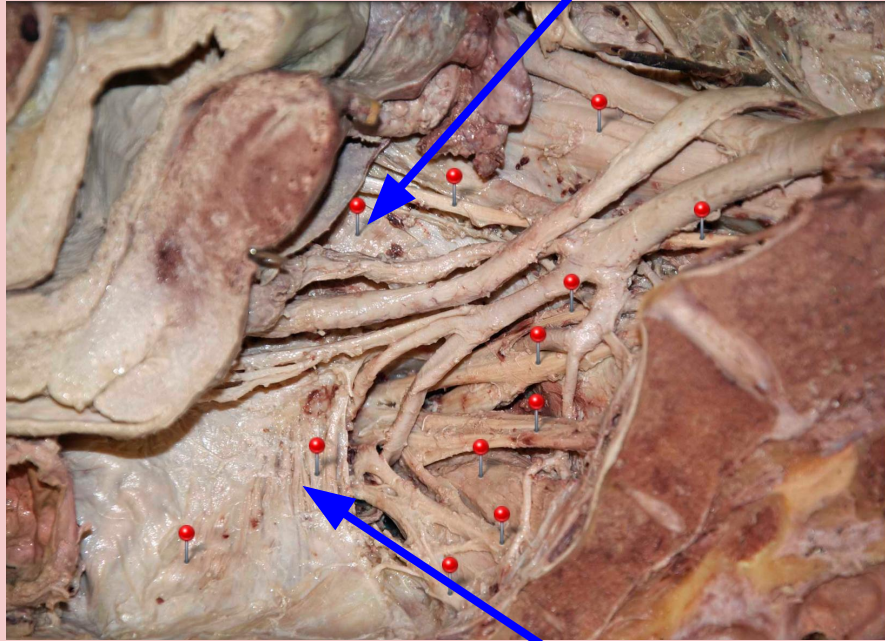

12

A. Identify structure A

B. Identify structure B

13

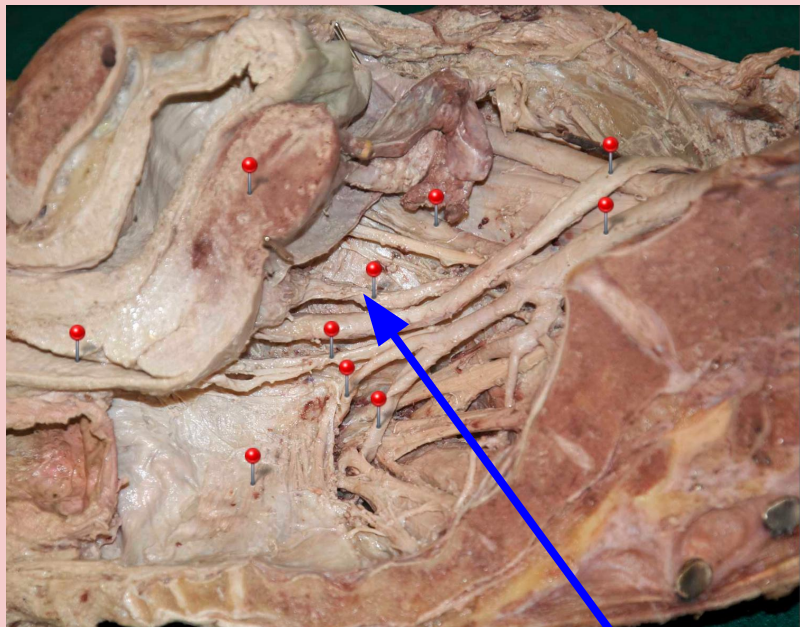

A

A. Identify muscle A

B. Identify muscle B

B

14

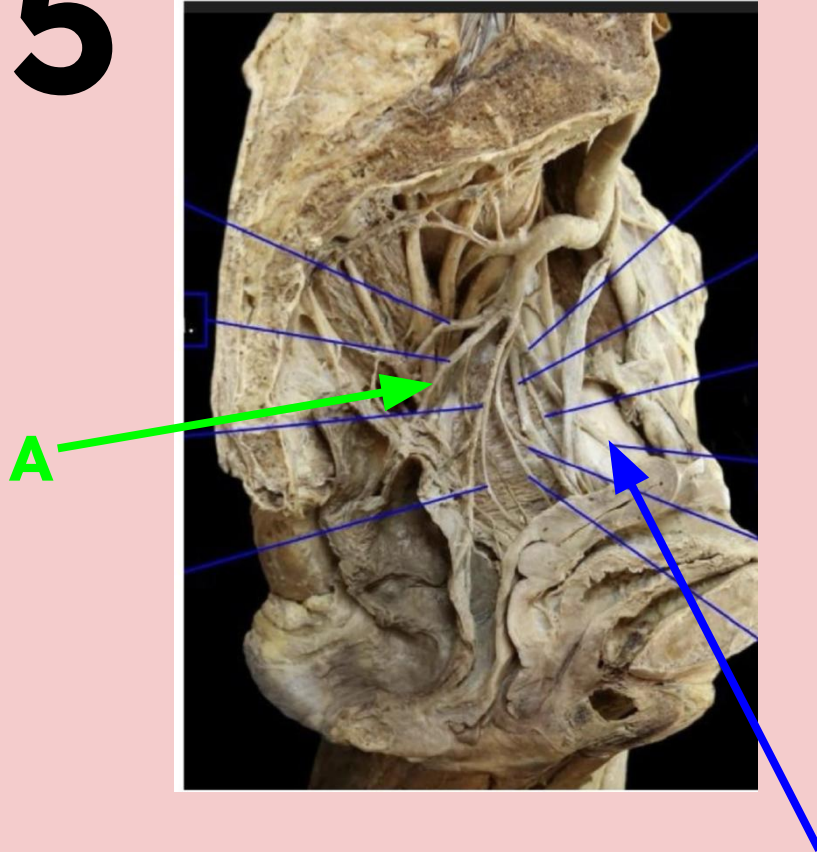

A

A. Identify structure A

B. อะไรอยู่ที่ structure A

15

A. Identify structure A

B. Identify structure B

B

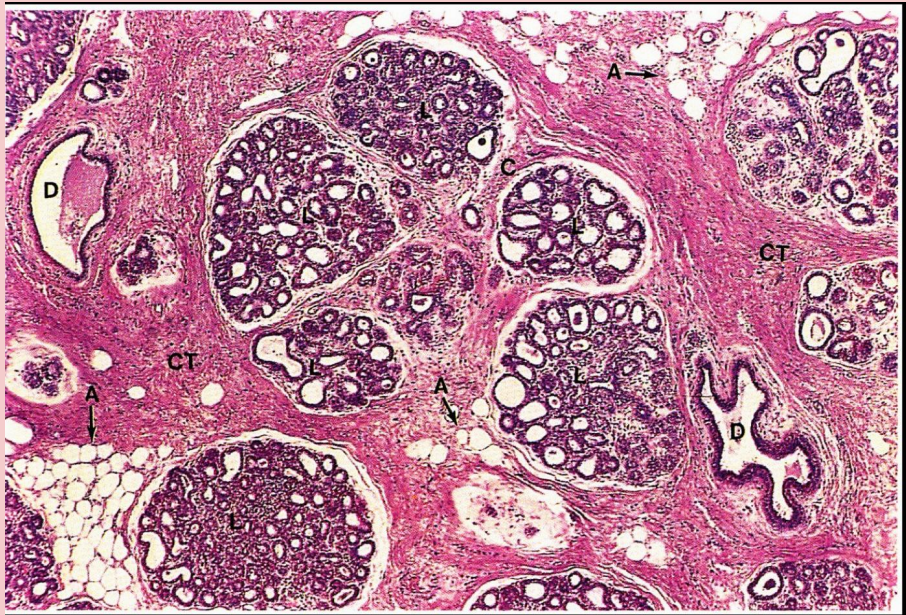

16

A. Identify this whole organ

B. Identify structure B

17

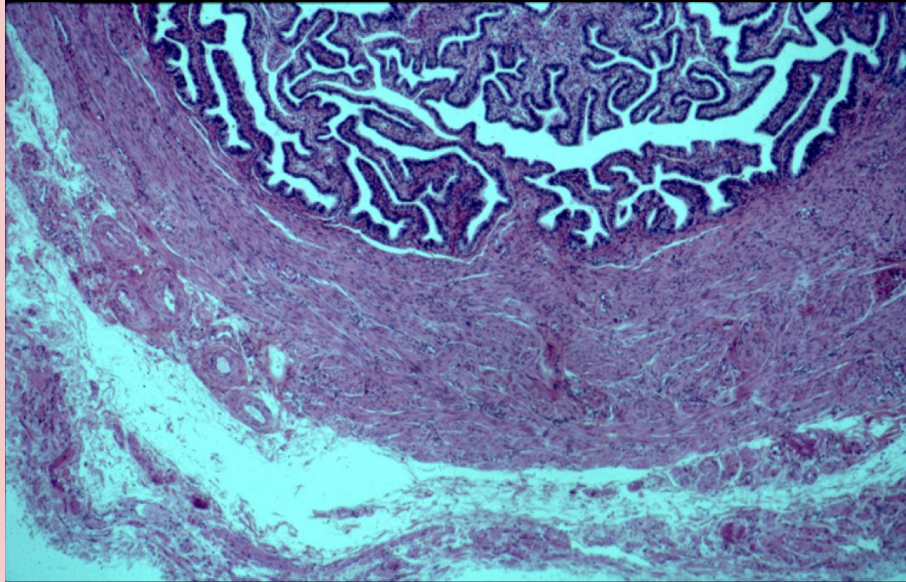

A. Identify this gland

**B. Gland นี้ อยู่ใน stage
ไหน**

— — —

18

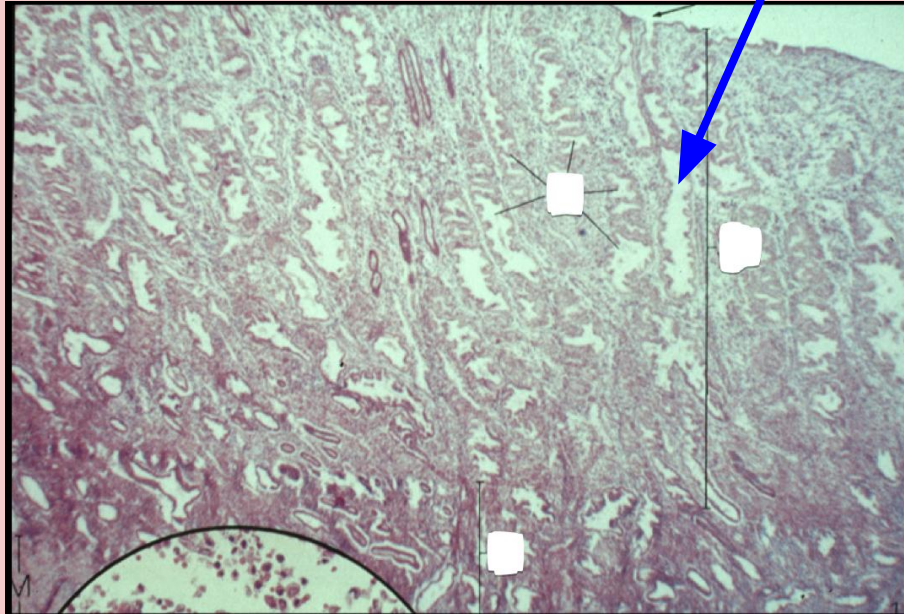

**A. Identify the whole slide
(be specific)**

**B. บอกความสำคัญของ structure
นี้**

— — —

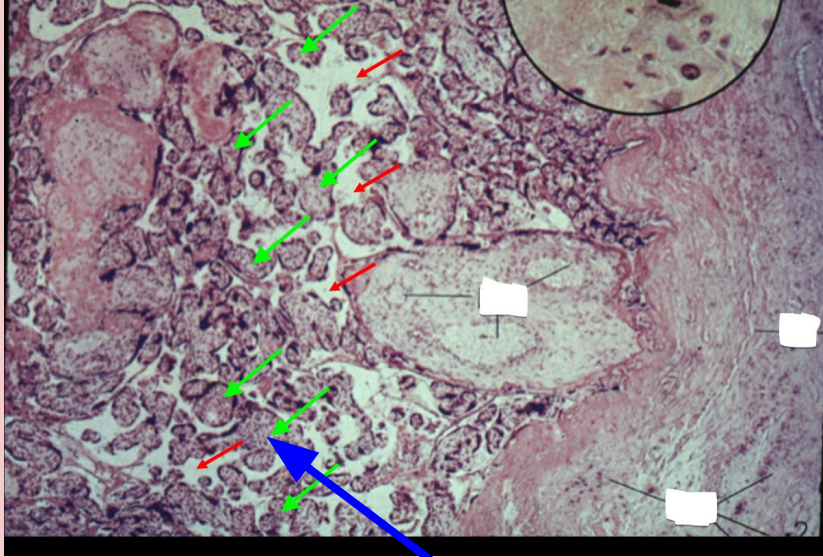

19

A. Identify the whole slide

B. Identify structure B

20

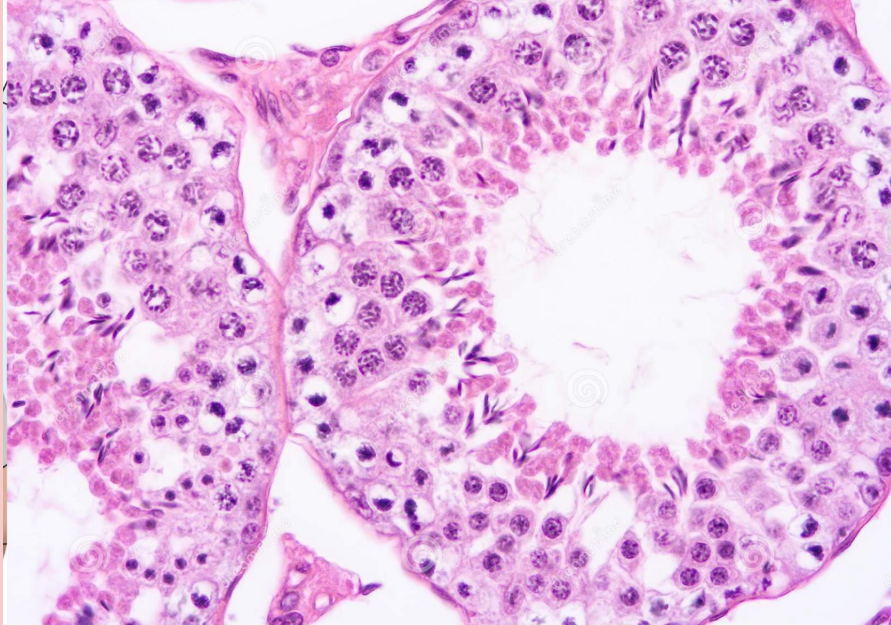

B

A. Identify the whole slide

B. Identify structure B

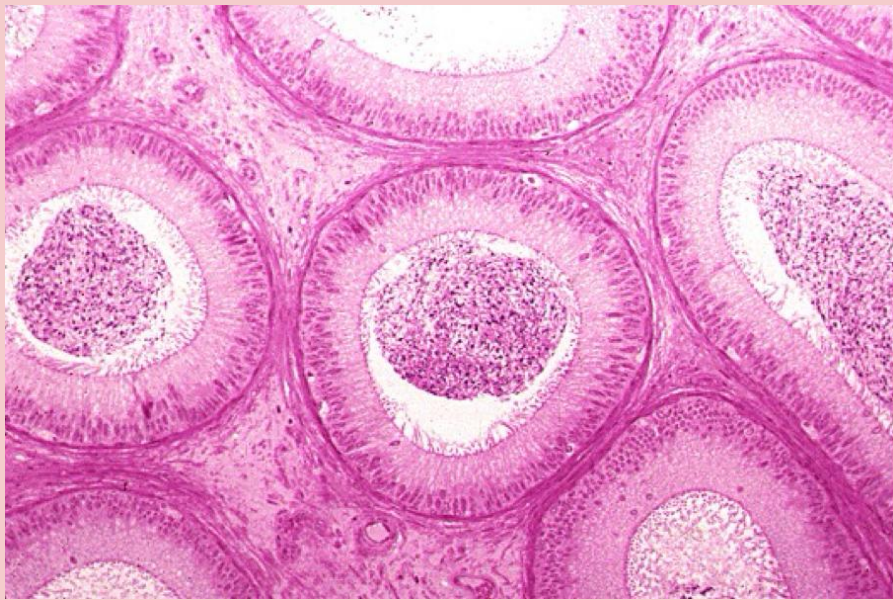

21

A. Identify this organ

B. Give it 1 reason

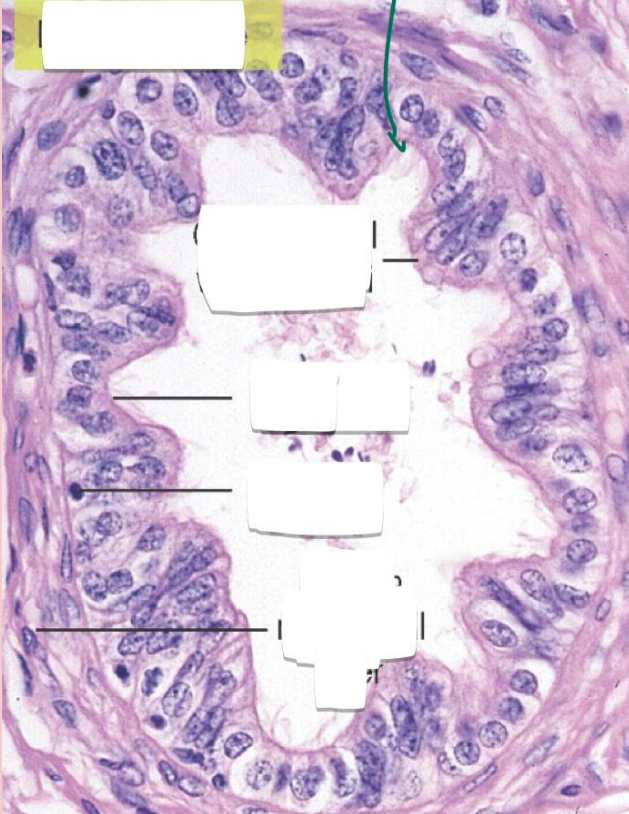

22

A. Tell 1 of its functions

**B. Apical modification
ของ cell ในภาพคือ**

23

A. Apical modificationของ cellนี้คือ

B. Tell 1 of its functions

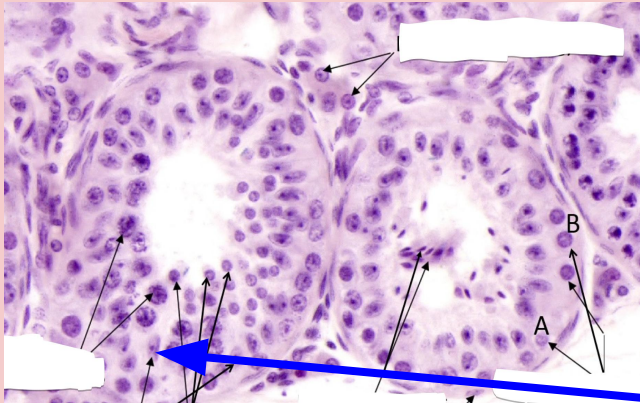

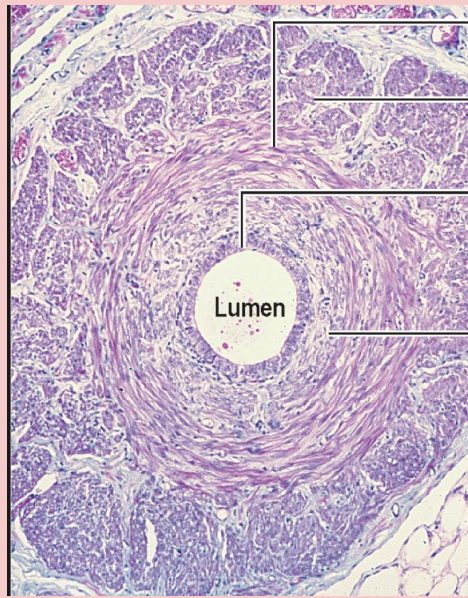

24

A. Identify this organ

B. Name 2 protein that produces by this organ

25

B

A. Identify this structure

B. Identify this cell
